Nothing in this Permit shall be construed to prohibit Bluepeak from offering any service over its Cable System that is not prohibited by applicable law.

2.2 **Term.** The Permit granted pursuant to this Ordinance shall be for a term of ten (10) years from the passed and adopted date of the Permit unless otherwise lawfully terminated in accordance with the terms of this Ordinance. The Permit and the Agreement will automatically renew for one (1) additional ten (10) year term unless either Party notifies the other in writing at least 12 months prior to the expiration of the initial 10-year term that it desires to enter into renewal negotiations pursuant to Paragraph 2.6 below.

2.3 **Acceptance.** Bluepeak shall accept the Permit granted pursuant hereto by signing this Ordinance and filing same with the City Clerk within sixty (60) days after the passage and final adoption of this Ordinance.

2.4 **Favored Nations.** In the event City enters into or has entered into a Permit of any kind with any Person other than Bluepeak to enter into the Public Ways for the purpose of constructing or operating a Cable System or providing Cable Service or video service to any part of the Service Area, the material provisions thereof shall be reasonably comparable to those contained herein, in order that one operator not be granted an unfair competitive advantage over another, and to provide all parties equal protection under the law.

If another provider of Cable Services, video services or other television services utilizing any system or technology requiring use of the Public Way in the Service Area, is lawfully authorized by any governmental entity or otherwise exempt from obtaining a permit as provided for in this Ordinance in order to provide such services, City hereby agrees that, upon a request from Bluepeak, as a matter of law, Bluepeak's Permit will be modified within thirty (30) days of the granting of such authorization or exemption for the purpose of establishing the same terms and conditions as such person(s) on a competitively neutral basis. Except as specifically provided in this paragraph, neither City nor Bluepeak shall be permitted to take any unilateral action that materially changes the explicit mutual promises and covenants contained in this Permit, and any changes, modifications or amendments to this Permit must be made in writing, signed by City and Bluepeak.

2.5 **Change of Law.** In the event the federal, state, or local law, rules or regulations are amended, modified, or created that have the effect of modifying the terms and conditions of this Permit during the Term or any extension thereof, Bluepeak has the sole option to terminate this Permit upon ninety (90) days' notice to City. Nothing in this Permit shall impair the right of Bluepeak to terminate this Permit and, at Bluepeak's option, negotiate a renewal or replacement

franchise, license, consent, certificate or other authorization with any appropriate government entity (such as the State of Wyoming). To the extent that Bluepeak obtains an authorization to operate a network and serve customers under applicable laws in lieu of this Permit, Bluepeak shall have the right to terminate this Permit upon 90 days prior written notice to City.

2.6 **Renewal of Permit.** Prior to the end of the Permit term, City and Bluepeak agree to enter into good faith negotiations regarding the renewal, modification, and/or extension of this Permit.

SECTION 3: Standards of Service

3.1 **Conditions of Street Occupancy.** All transmission and distribution structures, poles, other lines, and equipment installed or erected by Bluepeak pursuant to the terms hereof shall be located so as to cause a minimum of interference with the proper use of Public Ways and with the rights and reasonable convenience of property owners who own property that adjoins any of such Public Ways. Bluepeak shall comply with all right-of-way and easement management ordinances and/or regulations enacted by City, including such ordinances and/or regulations enacted after the effective date of this Permit.

3.2 **Restoration of Public Ways and Damage to Private Property.** If during the course of Bluepeak's construction, operation, or maintenance of the Cable System there occurs a disturbance of any Public Way by Bluepeak, it shall, at its expense, replace and restore such Public Way to a condition reasonably comparable to the condition of the Public Way existing immediately prior to such disturbance.

Any damage to private property caused by the course of of Bluepeak's construction, operation, or maintenance of the Cable System shall be repaired by Bluepeak as soon as possible, and in no event in less than fourteen days upon Bluepeak being provided with notice of the damage, unless a longer period is reasonably required due to weather or other conditions that are outside of Bluepeak's control, in which case repair must be made as soon as practicably possible.

