I retired in 2019 as NASA Technical Manager and joined the Milpitas Senior Center. I had previously been involved in the City of Milpitas Arts Commission and played a key role in selecting the art that now exists inside senior center and the benches that are outside. Prior to COVID-19, I was using the fitness area and was looking forward to participating in additional activities. I was enjoying getting to know some of the seniors and I realized already know three of the present Senior Advisory Commissioners. I believe my breadth of experiences and knowledge. could be helpful to the commission. I have a passion for sharing my knowledge and would like to assist our seniors, so that they can remain healthy and enjoying life. I am a member of St. Elizabeth's St. Vincent DePaul Society as well, where we assist people in our community so that they can remain in their homes when having financial difficulties. I've been living in Milpitas for over 35 years and in the past myself and my family were part of the MVP. Please consider me a candidate to become a Senior Advisory Commissioner. Thank you for your consideration.
