Respected Sir/Madam,

I have been an active member of my student council in my elementary school (Vice President at John Sinnott elementary, 5th grade.) I believe I have the ability to run successful school/community programs.

Currently, I have started activities related to advocating climate change at MUSD schools via my blog http://climatter.wordpress.com/ and other initiatives at my school. I have reached out to the MUSD superintendent and spoke at length at the board meeting at also the MUSD team hall meeting about my plans regarding climate change.

If given the opportunity, I believe that I can serve in any role assigned to me.