3.3 **Relocation at Request of Permitting Authority.** Upon its receipt of reasonable advance notice, Bluepeak shall, at its own expense, protect, support, temporarily disconnect, relocate in the Public Way, or remove from the Public Way, any property of Bluepeak when lawfully required by City by reason of traffic conditions, public safety, street abandonment, freeway and street construction, change or establishment of street grade, installation of sewers, drains, gas or water pipes, or any other type of structures or improvements by; City; but, Bluepeak shall in all cases have the right of abandonment of its property. If public funds are available to any company using such street, easement, or right of way for the purpose of defraying the cost of any of the foregoing, such funds shall also be made available to Bluepeak.

3.4 **Relocation at Request of Third Party.** Bluepeak shall, on the request of any Person holding a building or other structure moving permit issued by City, temporarily raise or lower its wires to permit the moving of such building or other structure, provided: (a) the expense of such temporary raising or lowering of wires is paid by such Person, including, if required by Bluepeak, making such payment in advance; and (b) Bluepeak is given not fewer than ten (10) business days' advance written notice to arrange for such temporary wire changes.

3.5 **Trimming of Trees and Shrubbery.** Bluepeak shall have the authority to trim trees or other natural growth overhanging any of its Cable System in the Service Area so as to prevent branches from coming in contact with Bluepeak wires, cables, or other equipment. Bluepeak shall reasonably compensate City or property owner for any damages caused by such trimming.

3.6 **Safety Requirements.** Construction, installation, and maintenance of the Cable System shall be performed in an orderly and workmanlike manner. All such work shall be performed in substantial accordance with applicable FCC or other federal, state, and local regulations. The Cable System shall not unreasonably endanger or interfere with the safety of persons or property in the Service Area.

3.7 **Aerial and Underground Construction.** In those areas of the Service Area where all of the transmission or distribution facilities of the respective public utilities providing telephone communications and electric services are underground, Bluepeak likewise shall construct, operate, and maintain all of its transmission and distribution facilities underground; provided that such facilities are actually capable of receiving Bluepeak's cable and other equipment without technical degradation of the Cable System's signal quality. In those areas of the Service Area where the transmission or distribution facilities of the respective public utilities providing telephone communications and electric services are both aerial and underground, Bluepeak shall have the sole discretion to construct, operate, and maintain all of its transmission and distribution facilities, or any part thereof, aerially or underground. Nothing contained in this paragraph shall require Bluepeak to construct, operate, and maintain underground any ground-mounted appurtenances such as subscriber taps, line extenders, system passive devices (splitters, directional couplers), amplifiers, power supplies, pedestals, or other related equipment. Notwithstanding anything to the contrary contained in this paragraph, in the event that all of the transmission or distribution facilities of the respective public utilities providing telephone communications and electric services are placed underground after the effective date of this Ordinance, Bluepeak shall only be required to construct, operate, and maintain all of its transmission and distribution facilities underground if it is given reasonable notice and access to the public utilities' facilities at the time that such are placed underground.

3.8 **Subscriber Charges for Extensions of Service.** If a Subscriber's residence is located within 125 feet of Bluepeak's feeder cable, the Cable Service will be provided at Bluepeak's published rate for standard installations. However, if such residence is located farther than 125 feet from Bluepeak's nearest feeder cable, then Bluepeak shall only be required to extend the Cable System to Subscribers in that area if the Subscribers are willing to pay the capital costs of extending the Cable System. Bluepeak may require that such Subscribers pay the capital contribution for construction in advance. Subscribers also shall be responsible for any standard/non-standard installation charges to extend the Cable System from the tap to the residence. Cable Service offered to Subscribers pursuant to this Article shall be conditioned upon Bluepeak having legal access to any such Subscriber's dwelling unit or other units wherein such Cable Service is provided. Nothing herein shall be construed to limit Bluepeak's ability to offer or provide bulk rate discounts or promotions.

