SVCE Letter of Interest (LOI) for \$10,000 Reach Code Grant

Our organization requests this letter indicating your likely interest in receiving \$10,000 from SVCE to help defray costs associated with developing a local amendment to the energy code section of Title 24.

Howard Miller, Vice Chair
City of Saratoga

Background

With SVCE Board Approval, our organization partnered with Peninsula Clean Energy (PCE) and San Mateo County Office of Sustainability (OOS) to facilitate the adoption of an energy code in the 2019 Building Code (to be adopted as of January 1, 2020) supportive of all-electric buildings and/or electric vehicle (EV) infrastructure during the new construction process. SVCE has hired a consultant to provide technical support, draft model language and facilitate stakeholder engagement. SVCE recognizes additional staff time will be necessary during the pursuit of these amendments beyond the high level of support provided by our consultants.
