

MEMO TO CITY COUNCIL

Request to Include Topic on the City Council Agenda

From: Kim Warren, Parks and Recreation **Meeting Date:** October 13, 2020
Presenter: Kim Warren, Pathways Project Manager **Estimated Time:** 15 minutes
Topic: Presentation of Pathways Map Update for Council consideration

Recommended Council Action:

Review updated pathways map provided, along with methodology used to keep pathways map current.

Background:

The pathways map layer was last updated in March of 2019. Staff is proposing a 2020 pathways update for adoption. Staff has provided a map book of pathways for Council review, including highlighted changes made since the last update.

In lieu of presenting each individual change to the pathways map, staff will present methodology used to update this information. We ask that council consider this methodology and review the map additionally as/if desired. Staff proposes to return in a week with a formal resolution request for adoption.
