Subject: RE: marked pedestrian crosswalk - Eagle Road near the Skybreak community.

Shannon – thank you for reaching out and sharing your concerns about pedestrian safety and a request for crosswalks near Skybreak. I have copied our long-range transportation planning staff to this email. I will ask that they make contact with you this week to discuss and get any other information necessary. I have moved this request off of the Construction Concerns webpage as this is more about long-term infrastructure needs, and requests like these will likely involve some discussion with our Transportation Commission and the local Ada County Highway District (ACHD) who owns and operates the roads. Craig can also give you some history as to whether or not this area is already identified for a pedestrian solution and/or whether ACHD will consider it in the near term or some other approach may be needed.

Sincerely,

Dave Miles | Director

Subject: New Construction Concern Received - Other, I would like to request the installation of a marked pedestrian crosswalk with proper lighting on Eagle Road near the Skybreak community.

Submission Contact Information:

Shannon Platzer Lawston
shannonplatzer@comcast.net
(763) 218-5624

Concern(s):

Other

I would like to request the installation of a marked pedestrian crosswalk with proper lighting on Eagle Road near the Skybreak community.

Additional concern details: I would like to request the installation of a marked pedestrian crosswalk with proper lighting on Eagle Road near the Skybreak community. Vehicles travel at high speeds in this area,

and many residents feel it is unsafe to cross the street without enhanced visibility and traffic-calming measures. Improving pedestrian safety here would greatly benefit our neighborhood.

Concern Location
