MEMORANDUM

TO: Mayor and Council

FROM: Dave Miles, Chief of Staff 

DATE: October 7, 2020

SUBJECT: Ada County Title 9 Application

Mayor and Council,

Planning is bringing forth an agenda item seeking approval to move forward with an application to Ada County to adopt the City's Comprehensive Plan and Area of City Impact vision based on the City's approval of that plan in December 2019 under Resolution No. 19-2179.

City staff has been in contact with County staff to discuss this request and the County staff was favorable to the request. In addition, City and County staff discussed County code items that the City believes should be updated to allow orderly growth and development of Meridian in consideration of County standards. Again, County staff was favorable to these discussions and concepts.

The attached draft letter and packet information highlight the specific changes that are requested of Council and the County.
