

## **Amendments to 17.08.045 – MOBILE HOMES**

### 17.08.045 (a) INTENT

It is deemed necessary for the preservation of the safety, health, life, and general welfare of the residents of the City of Mills that regulations be established governing the location of manufactured, modular, and mobile homes within the City to provide adequate minimum area requirements, utilities, wind protection and inspections thereof;

### 17.08.045 (b) CERTIFICATION.

Any manufactured (mobile) home, located or proposed to be located or installed in a manufactured (mobile) home park or on a subdivided lot, shall bear a label certifying that it is built in compliance with the Federal Manufactured Home Construction and Safety Standards. For manufactured (mobile) homes built prior to June 15, 1976, a label certifying compliance with the standard for manufactured homes (mobile), NFPA 501, ANSI 119.1, in effect at the time of manufacture is required before any such home may be located or installed with the Town.

### 17.08.045 (c) STANDARDS GOVERNING ALL MOBILE HOME LOCATIONS

It is unlawful within the City of Mills for any persons to place or park any manufactured or mobile home on any street, alley, highway or other public place, or on any tract of land owned by any person, firm, or corporation, occupied or unoccupied, except as provided in this Ordinance.

### 17.08.045 (d) AGE OF MANUFACTURED OR MOBILE HOMES

1. No manufactured or mobile homes twenty (20) years or older, as measured from the date of proposed installation, location or relocation, shall be installed, located or relocated within the City of Mills.

### 17.08.045 (e) MANUFACTURED OR MOBILE HOME STANDARDS

1. All manufactured and mobile homes located in the City of Mills shall comply with all of the following minimum standards.
  - a. Built according to the standards established by the United States Department of Housing and Urban Development (HUD) under the “National Manufactured Housing Construction and Safety Standards Act of 1974” 42 U.S.C. 5401, et. Seq., as amended (currently codified at 24 C.F.R. 3280) in effect at the time of manufacture and bearing certification to that effect (“Applicable HUD Standards”) and is certified for the appropriate wind, thermal and roof standards for Wyoming.
  - ~~b. The manufactured or mobile home is twenty (20) years or older, as measured from the date of proposed installation, location or relocation, and has been issued a building permit and specific approval to be installed, located, or relocated by the City of Mills Code Enforcement Officer (“CEO”). The CEO shall inspect all 20-~~

~~year and older manufactured and mobile homes in conformance with the installation, location and relocation criteria found in this Ordinance. No manufactured or mobile home shall be installed, located, or relocated that does not meet the Applicable HUD Standards in effect at the time the home was manufactured, or that does not meet minimum criteria of this Ordinance~~

2. Each manufactured or mobile home must be supported on pins or blocking constructed of masonry, block, brick, or concrete. Installation instructions as provided by the manufacturer of the manufactured or mobile home shall be deemed a typical blocking installation. Any foundation system design, other than typical blocking, shall be stamped and signed by a Wyoming licensed professional engineer.
3. Each manufactured or mobile home shall be skirted with a waterproof, rigid, durable skirting material within 30 days of placement.
4. Each manufactured or mobile home shall be equipped so as to permit access to utility connections. All skirting shall be provided with a door or panel to permit ready access to utility connections.
5. Each manufactured or mobile home shall be anchored with tie downs meeting the minimum standards as set forth in Section 15.16.190 of the Mills Municipal Code or their equivalent.
6. All water, sewer, electrical and natural gas connections shall be inspected and approved by the supplying utility prior to use.
7. The manufactured or mobile home meets the minimum standards for fire safety and protection in conformance with the applicable HUD standards at the time of original construction or as established by the Wyoming State Fire Marshall.
8. All appurtenant construction such as decks, walks, steps, handrails, sheds, accessory buildings, and other similar construction is subject to the applicable building code regulations adopted by the City.
9. A minimum of two 10' x 20' off-street parking spaces must be provided for each manufactured or mobile home on the same lot or lots on which the mobile home is located. If off-street parking for a non-conforming manufactured or mobile home, as defined below, is provided between the dedicated street or right-of-way and the non-conforming mobile home, then the distance between the dedicated street or right-of-way and the hitch, or wall if there is no hitch, of the non-conforming mobile home must be at least 20 feet.
10. No non-conforming manufactured or mobile home, as defined below, shall be located within 10 feet of any dedicated alley right-of-way line, and the 10-foot setback area shall not be used for off-street parking.

11. No manufactured or mobile home shall be moved, located, or relocated within the City of Mills without having first secured a written permit for the movement, location, or relocation of said manufactured or mobile home from the City of Mills Building Official.

