IV. STAFF ANALYSIS

The Applicant proposes a re-subdivision of existing limited common areas (i.e. LC2 and LC3) of Healthy Living Condominiums ([H-2017-0075](#)). Portions of the existing limited common areas have been converted to tenant spaces resulting in the reduction and reconfiguration of limited common areas. The proposed short depicts subdivision of air space within an existing building on the YMCA property to create two (2) units (i.e. 8 and 9) for ownership purposes with five (5) limited common areas. In order to accommodate separate ownership and to delineate between limited common areas between the YMCA and St. Luke's portions of the building, the air space in the existing structure is proposed to be condominiumized as shown on the short plat in Section VI.A.
