IVR			
Inbound Set up with Credit Card Payments	N/C	N/C	
IVR Automated phone payments			BDS will program a dedicated phone number for Client's customers to call
Inbound (VPS)			to check balances, leave messages and or make credit card payments. This
Per call for balances and messaging			is a touch activated system. Import files and posting of payment
without payment transactions	\$0.25	\$0.25	to the Admin Web Site details by customer search and reporting the same
			as all other payment services.
Per call payment transaction	\$.75	\$.75	Some Client are passing on the per transaction fee to the customers, BDS
			advised the user that the fee will apply and totals the amount due. The
			fees
			are separated from the payments in the import file so that only the amount
			due is post to the account.

This agreement is subject to the terms and conditions of the original agreement dated 10/01/2006.

By signing below the Client will accept the extension of the services as detailed for the next fiscal year October 1, 2025 to September 30, 2026 at the unit pricing proposed in this notice. At the end of this period, the agreement may be renewed with reviews by both parties. The agreement may be terminated by either party with 120 day written notice. The signatures below indicate acceptance of the agreement.