17.08.045 ~~(d)~~ (f) LOCATION OF MANUFACTURED AND MOBILE HOMES RESTRICTED

*(no change in section language)*

17.08.045 ~~(e)~~ (g) INSPECTION AND PERMITTING REQUIREMENTS

No manufactured or mobile home located within the City of Mills shall be permanently occupied unless inspected by the City Building Official, or their designee, and found to be ~~City Code Enforcement Officer or designated City Inspector except~~ in conformance with the following inspection/permitting requirements:

1. A manufactured or mobile home shall not be installed, located or relocated within the City of Mills without the issuance of a building permit from the City of Mills. Building permits for additions, alterations, modifications or any physical change to a manufactured or mobile home are required regardless of location.
2. The Building Code Official, or their designee, ~~Code Enforcement Officer~~ has the authority to inspect all new, installed, located, and relocated manufactured and mobile homes for compliance with the provisions of this Ordinance.
3. After the effective date of this Ordinance, no person shall occupy any new or relocated manufactured or mobile home nor permit any other persons to occupy the same unless the manufactured or mobile home has been installed, located, or relocated in compliance with this Ordinance or is a legal non-conforming use under this Ordinance.

17.08.045 (h) AUTHORITY OF THE BUILDING CODE OFFICIAL ~~CODE ENFORCEMENT OFFICER~~

In addition to any other enforcement powers that the Building Code Official ~~Code Enforcement Officer~~ may have, the Building Code Official ~~Code Enforcement Officer~~ may issue a written order to any person to:

1. Immediately cease and desist any work or activity to install, locate, or relocate any manufactured or mobile home in violation of this Ordinance; or
2. Immediately cease and desist from the use or occupancy of any manufactured or mobile home installed, located, or relocated in violation of this Ordinance. Such written order shall constitute an administrative action which may be appealed to the Mills City Council as a contested case within thirty (30) days of the written order.

17.08.045 (g) INSPECTION CRITERIA FOR MANUFACTURED HOMES OLDER THAN 20 YEARS

All manufactured and mobile homes 20 years and older as measured from the date of proposed installation must be inspected by the City of Mills Code Enforcement Officer prior to moving, locating, relocating or installation and a building permit application must be provided to the City of Mills. No such manufactured or mobile home may be occupied prior to the issuance of a building permit and payment of appropriate fees. Each such manufactured or mobile home shall be inspected for compliance with the following minimum criteria before a building permit will be issued.

1. All electrical wiring shall be in compliance with the applicable codes in place at the time the building was manufactured. Any new, altered, modified or replaced wiring shall be in compliance with the current, adopted version of the National Electrical Code.
2. Shall have appropriate operational fire alarms installed.
3. All floors shall be solid and stable. Any penetrations of the floor shall be sealed.
4. All roofs shall be solid and stable without any sag.
5. No evidence of significant wood rot or mold shall exist.
6. The exterior of the building shall be properly maintained and painted.
7. Any additions, modifications, or alterations to the building shall have been constructed with appropriate building permits.
8. The manufactured or mobile home maintains the same structural integrity as it did when it was manufactured.
9. No broken windows.
10. All HVAC systems shall be working and installed in accordance with the regulations in place at the time the building was manufactured. All new installations shall be in conformance with the most recent adopted edition of International Building Codes.
11. Must have proof that the manufactured or mobile home meets the established thermal, wind and roof load requirements for Wyoming.
12. Manufactured or mobile homes not meeting these criteria shall be either left in place and considered a non-conforming structure, be moved or relocated outside of the City of Mills or be repaired to meet the criteria. The level of repair needed may differ widely from home to home. The CEO shall determine if the repairs are minor or major. For those repairs determined to be minor, the repairs may be made without a building permit. For those homes that are determined to require major repairs, a building permit

~~must be issued for those repairs. All repairs and construction shall be in conformance with the International Building Codes as adopted. The CEO may permit a manufactured or mobile home needing repairs to be relocated provided a building permit has been issued for the repairs. The CEO may require surety from the applicant to cover the cost of removing the manufactured or mobile home from the City of Mills if repairs are not completed. All repairs must be completed within six months of the building permit issuance and prior to any occupancy of the repaired structure. Failure of the applicant to complete repairs in the designated time will constitute a violation of this Ordinance. The City of Mills may utilize the surety to cause the manufactured or mobile home to be removed from the City of Mills as a result of a violation. All repaired manufactured or mobile homes must pass a final inspection by the CEO prior to being moved, located, relocated or installed in the City of Mills.~~

17.08.045 (h) (i) NON-CONFORMING USES AND NON-CONFORMING STRUCTURES

1. Non-conforming manufactured or mobile homes legally located within the City of Mills on the effective date of this Ordinance and in use for residential purpose may continue at that certain location and continue to be utilized for residential purpose. The non-conforming manufactured or mobile home may not be relocated to any other property unless it has been inspected and brought into conformance with this Ordinance and issued a building permit. At such time as any legal non-conforming manufactured or mobile home ceases to be utilized for residential purposes or is vacant for a period of 180 days, it must be removed from the property.
2. Manufactured and mobile homes located within the City on the effective date of this Ordinance which have not been certified under the “National Manufactured Housing Construction and Safety Standards Act of 1974,” 42 U.S.C. 5401, et seq., as amended, are hereby declared legal non-conforming structures, but shall not be replaced by another manufactured or mobile home that is not in compliance with applicable HUD standards unless the replacement manufactured or mobile home has been inspected and brought into conformance with this Ordinance and issued a building permit.
