3. Environmental Protection Agency (EPA) regulations pursuant to 40 C.F.R. Part 50.

B. Flood Disaster Protection. In accordance with the requirements of the Flood Disaster Protection Act of 1973 (42 U.S.C. § 4001) and 24 CFR § 570.605, Subrecipient shall assure that for activities located in an area identified by FEMA as having special flood hazards, flood insurance under the National Flood Insurance Program is obtained and maintained, and shall assure compliance with Title 10, Chapter 6, Meridian City Code, as a condition of financial assistance for acquisition or construction purposes (including rehabilitation).

C. Lead-Based Paint. Subrecipient agrees that any construction or rehabilitation of residential structures with assistance provided under this Agreement shall be subject to HUD Lead Based Paint Regulations, 24 CFR Part 35, implementing Title X of the Housing and Community Development Act of 1992. These regulations revise the CDBG lead based paint requirements under 24 CFR § 570.608. Such regulations pertain to all CDBG-assisted housing and require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly notified that such properties may include lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment and precautions that should be taken when dealing with lead-based paint poisoning and the advisability and availability of blood level screening for children under seven. The notice must also point out that if lead-based paint is found on the property, abatement measures may be undertaken. The regulations further require that, depending on the amount of Federal funds applied to a property, paint testing, risk assessment, treatment and/or abatement may be conducted.

D. Historic Preservation. Subrecipient agrees to comply with the Historic Preservation

requirements set forth in the National Historic Preservation Act of 1966, as amended (16 U.S.C. § 470) and the procedures set forth in 36 CFR Part 800, Advisor Council on Historic Preservation Procedures for Protection of Properties, insofar as they apply to the performance of this Agreement. In general, this requires concurrence from the State Historic Preservation Officer for all rehabilitation and demolition of historic properties that are fifty years or older or that are included on a Federal, state or local historic property list.

- E. Endangered Species.** Subrecipient agrees to comply with the provisions outlined in the Endangered Species Act of 1973, as amended, for the preservation and protection of endangered species. This obligation mandates that the Subrecipient takes all necessary measures to prevent any actions that could jeopardize the continued survival of species listed under the Act and to refrain from causing harm or alteration to their critical habitats. Additionally, the Subrecipient is obliged to adhere to proper waste management practices, ensuring that waste materials are either recycled or disposed of in an environmentally responsible manner, using EPA-approved sanitary or hazardous waste disposal facilities.
- F. Noise Abatement and Control.** Subrecipient agree to comply with the guidelines outlined in the Noise Control Act of 1972, as well as the relevant directives provided by the General Services Administration Federal Management Circular 75-2, titled "Compatible Land Uses at Federal Airfields," and Title 24 CFR 51 Subpart B to mitigate excessive noise exposure, particularly in residential areas. For the rehabilitation of existing residential properties, the Subrecipient will enhance the building envelope for any components they address. Strategies may include the installation of improved windows and doors, reinforced sheathing, insulation, and sealing gaps, among other measures.

V. GENERAL CONDITIONS

- A. Appropriation.** It is acknowledged by the Parties that although Congress has signed an appropriation bill committing the funds set forth in this Agreement, and HUD has notified City of its apportionment and approved the City's Action Plan, availability of CDBG funds to City, and thus to Subrecipient, is subject to Congressional release of such funds to HUD and HUD's release of such funds to City. Unless and until HUD releases the funds, City shall have no contractual, legal, or equitable obligation to Subrecipient. In the event that CDBG funds are not made available to City, whether by Congress or by HUD, this Agreement shall be void, and City shall have no obligation to Subrecipient, whether under this Agreement or under any legal or equitable claim. HUD's rescission of CDBG funds shall be grounds for termination of this Agreement.
- B. Notices.** All notices required to be given by either of the parties hereto shall be in writing and be deemed communicated when emailed, personally served, or mailed in the United States mail, addressed as follows:

If to City:

City of Meridian
Attn: Crystal Campbell, Community

- C. Compliance with laws.** Subrecipient agrees to comply with HUD regulations concerning CDBG funds, including, but not limited to, 24 CFR Part 570 and subpart K of such regulations. Subrecipient also agrees to comply with all other applicable Federal, state and local laws, regulations, and policies governing the funds provided under this Agreement, except that: (1) Subrecipient does not assume the recipient's environmental responsibilities described in 24 CFR § 570.604; and (2) Subrecipient does not assume the recipient's responsibility for initiating the review process under the provisions of 24 CFR Part 58.
- D. Independent Contractor.** Nothing contained in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. Subrecipient shall at all times remain an independent Contractor with respect to the services to be performed under this Agreement. City shall provide no benefits or insurance coverage whatsoever to Subrecipient and/or to its agents.
- E. Indemnity.** Subrecipient, and each and all of its employees, agents, contractors, officials, officers, servants, guests, and/or invitees, and all participants in Subrecipient's programming, shall hold harmless, defend and indemnify City from and for all such losses, claims, actions, and/or judgments for damages or injury to persons or property and/or losses and expenses caused or incurred by Subrecipient and/or its employees, agents, contractors, officials, officers, servants, guests, and/or invitees, and participants in its programming, and other costs, including litigation costs and attorneys' fees, arising out of, resulting from, or in connection with the performance of this Agreement by Subrecipient and/or Subrecipient's employees, agents, contractors, subcontractors, officials, officers, servants, guests, invitees, participants, and/or volunteers and resulting in and/or attributable to personal injury, death, and/or damage and/or destruction to tangible or intangible property.
- F. Workers' Compensation.** Subrecipient shall maintain workers' compensation insurance coverage, in the amount required by Idaho law, for all employees involved in the performance of this Agreement.
- G. Insurance.** Subrecipient shall carry sufficient insurance coverage to protect Agreement assets from loss due to theft, fraud and/or undue physical damage. At a minimum, Subrecipient must provide the equivalent insurance coverage for real property and equipment acquired or improved with CDBG funds as provided to property owned by the non-Federal entity. For construction or facility improvement contracts or subcontracts exceeding the simplified acquisition threshold as defined in 41 U.S.C. 134 and Appendix II, section (A), Subrecipient must comply with bonding requirements set forth in 2 CFR § 200.325.
- H. Grantee Recognition.** Subrecipient shall ensure recognition of the role of the City in providing services through this Agreement. In addition, Subrecipient will include a reference to the support provided herein in all publications made possible with funds made available under this Agreement.
- I. Amendments.** The parties hereto may amend this Agreement at any time provided that such

