The following paragraph is in the current BYDC bylaws:

Article XI. Dissolution

Upon dissolution of the Corporation, the Board of Directors shall, after paying or making provision for the payment of all liabilities, distribute all the assets consistent with the purposes of the organization to one or more exempt purposes within the meaning of section 501c(3), or federal, state, or local government for public purpose, in such a manner as the Board of Directors shall determine. Any such assets not so distributed shall be distributed by the District Court of the county in which the principal office is then located, exclusively for the purposes or to such organizations, as such Court shall determine to be consistent with the purposes of the organization.

MADC does still fall under the exempt definition of “federal, state, or local government for public purpose.”

Let me know if you have any other questions.

Thank you Melissa. Before we proceed I need to clarify that MADC is not a 501-3c, it is a city government entity. Please let me know if that changes the status of the donation.
