5	Beautiful	1/27/2021 9:09 PM
6	Does not speak to the diversity and the people that makeup milpitas and it's history. Too floral no message.	1/27/2021 3:52 PM
7	A beautiful design. Makes me feel at peace with life and nature.	1/27/2021 3:16 PM
8	Too busy and seems old fashioned	1/27/2021 3:01 PM

1	Too much open space between pictures - prefer to have hills, flowers from the area and some local birds/animals as well. Take the computer out, doesn't look good. The word "Ford" no way, maybe a old mustang. This doesn't flow at all and its NOT impressive.	2/6/2021 7:19 AM
2	I think his approach has merit. The choice of subject matter would certainly make me want to walk around it to view the various vignettes.	2/2/2021 11:58 AM
3	Like the history aspect of the project	1/29/2021 2:08 AM
4	No	1/28/2021 8:27 PM
5	Sounds good	1/28/2021 8:52 AM
6	Keep it blank. Stop wasting money on useless projects.	1/28/2021 2:35 AM
7	Very nice	1/27/2021 9:10 PM
8	Non cohesive use of space is odd.	1/27/2021 3:54 PM
9	I'm sorry but I would need to see a better rendering of this.	1/27/2021 3:17 PM
10	Not cohesive , seems like many random parts. We have plenty of history presentations in the city. Let's look forward	1/27/2021 3:03 PM
11	Love it !	1/27/2021 2:37 PM
12	I really like the concept behind this idea, tying its Milpitas' roots into the mural, and the artist's input on using removable panels and a landscape barrier to thwart vandalism, however I have problems with the concept as displayed. It seems very basic and not at all what the artist's prior work looks like.	1/27/2021 1:13 PM
13	Interesting use of the 3d space	1/27/2021 1:08 PM
14	again, longevity of the paint... good. As for the art concept, I don't like it. A collage of work looks disjointed and frankly, ugly.	1/27/2021 12:58 PM

1	What about our Milpitas hills and our eagle. The Calif poppy doesn't really rep Milptas but it is pretty. Why was Milpitas named Milpitas. It means cornfields. Can that we integrated into the design?	2/6/2021 7:33 AM
2	Striking! I love the combination of the Muwekma Ohlone pattern and the birds and greenery.	2/2/2021 12:00 PM
3	Not my favorite	1/29/2021 2:09 AM
4	No	1/28/2021 8:27 PM

7	At first I wasn't sure but seeing the final Mural I loved it.	1/27/2021 9:11 PM
8	Better but still no connection to it.	1/27/2021 3:56 PM
9	Too busy and meaningless	1/27/2021 3:04 PM
10	Good	1/27/2021 2:38 PM
11	From a distance kind of generic	1/27/2021 1:09 PM
12	This isn't bad. Still not my first choice.	1/27/2021 12:59 PM

10	A bit too spacey but not bad and fits better with rest of overpass	1/27/2021 3:05 PM
11	Makes me uncomfortable. Might create balance issues for viewers	1/27/2021 2:44 PM
12	Fascinating!	1/27/2021 2:39 PM
13	I feel it's too abstract for something this close to the roadway and may potentially distract drivers.	1/27/2021 1:16 PM
14	Abstract and cool	1/27/2021 1:12 PM
15	This is modern look and looks good. It works with the rainbow bridge colors and looks very good.	1/27/2021 1:01 PM

4	For so very long, the City of Milpitas colors have been a reflection of the 60's and 70's beige and brown (sigh). I'd like to see a more current expression for a brighter and modern Milpitas please. A mural where many commuters pass by is a good start! Let's do this :)	1/27/2021 1:06 PM
