To Whom It May Concern:

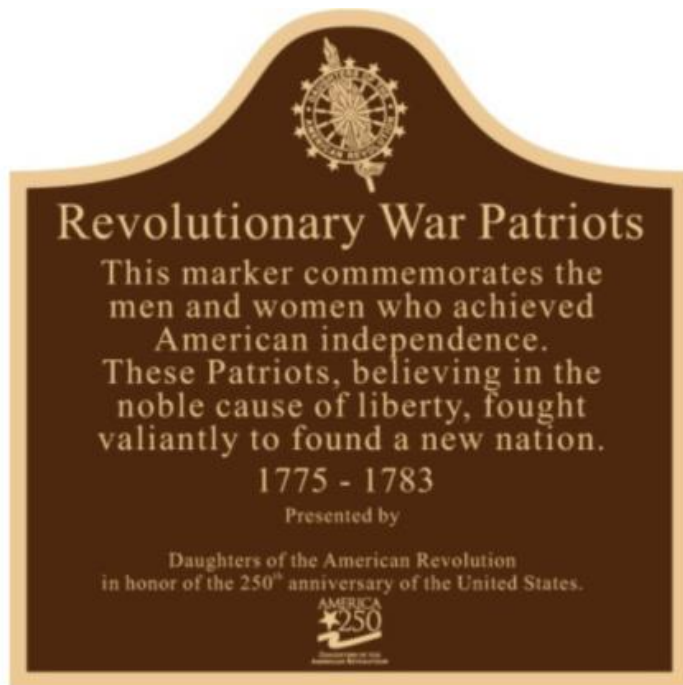

This letter is requesting approval for the Emma Edwards Green Chapter, NSDAR to put an America 250 Marker in Meridian, Idaho. The U.S. Congress established the United States Semiquincentennial Commission and DAR's Honorary President General, Lynn Forney, serves on this commission. As a result, DAR state societies and chapters have been asked to make plans to celebrate this special milestone in our country's history.

DAR has the opportunity to raise the visibility of our Patriots and create interest in who they were and enthusiasm for what they accomplished. One way that states and chapters can make this happen is the placement of a DAR American 250 Patriots Marker. This marker will commemorate the men and women who achieved American Independence. Local chapter, Emma Edwards Green, is requesting permission to undertake this project and make Meridian one of the sites of this Patriot marker. Our chapter is working to raise the needed funds, but we must obtain permission to place a marker in the desired location to proceed in our endeavors. Before our Chapter can receive approval from the National Society Daughters of the American Revolution to place a marker in Meridian, we need the following: a letter of support from our Chapter (Emma Edwards Green), a precise description of where the marker is to be located, and a written statement authorizing installation of the marker from the property owner/custodian of the land where the marker is to be placed (Heroes Park). The letter must be dated within the past year. The signed, dated letter should include a statement explaining by what right the writer has the authority to grant permission. This permission will allow Emma Edwards Green Chapter to continue fundraising and to apply for a DAR grant and any other available grants. If there are any questions, please contact Organizing Regent, Helen Ditto, at regentmeridaneeg@gmail.com

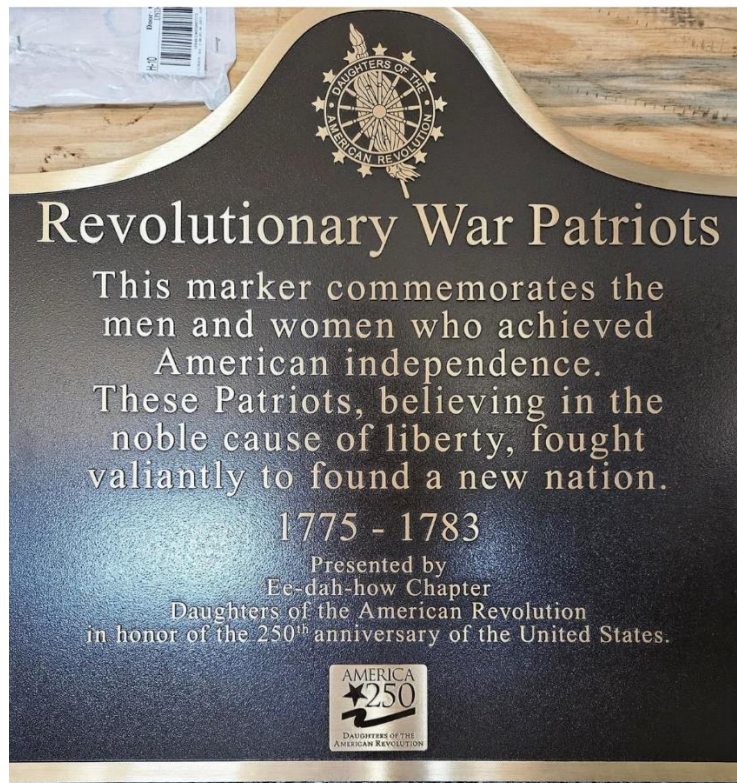

Thank you for your attention to this request.

Sincerely,

Helen Ditto

America 250 Marker (Bronze)
The size will depend on whether we go with mounting on a stone or pole.
30"x30" mounted on a pole
24"x24" mounted on a stone

Picture of the Marker that the Nampa Chapter, Ed-dah-how, is placing in a local park. They are mounting it on a stone.
