

TOWN OF MILLS

**Resolution 2020-53**

A RESOLUTION CONCERNING RECYCLING BINS

**WHEREAS**, the Town of Mills, Wyoming, participated with the City of Casper in a recycling program under which the City of Casper undertook all of the labor associated with picking up and sorting recycling materials; and

**WHEREAS**, the Town of Mills supplied recycling bins for this purpose; and

**WHEREAS**, the City of Casper determined that continuing to be responsible for the burden and expense of unilaterally undertaking the recycling program had become cost prohibitive and sought to have Mills pay for its representational share of the same; and

**WHEREAS**, the Town of Mills elected not to participate in the same and discontinue its participation; and

**WHEREAS**, the Town of Mills does not wish to indicate that it is not supportive of recycling in the Natrona County community but rather has undertaken this action due to the need to conserve its economic resources as the present time; and

**WHEREAS**, the City of Casper has expressed a need and desire to obtain the receptacles which it can put to use for this purpose; and

**WHEREAS**, the receptacles constitute a physical and potentially environmental hazard when not in their preexisting use as recycling receptacles, and no other use exists for them, and this burden will fall upon the Town of Mills to be responsible for; and

**WHEREAS**, the City of Casper putting the receptacles to use will continue their existing use and not create a hazard or burden upon the Town of Mills

**NOW, THEREFORE**, the Town of Mills hereby resolves to provide that the City of Casper may employ the receptacles for its ongoing recycling program and remove them to a locality which it determines to be suitable for that purpose, and to assume all responsibility for the same.

**PASSED, APPROVED AND ADOPTED** on this \_\_\_\_\_ day of \_\_\_\_\_, 2020.
