

MEMO TO CITY COUNCIL

Request to Include Topic on the City Council Consent Agenda

From: Mike Barton, Parks & Recreation **Meeting Date:** January 7, 2025
Presenter: Consent Agenda **Estimated Time:** Consent Agenda
Topic: Settlers Park Property Boundary Adjustment

Background:

The current Settlers Park property has three separate lots. One lot is the main park area including the water tank, another is a narrow strip behind the baseball fields on the west side of the park and the other is the recently purchased property along Venable Ave. We wish to create one lot for the park and another for the water tank that can be transferred to Public Works and booked as an enterprise fund property should there be a desire to do so.

The property boundary adjustment process requires new deeds to be approved by Council for the Mayor to sign.

Council Action:

Approve this agenda item authorizing the Mayor to sign the new deeds for Settlers Park.
