WHEREAS, Settler Wind, LLC (Applicant) filed an Application for a Permit to construct and operate the Project located in Converse County, Wyoming, approximately 13 miles south of Glenrock, Wyoming. The Applicant proposes to construct a facility contingent upon obtaining approval from the Industrial Siting Council (ISC) and securing other required permits. The Parties shall take into consideration the factors as outlined in the Industrial Siting Rules as to whether the social and economic impacts have changed and establish a new distribution if necessary. The Parties may enter into an MOU with another Party to adjust, revise or modify a Party's amount of distribution of impact assistance funds; however, such MOU shall be forwarded to the Industrial Siting Council for review and approval.
