New Business

3. MPR Commissioner Keith Bevan Recognition – Steve Siddoway, MPR Director

- Recognized and thanked Keith Bevan for his service as 2023 Meridian Parks & Recreation Commission President.

4. Meridian Dairy Board Update – Hans Bruijn

- Hans introduced himself and gave the commission a brief history of Dairy Days and how he became involved.
- Dairy Days are held at the Meridian Speedway and Storey Park.
- Last year they handed out approximately \$23,000 in scholarships to FFA students.
- Support 4H groups attending events, pay-to-play with Meridian athletic program, speech contests throughout the Treasure Valley, and the princess pageant with scholarship awards.

Commission Feedback:

- **Jo Greer** – Is there a decreased interest in 4H?
On the dairy side of it there is a program called “The Treasure Valley Heifer Replacement Program”. That program is for 4H and FFA kids to buy, raise and show a dairy heifer. It’s a 15-month program and they sell at the Western Idaho Fair but the animal goes to a dairy and becomes a productive animal. The program has approximately 30 animals right now.
- **Jennifer Bobo** – Thank you for all you do for education. I didn’t grow up on a farm and I learned about milking cows from programs like yours. I also was not aware of the scholarships, so thank you.
- **Terry Dennington** – I appreciate you wanting to continue to educate people.
- **Steve Siddoway** – Thank you for putting on what has become a signature event in Meridian. It’s a wonderful tradition for our community.
- **Mandi Roberts** – Having pride in our community is important and a big part of that is recognizing our history and keeping that alive for future generations. Thank you for doing that.

- **Garrett White** – I’ve been fortunate enough to attend their meetings for the last 4 years and have been amazed at all they do. They have 9 board members, give \$23,000 in scholarships and the passion about Meridian and Meridian history has been fun to watch and learn from them.

5. **MPR Department Arts & Culture Update – Cassandra Schiffler**

Cassandra gave an update from 2023 and plans for 2024 Meridian Parks and Rec Arts & Culture via Power Point. Copies of her slides are attached to these meeting minutes.

Commission Feedback:

- **Jennifer Bobo** – Thank you for all you do. The art is amazing in Meridian.
- **Terry Dennington** – I love the Initial Point Gallery and having the artists there to talk with is so cool. Thank you so much.
- **Mandi Roberts** – The Initial Point Gallery is definitely a hidden gem in the community. What are the general hours of the Gallery? *The Gallery is open when City Hall is open so Monday through Friday 8am – 5pm, excluding holidays.*
- **Garrett White** – What Cassandra showed you is just a snapshot of everything she does. The pool mural has exceeded my expectations. She is busy year-round and does a great job!!
- **Steve Siddoway** – I appreciate what Cassandra does for the department. Getting Arts and Culture in our department was really great. Thank you for all you do.
- **Madi Roberts** – Thank you for recognizing and honoring our history. I am really excited for the historic preservation plan. Art enriches all of our lives and is so important. Thank you!

6. **Open Meetings, Ethics & Bylaws Update – Emily Kane, Meridian Deputy City Attorney**

Emily gave a presentation on Open meetings, ethics and bylaws via Power Point. Copies of her slides are attached to these meeting minutes.

Commission Feedback:

- **Alan Helms** – The information gathering seems strange. We often don’t know all the facts so are we just supposed to go blind until we come here then make a decision? *What’s important is to make sure you have all the information you need to make a decision. If you are faced with a decision and feel like you need more information, the answer would be to have staff go get that for you and bring it back to the next meeting. If it’s something you need to have “eyes on” then the whole commission needs to go together to look.*
- **Terry Dennington** – All the items that we discussed for the goals for the coming year are likely things that will be coming up on the agenda, so we shouldn’t actively go out and look at things on that list and solicit information, right? *You’re here because you are interested in parks and are active in your community. People do talk to you and you do talk to other people. That’s encouraged and that’s really the point of having a commission. Don’t make it a point to go down the list and do research and site visits on each of those things but keeping your eyes and ears open and experiencing Meridian Parks and Recreation programs, that’s all definitely ok. If it’s on an agenda and you know it’s an item you’re going to be asked to make a recommendation on then it’s really important to focus*

on that meeting and think about what information you would like to see at the meeting. Let Steve and Rachel know and they will gather that information for you.