3.9 **Pole Attachments.** Utility poles owned by City or an affiliated entity shall be available for use by Bluepeak. Bluepeak shall pay City the maximum cable services pole rental

rate as determined by the rules of the FCC for the use of poles owned by City or its affiliate, but not to exceed the amount paid by any other Cable Service provider attaching to such poles pursuant to a current and effective pole agreement.

SECTION 4: Regulation by Permitting Authority

4.1 **Permit Fee.** During the term of this Permit, Bluepeak shall pay to City a fee equal to five percent (5%) of the gross revenues that Bluepeak and its affiliates collected from each subscriber to Bluepeak's Cable Services, and five percent (5%) of the portion of gross revenues from advertising which are defined below the fee ("Permit Fee"). The Permit Fee may be identified and passed through on any subscriber bill by Bluepeak, and all such fees collected will be forwarded to City quarterly and shall be due forty-five (45) days after the end of each calendar quarter.

(A) For purposes of this Permit, gross revenues are limited to the following:

- (1) recurring charges for Cable Services;
- (2) event-based charges for Cable Services, including but not limited to pay-per-view and video-on-demand charges;
- (3) rental of set top boxes and other Cable Services equipment;
- (4) service charges related to the provision of Cable Services, including, but not limited to, activation, installation, and repair;
- (5) administrative charges related to the provision of Cable Services, including, but not limited to, service order and service termination charges; and
- (6) amounts billed to Cable Services subscribers to recover the Permit Fee authorized by this section.

(B) For purposes of this Permit, gross revenues do not include:

- (1) uncollectible fees, provided that all or part of uncollectible fees which is written off as bad debt but subsequently collected, less expenses of collection, shall be included in gross revenues in the period collected;
- (2) late payment fees;
- (3) revenues from contracts for in-home maintenance service unless they relate solely to maintenance on equipment used only for the provisioning of Cable Services and not for the provisioning of any other service provided by Bluepeak or its affiliates;
- (4) amounts billed to Cable Services subscribers to recover taxes, fees or surcharges imposed upon Cable Services subscribers in connection with the provision of Cable Services, other than the Permit Fee authorized by this section;

(5) revenue from the sale of capital assets or surplus equipment; or

(6) charges, other than those described in subsection (A), that are aggregated or bundled with amounts billed to Cable Services subscribers.

(C) Gross revenues which are subject to the Permit Fee paid by Bluepeak additionally include a pro rata portion of all revenue collected by Bluepeak pursuant to compensation arrangements for advertising (less any commissions Bluepeak receives from any third parties for advertising) and home-shopping sales derived from the operation of Bluepeak's Cable System within the Service Area. Advertising commissions paid to third parties (excluding any refunds, rebates, or discounts the Company may make to advertisers) shall not be deducted from advertising revenue included in gross revenue. The allocation of advertising and home-shopping revenue referred to above shall be based on the number of subscribers in City divided by the total number of subscribers in relation to the relevant regional or national compensation arrangement.

(D) Bundling discounts shall be apportioned fairly among video and other services. Bluepeak shall not apportion revenue in such a manner as to avoid the Permit Fee.

(E) The Permit Fee shall not apply to Internet access or Internet-based telephone services offered by Bluepeak. If the FCC or any other federal or state governmental authority with jurisdiction to do so authorizes the collection of such a fee during the term of this Permit, then Bluepeak shall, upon reasonable notice of the imposition of such a fee by City that applies equally to all Internet access or Internet-based telephone service providers within the Service Area, commence remittance of a fee in the amount of not more than five percent (5%) of the gross revenues collected from the sale of such Internet access or Internet-based telephone services during the remaining term of this Permit; provided that City and Bluepeak agree to the specific amount in an amendment to this Ordinance/Permit. *This exclusion shall not apply to the payment of statutory "911" fees; such fees shall be collected and remitted by Bluepeak beginning the effective date of this Permit as required by applicable law.*

(F) In the event that any other video services provider, including but not limited to a cable operator or open video service provider, enters into any agreement or makes any arrangement with City during the term of this Permit whereby it is required or allowed to pay a fee to City that is similar to the Permit Fee described herein, this Permit shall be amended to allow Bluepeak to substitute the definition of "gross revenue" set forth in that agreement or arrangement for the definition of "gross revenue" set forth in this Permit immediately upon request of Bluepeak.

