

TO: Mayor and Miles City Council

DATE: May 21, 2026

I hope this message finds you well. I am writing to propose the installation of a sign at Connors Field to represent and promote the Sacred Heart Shamrocks. This initiative aims to enhance our community presence and reflect our commitment to fostering a sense of unity and pride amount the members of Sacred Heart.

Objective:

The primary objective of installing a sign at Connors Field is to provide visibility and recognition for the Scared Heart Shamrocks, thereby increasing awareness and engagement within the community.

Benefits:

1. **Increased Visibility:** The sign will serve as a constant reminder of our presence and activities, encouraging greater community participation.
2. **Branding:** It will help in establishing a strong identify for the Sacred Heart Shamrocks, promoting our values and mission.
3. **Community Engagement:** a visible sign can attract more members and support from the community, facilitating stronger connections and partnerships.

Proposed Location:

The proposed location for the sign is at the entrance of Connors Field, ensuring maximum visibility to all visitors and passersby.

Design and Content:

The design of the sign will be in line with our brand guidelines, incorporating the Sacred Heart Shamrock logo, colors, and a brief mission statement. We are for a design that is both aesthetically pleasing and informative.

Sign will be 4 feet by 8 feet made of state of the art composite material and will be made by 406 Signs in Miles City.

Budget:

A preliminary budget has been estimated, covering design, materials, and installation costs.

Next Steps:

If approved, we will proceed with obtaining necessary permissions and collaborate with designers to finalize the signs appearance. We aim to have the sign installed by mid-summer at **no cost** to the City.

We believe this initiative will significantly benefit the Sacred Heart community and enhance our visibility. I look forward to discussing this proposal further and exploring how we can bring this project to fruition.

Thank you for considering this proposal.

Sincerely,

A handwritten signature in cursive script that reads "James B. Larson". The signature is written in dark ink and is positioned above the printed name.

James B. Larson
