CITY OF MERIDIAN
SOLE SOURCE FORM

Date: March 8, 2021

Item or Service: Honeywell Morning Pride Tails Turnout Coat and Pants

Sole Source: Item is available from only one vendor. Item is one-of-a kind item and is not sold through distributors. Manufacturer is a sole distributor.

JUSTIFICATION:

1. Manufacturer awards exclusive vendor territories for sales and service. Only one vendor is authorized to sell this product in Idaho. (Municipal Emergency Services)
2. Thread used in structural seams is Tex size T-70. Other manufacturers use smaller thread.
3. Kinetic cut styling significantly reduces hem rise and sleeve retraction, allowing for greater range of motion and protection. Tails system reduces weight, increases range of motion and eliminates bunching when bending forward. Also increases visibility from behind and improves torso ventilation and reduces firefighter heat stress.
4. Patented sleeve design eliminates undesirable sleeve retraction when reaching up or forward, reducing skin exposure and thermal burn injuries.
5. Full Range of Motion Crotch-Patented U-shaped design and diamond-shaped insert allow greater leg mobility.

CERTIFICATION:

I am aware of the requirements set forth in the City's Purchasing Policy & Procedures Manual for competitive bidding and the established criteria for justification for sole source/sole brand purchasing. I have gathered technical information and have made a concerted effort to review comparable/equal equipment. I hereby certify as to the validity of the information and feel confident that this justification for sole source/sole brand meets the City's criteria and is accurate.