Bluepeak and City agree that the Permit Fee shall be in lieu of all other concessions, charges, excises, franchise, license, privilege, permit fees, taxes, or assessments except sales taxes, personal or real property taxes, and act valorem taxes.

4.2 **Rates and Charges.** City may not regulate the rates for the provision of Cable Service or other service, including, but not limited to, ancillary charges relating thereto, except as expressly provided herein and except as may be authorized pursuant to federal and state law. From time to time, and at any time, Bluepeak has the right to modify its rates and charges, at its discretion and without consent of City, including, but not limited to, the implementation of additional charges

and rates; provided, however, that Bluepeak shall give notice to City of any such modifications or additional charges thirty (30) days prior to the effective date thereof.

4.3 **Conditions of Sale.** Except to the extent expressly required by federal or state law, if a renewal or extension of the Permit is denied or the Permit is lawfully terminated, and City either lawfully acquires ownership of the Cable System or by its actions lawfully effects a transfer of ownership of the Cable System to another party, any such acquisition or transfer shall be at a fair market value, determined on the basis of the Cable System valued as a going concern.

Bluepeak and City agree that in the case of a lawful revocation of the Permit, at Bluepeak's request, which shall be made in its sole discretion, Bluepeak shall be given a reasonable opportunity to effectuate a transfer of its Cable System to a qualified third party. City further agrees that during such a period of time, it shall authorize Bluepeak to continue to operate pursuant to the terms of its prior Permit; however, in no event shall such authorization exceed a period of time greater than six (6) months from the effective date of such revocation. If, at the end of that time, Bluepeak is unsuccessful in procuring a qualified transferee or assignee of its Cable System which is reasonably acceptable to City, Bluepeak and City may avail themselves of any rights they may have pursuant to federal or state law; it being further agreed that City's continued operation of its Cable System during the six (6)-month period shall not be deemed to be a waiver, nor an extinguishment of; any rights of either City or Bluepeak. Notwithstanding anything to the contrary set forth in this paragraph, neither City nor Bluepeak shall be required to violate federal or state law.

4.4 **Transfer of Permit.** All of the rights and privileges and all of the obligations, duties and liabilities created by this Permit shall pass to and be binding upon the successors of City and the successors and assigns of Bluepeak and the same shall not be assigned or transferred without the written approval of the City Council, which approval shall not be unreasonably withheld, conditioned or delayed; provided, however, that this Section shall not prevent the assignment or hypothecation of the Permit by Bluepeak as security for debt without such approval; and provided further that transfers or assignments of this Permit between any parent and subsidiary corporation or between entities of which at least fifty percent (50%) of the beneficial ownership is held by the same person, persons, or entities which are controlled or managed by the same person, persons, or entities, shall be permitted without the prior approval of City ("intracompany transfers"). Bluepeak shall notify City in writing within thirty (30) days of the closing of such intracompany transfer.

SECTION 5: Compliance and Monitoring

5.1 **Books and Records.** Bluepeak agrees that City may review such of Bluepeak's books and records, during normal business hours and on a nondisruptive basis, as are reasonably necessary to monitor compliance with the financial terms hereof. Such records include, but are not limited to, any public records required to be kept by Bluepeak pursuant to the rules and regulations of the FCC. Notwithstanding anything to the contrary set forth herein, Bluepeak shall not be required to disclose information which it reasonably deems to be proprietary or confidential in nature. City agrees to treat any information disclosed to it by Bluepeak as confidential, to the extent not prohibited by law, and to disclose it only to employees, representatives, and agents of City that have a need to know, or in order to enforce the provisions hereof.

SECTION 6: Insurance, Indemnification, and Bonds or Other Surety

6.1 **Insurance Requirements.** Bluepeak shall maintain in full force and effect during the term of the Permit, at its own cost and expense, Comprehensive General Liability Insurance in the amount of at least \$1,000,000. Such insurance shall designate City as an additional insured to the liability limits imposed by the Wyoming Governmental Tort Claims Act.

