## **Town Administrator's Report (Informational Only)**

### **CDBG-CV Project – Micanopy Community Resource Center**

Bids for construction of the Micanopy Community Resource Center were received last week, and staff is recommending award to the lowest responsive and responsible bidder. This item is included on tonight's agenda under New Business for Commission consideration.

The project continues to move forward, and while the construction timeline remains aggressive, staff believes the schedule is achievable. Closing on the property is anticipated within the next week. Upon closing, the contractor will be able to proceed with mobilization and begin construction activities.