Staff Reports

7. Steve Siddoway –

- Park land donation was recently made by Marty Hill and Brighton Corporation at Hillsdale Park. This will give citizens better pedestrian access to the park.
- Last night on the Council agenda was an agreement with Meridian Youth Baseball for a small shade awning in front of the concession area in Settlers park.
- Still working with WARD (Western Ada Recreation District) on the transfer of assets (golf course and pool). Currently we manage both locations and we should be taking ownership of both on October 1, 2024.
- Tully Park playground is almost finished. We are working on a pilot program called a communication board which is used by autistic children to communicate. It should be done for a ribbon cutting in the late Spring. This is something we are really excited about!
- I want to publicly acknowledge the tremendous efforts of our parks crew during the recent snow removal. They were working here at 5am today. They are responsible for City Hall, the police station, all fire stations, Homecourt, the senior center and they will all be back tomorrow at 5am again. I want to give a public thank you to them.

8. Mike Barton –

- I want to reiterate the thank you and appreciation to the parks crew for snow removal. They will be back tomorrow morning and will also work all weekend.
- We are continuing to work on golf course improvements: getting ready to order a couple of new restrooms and the inside renovation is moving forward. Carpet and furniture for inside the clubhouse has been ordered. We are designing a new bar top that the crew at the parks shop is building and the wood came from a tree in Centennial park.

9. Garrett White –

- City Council approved the budget for improvements at Homecourt bay 6.
- Railing in front of the pool building is being replaced in the next month.
- Submitted all the forms and paperwork for the Meridian Main Street Market.
- Admin assistant position open. So far, we have over 60 applicants.

10. Kim Warren –

- Fivemile pathway is still waiting for the bridge.
- Mary McPherson Pathway got most of the paving done but there is a small corner at the school that needs to be done.
- Request in to Purchasing for the Pathways Masterplan update.
- Highway 16 and Fivemile creek pedestrian underpass may go on a list of possible future projects.
- Rail with Trail now has a consultant who is submitting various applications to the City.

Commission Feedback:

- **Terry Dennington** – Is there any snow removal on the trails and pathways or do people just clear it themselves? Mike: *Snow removal is on a tiered priority system and pathways are on tier three. When we get back to back storms the pathways will not get done but we will eventually get to them once the snow stops.*

Commission President Mandi Roberts entertained a motion to cancel the next meeting which was scheduled for February 14, 2024. Commissioner Jo Greer moved to cancel the next meeting. Commission Vice President Dom Gelsomino seconded. The vote was unanimous and in favor of the motion.

Next meeting March 13, 2024 at 5:30 p.m.

Commission President Mandi Roberts entertained a motion to adjourn the meeting. Commissioner Jo Greer moved to adjourn. Commission Vice President Dom Gelsomino seconded. The vote was unanimous and in favor of the motion.

OPEN MEETINGS LAW COMMISSION BYLAWS GOVERNMENTAL ETHICS

Emily Kane, Deputy City Attorney
Presentation to Meridian Arts Commission
January 10, 2024

What is the OML?

- Title 74, Idaho Code: Transparent and Ethical Government
- Chapter 2: Open Meetings Law
- “The people of the state of Idaho, in creating the instruments of government that serve them, do not yield their sovereignty to the agencies so created. Therefore, the legislature finds and declares that it is the policy of this state that **the formation of public policy is public business and shall not be conducted in secret.**”

Does the OML apply to the Commission?

YES!

- “All meetings of a governing body of a public agency shall be open to the public.”
 - Public Agency: City + any “subagency”
 - Governing body: Board with authority to make decisions or recommendations
 - Meridian City Council = Governing body
 - Meridian Parks & Rec Commission = subagency

What is a “meeting”?

