

## **Agenda Item: Approval of Task Order with EDA Consultants, Inc. for Planning and Engineering Review Services – Micanopy Area Cooperative School (MACS) Final Site Plan**

**Meeting Date:** October 14, 2025

**Department:** Administration / Planning

**Prepared by:** Sara Samario, Town Administrator

---

### **Background:**

EDA Consultants, Inc. has been assisting the Town with independent review services related to the Micanopy Area Cooperative School (MACS) site plan application. The Town first engaged EDA on an emergency basis to perform a preliminary review of the initial submittal due to the project's complexity and the need for professional oversight.

The School is preparing to submit its **final site plan**, which requires a more detailed evaluation to confirm compliance with the Town's Comprehensive Plan, Land Development Code, and applicable state and local development regulations. To ensure that this review is conducted thoroughly and objectively, staff and the Town Attorney recommend extending EDA's engagement through the proposed task order for **planning and engineering review services**.

---

### **Scope of Services:**

Under the proposed task order, EDA Consultants, Inc. will provide the following:

- **Planning Review Services** – Conduct a detailed planning review of the final site plan, focusing on consistency with the Town's Comprehensive Plan and Land Development Code, and prepare written planning comments for staff and the reviewing board.  
*Fee:* Not to exceed **\$1,225.00** billed hourly at \$175/hour.
- **Engineering Review Services** – Perform an engineering review of the final site plan to verify compliance with applicable engineering and utility standards, and provide written technical comments to staff.  
*Fee:* Not to exceed **\$1,000.00** billed hourly.

Both services will be billed hourly based on actual time expended, not to exceed the stated maximum amounts.

**Fiscal Impact:**

The total combined not-to-exceed cost is **\$2,225.00**, to be funded from the **Planning and Professional Services** line item of the Town's General Fund.

---

**Recommendation:**

Staff and the Town Attorney recommend approval of the task order agreements with **EDA Consultants, Inc.** for continued professional planning and engineering services related to the **final site plan review for the Micanopy Area Cooperative School expansion**. These services are necessary to ensure the proposed development meets all applicable requirements and that the Town's review process remains consistent, thorough, and defensible.

---

**Recommended Motion:**

*"I move to approve the task order agreements with EDA Consultants, Inc. for planning and engineering services related to the final site plan review for the Micanopy Area Cooperative School expansion in the total not-to-exceed amount of \$2,225.00, and authorize the Town Administrator to execute all necessary documents."*

**SCOPE: per proposal dated October 13, 2025 for Planning Review Services – Micanopy Area Cooperative School Site Plan**

COMPENSATION by CLIENT to CONSULTANT will be:

| SERVICE          | COST       |                      | INITIAL FOR APPROVAL |

**Other Terms: Invoices due and payable within thirty (30) days of presentation.**

Services covered by this AGREEMENT will be performed in accordance with the Provisions listed below and any attachments or schedules. This AGREEMENT supersedes all prior agreements and understanding and may only be changed by written amendments executed by both parties.

### PROVISIONS

**1. Authorization to Proceed.** Execution of the AGREEMENT by CLIENT will be authorization for CONSULTANT to proceed with the work.

**2. Per Diem Rates.** CONSULTANT'S Per Diem Rates, when stated as basis of compensation, are those hourly rates charged for work performed on the PROJECT by CONSULTANT'S employees for the indicated classification. These rates are subject to adjustments upon 60-day notice and include all allowances for salary, overhead and fees, but do not include allowances for Direct Expenses.

**3.1 Cost Opinions.** Any cost opinions or other PROJECT economic evaluations provided by CONSULTANT will be on a basis of experience and judgment, but since CONSULTANT has no control over market conditions or bidding procedures, CONSULTANT can in no way warrant that bids, construction costs, or other project economics will not differ from the cost opinions or other PROJECT economic evaluation provided.

**3.2** The CLIENT agrees that CONSULTANT has given no guarantees regarding the outcome or resolution of this engagement. Specifically, as it relates to land use/zoning or other development approval(s), the CLIENT agrees that CONSULTANT has not and cannot guarantee that the applications will be approved, or approved with conditions acceptable to the CLIENT, since the government approval process necessarily involves review of the applications in the legislative and political process, which carries with it a high degree of discretion, risk, and uncertainty. The CLIENT also agrees that the approval process requires the professional judgment of CONSULTANT, in consultation with other professional consultants and the CLIENT, none of whom can control the behavior of public officials or guarantee the outcome of a public body's vote on an application.

**3.3** To the extent that actions or inactions by the government require additional services beyond those estimated in the scope of work and Compensation sections of this Agreement, CONSULTANT will be entitled to payment by CLIENT for those services upon presentation of the invoice.

**3.4** Notwithstanding anything to the contrary, the Parties acknowledge that CONSULTANT is and shall remain the exclusive owner of all ACAD files (the "Files") produced in connection with this Agreement. Copies of the Files will not be submitted or provided to CLIENT or CLIENT's agents or contractors.

4. **Standard of Care.** The Standard of Care applicable to CONSULTANT'S services will be the degree of skill and diligence normally employed by professional Engineers, Surveyors & Mappers, Planners or CONSULTANTS performing the same or similar services in Alachua Co., Florida at the time CONSULTANT'S services are performed. CONSULTANT will re-perform any services not meeting this Standard of Care without additional compensation.