amendments make specific reference to this Agreement, are executed in writing, and signed by a duly authorized representative of each party. A “minor amendment” shall be one moving less than 20% of total funds to a different line item, adding a new line item, or changing the number of persons served by less than 20%, and which does not change the total funds to be issued to Subrecipient under this Agreement, the scope of services, or any other material terms of this Agreement. Minor amendments may be approved and signed by the Community Development Program Coordinator. All other amendments shall be approved by City’s governing body and signed by the mayor. Such amendments shall not invalidate this Agreement, nor relieve or release either party from its obligations under this Agreement. Upon written notice to Subrecipient, City may, in its discretion, amend this Agreement to conform with Federal, state or local governmental guidelines, policies and available funding amounts, or for other reasons. Where there is a conflict between this Agreement and any Federal, state, or local law or regulation, the law or regulation shall prevail. If such amendments result in a change in the funding, the scope of services, or schedule of the activities to be undertaken as part of this Agreement, such modifications will be incorporated only by written amendment signed by both parties.

J. Termination (*see* 2 CFR Part 200, Appendix II, section (B)).

1. **Termination for convenience.** Either party may terminate this Agreement by, at least thirty (30) days before the effective date of such termination, giving written notice to the other party of such termination and specifying the effective date thereof.

The defaulting Party shall have fourteen (14) days to cure the deficiency or non-compliance. If the deficiency or non-compliance is not cured within this time period, the other Party shall terminate this Agreement for cause. 2. **Monitoring.** Subrecipient shall monitor all subcontracted services on a regular basis to assure contract compliance. Results of monitoring efforts shall be summarized in written reports and supported with documented evidence of follow-up actions taken to correct areas of noncompliance. Subrecipient shall furnish and cause each of its own subrecipients or subcontractors to furnish all information and reports required hereunder and will permit access to its books, records and accounts by City, HUD or its agent, or other authorized Federal officials for purposes of investigation to ascertain compliance with the rules, regulations and provisions stated herein.
3. **Subcontract content.** Subrecipient shall cause all provisions of this Agreement in their entirety to be included in and made a part of any subcontract executed in the performance of this Agreement. Specifically, without limitation, Subrecipient shall include the provisions of this Agreement regarding Civil Rights, Affirmative Action, and the CDBG General Supplemental Conditions (if applicable) in every subcontract or purchase order, specifically or by reference, to ensure that such provisions will be binding upon all subcontractors.

Non-waiver.** Failure of either party to promptly enforce the strict performance of any term of this Agreement shall not constitute a waiver or relinquishment of any party's right to thereafter enforce such term, and any right or remedy hereunder may be asserted at any time after the governing body of either party becomes entitled to the benefit thereof, notwithstanding delay in enforcement.
- S. Cumulative rights and remedies.** All rights and remedies herein enumerated shall be cumulative and none shall exclude any other right or remedy allowed by law. Likewise, the exercise of any remedy provided for herein or allowed by law shall not be to the exclusion of any other remedy.

Risk Determination

Level of Risk

☐ Low Risk (up to 25 points)

Project will be monitored primarily via review of progress reports and reimbursement requests. Onsite monitoring will generally take place every three years, typically during the first six months of the program year, if there are multiple years of being a low risk subrecipient. Technical assistance will be provided upon request.

☒ Medium Risk (26 to 35 points)

A desk monitor will be conducted annually. An on-site monitor will generally take place every two years, typically during the first six months of the program year. Based on the results of the monitoring visit, staff will determine the need for and frequency of additional technical assistance and/or on-site compliance reviews.

☐ High Risk (36+ points)

Project will receive onsite monitoring after the first clients have been served. Subrecipient may also be required to submit additional documentation on a regular basis, as needed. Ongoing technical assistance will be required.

Description of the Proposed Project [24 CFR 50.12 & 58.32; 40 CFR 1508.25]:

The Jesse Tree provides emergency rental assistance for eligible applicants who are at risk of being evicted in Meridian. Services will be provided at Jesse Tree and in the community as necessary. The City anticipates using \$20,000 to \$50,000 of CDBG funding per year during each of the remaining years in the 2022-2026 Consolidated Plan. This Environmental Review will cover that span. CDBG funds will be used to assist an estimated 75 households remain in housing over the next three years. The Jesse Tree screens potential participants throughout the year, but availability of funding is dependent on a competitive annual application and the congressional release of funding.
