RE: Cloud Based Opticom Agreement

Mayor and City Council:

On 11/1/2023, I presented to the ACHD commissioners on our desire to implement a cloud based Opticom program. Commissioners were agreeable to our project, but wished to have a legal agreement in place. This agreement was written by our legal and reviewed by ACHD.

I am requesting the Mayor and City Council to approve so we can take it to ACHD Commission to approve.

Please let me know if you have any additional questions.

Thank you,

Joseph Bongiorno

Deputy Chief of Prevention