5. **Termination.** This AGREEMENT may be terminated for convenience on 30 days written notice, or for cause, if either party fails substantially to perform through no fault of the other and does not commence correction of such nonperformance within 5 days of written notice and diligently complete the correction thereafter. Should CLIENT not pay any invoices within 30 days of receipt, the CONSULTANT reserves the right to discontinue work and/or terminate this agreement for cause by providing the client 5 days written notice. On termination, CONSULTANT will be paid for all authorized services performed up to the termination date plus expenses, such as, but not limited to, reassignment of personnel, subcontract termination costs, and related closeout costs. If no notice of termination is given, relationships and obligations created by this AGREEMENT, except Provisions 8 through 12, will be terminated upon completion of all applicable requirements of this AGREEMENT.

6. **Payment to Consultant.** Monthly invoices will be issued by CONSULTANT for all services provided under this AGREEMENT. Invoices are due and payable on receipt. Interest at a rate of 1-1/2 percent per month, or that permitted by law, will be charged on all past-due amounts starting 30 days after the date of the invoice. Payment will first be credited to interest and then to principal. If payment is not received within 45 days of invoice date the CONSULTANT will stop work and inform the CLIENT that work has stopped, and legal means will be pursued to obtain payment. No information/data associated with the project will be provided to any party involved (including official agencies) until full payment of past due invoices is received. In the event of a disputed or contested invoice, only that portion so contested will be withheld from payment, and the undisputed portion will be paid.

CLIENT will exercise reasonableness in contesting any invoice or portion of the invoice until mutually resolved. If any action, in law or equity, is brought to enforce or interpret the provisions of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees as determined by the court in the same action.

7. **Limitation of Liability.** In recognition of the relative risks, rewards and benefits of the Project to both the CLIENT and the CONSULTANT, the risks have been allocated so that the CLIENT agrees that, to the fullest extent permitted by law, CONSULTANT'S other liability to CLIENT for any and all injuries, claims, losses, expenses, damages or claim expenses arising out of this AGREEMENT, from any cause or causes, shall not exceed the compensation received by CONSULTANT under this AGREEMENT. This Provision takes precedence over any conflicting Provision of this AGREEMENT or any document incorporated into it by reference.

8. **Severability and Survival.** If any of the Provisions contained in this AGREEMENT are held illegal, invalid or unenforceable, the enforceability of all remaining Provisions shall not be impaired thereby. Limitation of Liability, indemnities and other express representations shall survive termination of this AGREEMENT for any cause.

9. **Interpretations.** The limitations of liability will apply whether CONSULTANT'S liability arise under breach of contract or warranty; tort, including negligence; strict liability; statutory liability; or any other cause of action, except the limitations will not apply to willful misconduct or gross negligence for limitations of liability or sole negligence for indemnification. Said limitations shall apply to CONSULTANT'S officers, affiliated corporations, employees and subcontractors.

10. **Construction Phase Services.** (a) if the Consultant prepared construction documents and the Consultant is not retained to make periodic site visits, the Client assumes all responsibility for interpretation of the documents and for construction observation, and the Client waives any claims against the Consultant in any way connected thereto. (b) The Consultant shall have no responsibility for any contractor's means, methods, techniques, equipment choice and usage, sequence, schedule, safety programs, or safety practices, nor shall Consultant have any authority or responsibility to stop or direct the work of any contractor. The Consultant's visits will be for the purpose of endeavoring to provide the Client a greater degree of confidence that the completed work of its contractors will generally conform to the construction documents prepared by the Consultant. Consultant neither guarantees the performance of contractors, nor assumes responsibility for any contractor's failure to perform its work in accordance with the contract documents. (c) The Consultant is not responsible for any duties assigned to it in the construction contract that are not expressly provided for in this Agreement. The Client agrees that each contract with any contractor shall state that the contractor shall be solely responsible for job site safety and its means and methods; that the contractor shall indemnify the Client and the Consultant for all claims and liability arising out of job site accidents; and that the Client and the Consultant shall be made additional insureds under the contractor's general liability insurance policy.

**11. No Third-Party Beneficiaries.** This AGREEMENT gives no rights or benefits to anyone other than CLIENT and CONSULTANT and has no third-party beneficiaries. CONSULTANT'S services are defined solely by this AGREEMENT, and not by any other contract or agreement that may be associated with the PROJECT.

**12. Assignments.** This is a bilateral personal services AGREEMENT. Neither party shall have the power to or will assign any of the duties or rights or any claim arising out of or relating to this AGREEMENT, whether arising out of tort, contract, or otherwise, without the written consent of the other party. Any unauthorized assignment is void and unenforceable. These conditions and the entire AGREEMENT are binding on the heirs, successors and assigns of the parties hereto.

**13. Dispute Resolution.** The parties shall attempt to amicably resolve any disputes arising under this Agreement. Should judicial relief be necessary, such an action will only be commenced in a state court of competent jurisdiction in the Eighth Judicial Circuit in and for Alachua County, Florida. This Agreement shall be construed and interpreted under Florida law. The prevailing party in any action shall be entitled to an award of reasonable attorney's fees and all costs, whether taxable or not, for proceedings at the trial and appellate level, plus interest, and the costs of collection.

**14. PURSUANT TO FS 558.0035, EMPLOYEES OF CONSULTANT MAY NOT BE HELD INDIVIDUALLY LIABLE FOR DAMAGES RESULTING FROM NEGLIGENCE UNDER THIS AGREEMENT.**
