I. DESCRIPTION

A. Background

ACHD will be installing a roundabout at Ten Mile Road and Amity Road as part of their 2021 roadway program. As a utility within the public right of way, the City is responsible for adjustment of water and sewer infrastructure to allow for roadway projects. As part of the construction, City of Meridian utilities are being adjusted to meet required clearances. The construction will also allow the City to stub out utilities for future development.

B. Proposed Project

ACHD will install a roundabout at the Ten Mile Road and Amity Road intersection. During construction, ACHD will have City of Meridian water improvements installed by their contractor. The water portion will consist of the adjustment of approximately 1250 ft. 16-inch PVC pipe, subsequent adjustments of water valves, and the installation of one water service stubs.

II. **IMPACT**

A. Strategic Impact:

This project is aligned with the Public Works objective of being opportunistic in planning for growth and infrastructure needs.

B. Fiscal Impact

The costs of the City of Meridian infrastructure improvements are estimated to be \$135,364.80 and will be funded from the account, as shown below. The actual costs will be presented to Council for approval following the bid opening for this project.

Project Costs:

Fiscal Year 2021		
Amity and Ten Mile		\$135,364.80
	Total	\$135,364.80

Project Funding

Fiscal Year 2020	Account Code / Codes	
Water Main Extensions	3490-96140	\$135,364.80
	Total Funding	\$135,364.80

III. **TIME CONSTRAINTS**

ACHD plans to start construction on this project in February 2021. City approval of this agreement is required for ACHD to install water improvements as part of their project. This agreement is on the ACHD Commission agenda for the October 21, 2020. ACHD plans to award the bid for this project in February 2021.