Meeting:	Quorum + Decision Quorum + Deliberation
Decision:	Action
Deliberation:	Receiving information Exchanging information Exchanging opinions

...related to the business of MPRC

OML meeting requirements

All Commission and Committee meetings must:

- Be noticed prior to convening: 48 hours (regular meeting) or 24 hours (special meeting)
 - Notice = posted at City Hall + City website
- Be open to the public
- Provide the opportunity for all persons to attend
- Follow published/adopted agenda
 - Law allows limited amendment of agenda after noticing or during meeting
 - Action may not be taken on an item added to agenda during meeting
- Be memorialized in summary minutes

Word to the Wise

“The requirement that the Open Meeting Law be complied with **should not be evaded** by holding smaller meetings with less than a quorum present or by having a go-between contact each of the governing body members to ascertain his/her sentiment.”

Is it a “meeting”?

Scenario	Is it a meeting?
5 Commissioners at a New Year’s party talking about their pets.	No. “Meeting” does not include informal gatherings without deliberations.
5 Commissioners at a New Year’s party talking about whether Meridian parks should have an off-leash guinea pig park.	Probably not. “Meeting” does not include informal gatherings, and this is not deliberation toward a decision. BUT: If the Commission is later asked to make a decision regarding this issue, disclose this discussion on the meeting record.

Is it a “meeting”?

Scenario	Is it a meeting?
5 Commissioners at New Year’s party talking about an off-leash guinea pig proposal that is on their upcoming agenda.	Yes. While “meeting” does not include informal gatherings, whenever a quorum convenes and deliberates, even informally, this is a “meeting.”
4 Commissioners at a New Year’s party talking about an off-leash guinea pig park proposal that is on their upcoming agenda.	No...but it’s too close to yes. Not technically a meeting (no quorum). BUT: It is “deliberation.” Violates the purpose of the law, even if no actual violation.

Ex parte info

- **Ex Parte Information Gathering (EPIG):** Receiving, off the record, information or opinion regarding a matter pending before the Commission
 - Informal conversations with citizens
 - E-mail or phone/voice mail opinions (even unsolicited)
 - Individual site visits, research, interviews
- EPIG happens outside a meeting → EPIG deviates from the public record
 - “The formation of public policy is public business and shall not be conducted in secret.”

Word to the wise

“When a governing body deviates from the public record, it essentially conducts a second **fact-gathering session without proper notice.**”

- How to handle ex parte information:
 - Avoid it!

BUT another word to the wise:

The Commission is not held to a standard of **disinterestedness**.

- How to handle ex parte information:
 - Disclose it!
 - Public meeting, on site, as a Commission

Is it inappropriate ex parte info?

Scenario	Is it ex parte?
Commissioner goes to the proposed site of a future off-leash guinea pig park that is to be discussed at an upcoming Commission meeting, in order to see what the site looks like.	Yes – AVOID! This is an off-record fact-gathering session not properly noticed or open to the public.
Commissioner lives near the site and drives by every day on her way to and from work.	No...but disclose. Incidental observation is not necessarily inappropriate fact-gathering. BUT: The Commissioner should disclose her experience on the record.

Is it inappropriate ex parte info?

Scenario	Is it ex parte?
The Commission wishes to see the site of a proposed off-leash guinea pig park that is to be discussed at an upcoming Commission meeting.	<p>No – this is OK.</p> <p>Since this is a meeting at which information will be received for the purposes of making a decision, it must be properly noticed, minutes must be taken, and the public must be allowed to attend.</p>

Public testimony

- The Open Meetings Law does not require that the Commission take public comments or testimony.
- BUT: The Commission president may allow or request public comments or testimony.

Executive session

- Executive session = A closed meeting.
- There are 10 specific exceptions to the open meeting requirement.
- It is unlikely that MPRC would conduct deliberations under any of these exceptions.
- If you foresee the need to hold an executive session, please consult your attorney in advance.

