Topic:	Agreement for Crossing of Can Ada Sewer Main Line and Williams Gas Pipeline		

Recommended Council Action:

Recommend approval via the consent agenda.

Background:

The construction of the sewer lines associated with the Can Ada Lift Station construction in northwest Meridian will require the sewer lines to cross under the Williams Gas Pipeline. Williams has agreed to allow this crossing with the attached agreement letter signed by the City. The City's Legal Department and Engineering Division have reviewed the letter and agree with the conditions. Approval of this agreement is essential for the completion of the City's Can Ada Lift Station and Sewer Line Project.
