

Faith Bible Way, Inc.  
PO Box 52194  
Casper, WY 82605

To the **Mills City Council** — Faith Bible Way, Inc is a 501(c) 3 Corporation focused on Spiritual Growth, Community strengthening, Family stability, and Long-term improvement of quality of life:

### **Mills City Council Community & Family Strengthening Initiative**

#### **Purpose**

To develop and implement programs that strengthen families, reduce the number of broken homes, and build a more connected, resilient Mills community.

#### **Plan Proposal**

Have a place of Worship that identifies us as Faith Bible Way, Inc. in The City Of Mills. Our current place of worship is located within Restoration Church in Casper and has been our place of worship for 5 years. We have appreciated the space so much but we have no signage or place that identifies us as Faith Bible Way. When one comes to the church, they only see the Restoration Church and all of the programs it provides. We don't want to take anything away from the Restoration Church Ministry as they have been very good to us. We are seeking a Church Home for Faith Bible Way that identifies us with what we are doing in the community.

#### **Service Schedule Proposal**

Sunday School Faith Builders 10:00 am

Faith and Fellowship Gathering 11:00 am

Sunday Celebration Praise and Worship Service 11:30 am

Midweek Reignite Bible Study 7:00 pm

Kids Faith Club and NextGen Ministry 7:00 pm

#### **Conclusion**

By investing in families today, Mills can build a stronger, more compassionate, and self-sustaining community tomorrow. The plan proposal initiatives create not only better homes—but a better City of Mills for generations to come.
