Luke Cavener

MEMORANDUM

TO: Mayor Robert Simison and City Council

FROM: Mike Barton, Parks Superintendent

DATE: March 14, 2023

RE: Lakeview Golf Course Clubhouse and Course Improvements

Background:

In September 2021, the City received a final master plan from the National Golf Foundation. One of the items in this plan was a capital improvement plan broken down into three tiers and a long-range plan for additional improvements. We are nearing completion of an adjusted list of improvements in tiers one through three and are bringing a presentation centered around the longer-range capital improvements identified in the Master Plan.

Council Action:

We would like feedback about future improvements to the golf course and the timing of these improvements.
