Exhibit A: Approved Opioid Abatement Strategies

- Part One: Treatment
- Part Two: Prevention
- Part Three: Other Strategies

PREVENTION

Strategy H: PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)

11. Support mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with Opioid Use Disorders (OUD) and any co-occurring Substance Use Disorders (SUD)/Mental Health (MH) conditions.

- Crisis Intervention Team (CIT)
 - Additional Clinician
 - Additional CIT Officer(s)
- Community Paramedic Program in partnership with Meridian Fire Dept.

TREATMENT

Strategy C: CONNECT PEOPLE WHO NEED HELP TO THE HELP THEY NEED (CONNECTIONS TO CARE)

8. Support crisis stabilization centers that serve as an alternative to hospital emergency departments for persons with OUD (Opioid Use Disorder) and any co-occurring SUD/MH (Substance Abuse Disorders/Mental Health) conditions or persons that have experienced an opioid overdose.

➤ Contract with Community Providers

- **Scholarship Program**
 - Financial scholarships to assist community members in obtaining treatment

PREVENTION

Strategy G: PREVENT MISUSE OF OPIOIDS

8. Fund evidence-based prevention programs in schools or evidence-informed school and community education programs and campaigns for students, families, school, employees, school athletic programs, parent/teacher/student associations, and others.

- Partnering with education based organizations to provide drug education and prevention opportunities

PREVENTION

Strategy G: PREVENT MISUSE OF OPIOIDS

5. Fund community anti-drug coalitions that engage in drug prevention efforts.

- Further support MADC and their efforts in the community focused around Opioid misuse
