**MEMORANDUM**

TO: Mayor Robert Simison and City Council

FROM: Mike Barton, Parks Superintendent

RE: Community Center – Addendum to construction contract for urban irrigation system in Cedar Springs Subdivision no. 3

**Background**

The original construction contract for the delivery of pressurized irrigation from Nampa and Meridian Irrigation District (NMID) was recorded against the Community Center property and followed the transfer of ownership to the city. The purpose of this addendum allows us to move a pressurized irrigation mainline owned by NMID from under a planned sidewalk. All other terms remain the same. This addendum has been reviewed and approved by our legal team.

**Action**

Council to approve as presented on the consent agenda.
