Hello Kyle

This letter of request to install a sewer lateral at the property of 2727 E Magic View Dr. Meridian 83642 into City Main Sewer requiring Annex into the city of Meridian. The owners of this property have elected to abandoned an existing failed septic system rendering this residence without sewer service. This residence is in a time sensitive emergency.

Elite Rooter is acting on behalf of Kimberly Groves (Owner) regarding this request.

Can you (Kyle Radek) help us to help this family expedite this Sewer Lateral install.

Sincerely, Richard Meyers Elite Rooter GM