6.2 **Indemnification.** Bluepeak agrees to indemnify, save and hold harmless, and defend City, its officers, boards and employees, from and against any liability for damages and for any liability or claims, in each case resulting from property damage or bodily injury (including accidental death) which arise out of Bluepeak's construction, operation or maintenance of its Cable System, including, but not limited to, reasonable attorneys' fees and costs.

6.3 **Bonds and other Surety.** Except as expressly provided herein, Bluepeak shall not be required to obtain or maintain bonds or other surety as a condition of being awarded the Permit or continuing its existence. City acknowledges that the legal, financial, and technical qualifications of Bluepeak are sufficient to afford compliance with the terms of the Permit and the enforcement thereof. Bluepeak and City recognize that the costs associated with bonds and other surety may ultimately be borne by the Subscribers in the form of increased rates for Cable Service or other service. In order to minimize such costs, City agrees to require bonds and other surety only in such amounts and during such times as there is a reasonably demonstrated need therefor. City agrees that in no event, however, shall it require a bond or other related surety in an aggregate amount greater than \$100,000 conditioned upon the substantial performance of the material terms, covenants, and conditions of the Permit. Initially, no bond or other surety shall be required. In the event that one is required in the future, City agrees to give Bluepeak at least sixty (60) days' prior written notice thereof stating the exact reason for the requirement. Such reason must demonstrate a change in Bluepeak's legal, financial, or technical qualifications which would materially prohibit or impair its ability to comply with the terms of the Permit or afford compliance therewith.

SECTION 7: Emergency Alert

7.1 **Emergency Alert.** Bluepeak shall comply with the federal Emergency Alert System regulations (47 C.F.R. Part 11).

SECTION 8: Miscellaneous Provisions

8.1 **Preemption.** If the FCC or any other federal or state body or agency shall now or hereafter exercise any paramount jurisdiction over the subject matter of the Permit, then, to the extent such jurisdiction shall preempt and supersede or preclude the exercise of the like jurisdiction by City, the jurisdiction of City shall cease and no longer exist.

8.2 **Employment Requirements.** Bluepeak shall afford equal opportunity in employment to all qualified persons. No person shall be discriminated against in employment because of race, color, sex, religion, gender, national origin, age, familial status or disability. Bluepeak shall maintain and carry out a continuing program of specific practices designed to assure equal opportunity in every aspect of its employment policies and practices.

8.3 **Notice.** Unless otherwise provided by federal, state or local law, all notices, reports or demands pursuant to this Ordinance/Permit shall be in writing and shall be deemed to be sufficiently given upon delivery to a Person at the address set forth below, or by U.S. certified mail, return receipt requested, or by nationally or internationally recognized courier service (such as Federal Express). If questioned, the party sending a notice shall have the burden to prove receipt or rejection. Rejected notices shall be deemed delivered. The parties may designate such other address or addresses from time to time by giving notice to the other in the manner provided for in this section.

8.5 **Severability.** If any Section, sentence, paragraph, term, or provision hereof is determined to be illegal, invalid, or unconstitutional, by any court of competent jurisdiction or by any state or federal regulatory authority having jurisdiction thereof, such determination shall have no effect on the validity of any other Section, sentence, paragraph, term or provision hereof, all of which shall remain in full force and effect for the term of the Permit or any renewal or renewals thereof.

8.6 **Force Majeure.** Bluepeak shall not be held in default under, or in noncompliance with, the provisions of the Permit, nor suffer any enforcement or penalty relating to noncompliance or default, where such noncompliance or alleged defaults occurred or were caused by circumstances reasonably beyond the ability of Bluepeak to control. This provision includes, but is not limited to, severe or unusual weather conditions, fire, flood, or other acts of God, strikes, work delays caused by failure of utility providers to service, maintain or monitor their utility poles to which Bluepeak's Cable System is attached, as well as unavailability of materials and/or qualified labor to perform the work necessary.