Phone/online meetings

- The law specifically allows meeting by telephone conference call (or online platform) IF:
 - At least one Commissioner is physically present at the noticed location
 - The communications are audible to all attending in person or remotely
 - Voting is not secret

E-mail, text, social media

- Quorum of commissioners on an email thread + Deliberations = Illegal Meeting. Violates:
 - Notice requirement
 - Physical presence requirement
 - Audible communications requirement
 - Secret voting prohibition
- Creates public records – subject to disclosure to the public under Idaho Public Records Act
 - Even if it is your personal e-mail account, personal device
- Administrative message is not “deliberation”

Open meeting violations

- Any action taken in violation of the Open Meeting Law is void.
- Subsequent actions are also considered tainted and therefore void.
- **FIX:** Do-over, from the beginning.
- If an action is knowingly taken in violation of the Law, the actor is subject to being individually sued and fined, and may be subject to criminal prosecution.
 - Any affected citizen can sue.

COMMISSION BYLAWS

City Code Provisions

- Title 2, Chapters 1 (general) and 4 (MPRC)
- Annual report mandatory
- 3-year term
- Commissioner term expires → Position noticed; incumbent may reapply
- Third consecutive term by City Council vote only
- Absent for 1/2 of meetings in 12 months = automatic dismissal

Bylaws

- ❑ Committees must comply with Open Meetings Laws
- ❑ Appearances before Commission are at discretion of Council president
- ❑ Elections are in December
- ❑ Sitting vice president is automatically nominated for president

ETHICS IN GOVERNMENT

Self-interested contracts

- Idaho Code Title 74, Chapter 5; Idaho Code section 18-1359; Meridian City Code section 1-14-8
- Commissioners may not be “interested in” any contract with the City (no “self-interested contracts”)

Self-interested contracts

STEP 1: Contact City Attorney’s Office!

Exceptions:

- Other suppliers scarce (<3 in 15-mile radius)
- Contract necessary for disaster response
- Commissioner has “remote interest” in contract + makes written disclosure
- Unpaid commissioner strictly follows competitive bidding rules in Idaho Code section 18-1361A

Conflicts of interest

- Title 74, Chapter 4, Idaho Code; City Code section 1-14-5
- Commissioner is asked to make a decision as a commissioner that benefits you or your household member personally or professionally

Possible conflict of interest?

STEP 1: Contact City Attorney's Office!

- If CAO finds potential conflict:
 - Commissioner must submit to Commission a written statement describing potential conflict.
 - Commission consults CAO; CAO advises:
 - Allow conflicted Commissioner's participation notwithstanding conflict (usually Commissioner must follow 18-1361A); Or
 - Excuse conflicted Commissioner from further participation on the issue.
 - Commission/Council votes on whether to excuse.

Gifts and favors

- Idaho Code section 18-1359; City Code section 1-14-10
- Commissioners (in course of official duties) may not accept gifts more than \$50 in value
- Commissioners may not accept ANY gift that might influence actions on the Commission
- Commissioners may not grant favors

Ethics laws violations

- Unlawful City contract: \$1,000 fine, 1 yr. jail
- Fail to consult CAO + fail to disclose conflict of interest: \$500 civil fine
- Accept bribe: \$50,000 fine + 5 years jail
- Corrupt acts: \$1,000 fine, 1 year jail
- Violate Meridian City Code: \$300 fine + reprimand, suspension, discharge from the commission

Listen to your PANGS

- **Personal benefit?** Contact the City Attorney's Office if you think you may have a conflict of interest; must separate service to personal and public interests
- **Avoid/Disclose:** Avoid gathering facts and opinions outside of noticed meetings as much as possible; if you can't avoid, you must disclose
- **Notice:** Agenda and minutes provide public portal to Commission actions; only meet in public and stick to the noticed agenda as closely as possible
- **Gifts:** Be wary of gifts given to you as a commissioner or from an interested party; always observe \$50 limit
- **Self-interested contracts:** Usually allowed for unpaid commissioners, if follow statutory procedures
