<b>Topic:</b>	New Ladder Truck – FY25 budget amendment request		

---

### Recommended Council Action:

Review and approve budget amendment request for new ladder truck.

### Background:

We have the opportunity to purchase a ladder truck without having to wait for the truck to be built, by selecting a “Stock Unit” from the manufacture. Stock units are released the first Monday of each month and are sold on a first come, first serve basis.

This ladder truck will serve as a new level of servicing, adding three front line trucks to our fleet.
