RE: Town of Mills, Misc Drainage Improvements, Award Recommendations

Mayor Coleman:

On June 16, 2021, two bids were received from 71 Const. and Treto Const. on the above referenced project. 71 Const. submitted a bid of \$193,521.71.

All the bids reviewed were correct and responsive. Attached is a copy of the bid tabulation summary for your review. We recommend awarding to 71 Const. for this project for the bid amount of \$193,521.71. We have notified the contractor that Mills may reduce the contract amount by eliminating area(s) from the contract. We will do so by Change Order once an agreement has been executed. Enclosed with this letter is a *Notice of Award*. Please have the mayor sign and let me know when it is ready to pick up.

Please contact me with any questions.

Sincerely,
WLC Engineering, Surveying, and Planning
