Topic: Request to amend Agreement for Provision of Water Services Outside Meridian City Limits dated June 3rd, 2025 for property 485 E Overland Road

Recommended Council Action:

Approve the request from Dara Tong to amend the previous contract to allow the existing well to be used for irrigation purposes instead of abandonment.

Background:

I. DEPARTMENT CONTACT PERSONS

Tyson Glock – Staff Engineer II	208-489-0358
Warren Stewart, City Engineer	208-489-0350
Laurelei McVey, Director of Public Works	208-985-1259

II. DESCRIPTION OF REQUEST TO CONNECT

Dara Tong wishes to amend the previous Agreement for Provision of Water Service Outside Meridian City Limits dated June 3rd, 2025 (Agreement) to enable the continue use of the existing well instead of abandonment. The Agreement currently states that the well must be abandoned 180 days following the execution of the Agreement.

III. CITY COUNCIL REVIEW

The City does allow wells to be used for irrigation purposes as long as there is no cross connection to the home or any other potable water source. Additionally, a backflow preventor is required on the service.

The amendment includes language that if in the future, the well is no longer used for irrigation purposes, Mr. Tong would be required to abandon the well according to State Law.

IV. ALTERNATIVES

A denial of this request would leave the original Agreement in place with the requirement to abandon the well within 180 days of executing the original Agreement.

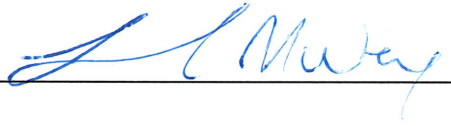

V. TIME CONSTRAINTS

This amendment needs to be in place before Nov 30, 2025 in order for Mr. Tong to not be in breach of contract of the original Agreement.
