RECITALS

WHEREAS, the 2020 SHSGP (CFDA #97.067) supports the implementation of State Homeland Security Strategies to address the identified planning, organization, equipment, training and exercise needs for acts of terrorism and other catastrophic events, and management and administration of the grant. WHEREAS, on September 1, 2020 the California Governor’s Office of Emergency Services (“Cal OES”) awarded the County 2020 SHSGP funds in the amount of \$2,079,773. The allocation of the SHSGP funds will be determined by the County Approval Authority in accordance with the grant guidelines.

NOW, THEREFORE, the County and City agree as follows:

Article II. Payment

1. Payment Eligibility

Unless otherwise approved in advance by the County Office of Emergency Management (OEM) Grants Administrator (hereinafter “grants administrator”), only an actual cash disbursement by City for a claimed expense shall be eligible for reimbursement by the County as approved and specified in Exhibit A, SHSGP Project Funding, which is attached and hereby incorporated into this Agreement.

2. Amount of Payment

The County will provide City, unless otherwise specified, with the equipment, supplies, and/or other resources as set forth in Exhibit A, SHSGP Project Funding. Specifications for such equipment shall be provided by City’s requesting agency to the County for the appropriate procurement process. City’s requesting agency will be notified when the procurement process is complete for final approval of equipment prior to the order being placed. If, through previous agreement with the County, City is to procure its own equipment, performance milestone dates will apply (refer to Article IV, Section 3(b)).

The County may reallocate SHSGP funds as specified in Article II, section 4 of this Agreement. County does not guarantee a minimum payment to City.

Funds in the amount of \$226,698 have been set aside for the training and exercise programs from the total amount of the SHSGP grant to be allocated during the term of this Agreement. OEM will allocate

training and exercise funds to agencies as determined by the Training/Exercise Advisory Group.

Authorized personnel budgets are allowable within the County OEM, Central Fire, and County Emergency Medical Services. The personnel budget for these departments will reflect the expenditure authority. Reimbursement for actual cash disbursements will be requested through the County OEM. Based on the preference of the Department/Agency, reimbursement requests may be requested on a monthly or quarterly basis. For County Departments, reimbursements will be made via inter-county transfer. For all others, a County warrant will be issued.

3. Maximum Amount Payable

Subject to the availability of funds and the priorities established by the County Approval Authority, the maximum amount of SHSGP funds payable by the County to City under this Agreement must not exceed \$98,000, as allocated by the County Approval Authority.

4. Reallocation of SHSGP Grant Funds

For the purpose of maximizing the resources available for preparedness for acts of terrorism and other catastrophic events within the Operational Area, City agrees that the County Approval Authority may reallocate funds under this Agreement to another applicant if the County determines that City is unable to utilize the amount allocated under this Agreement. The County may base its determination on factors that include but are not limited to the following: delivery timelines, fund expenditure capabilities, and timeliness of expenditure. The County will notify City in writing of any determination to reallocate funds, by issuing a "Notice of Reallocation." SHSGP funds will be put forth to the County Approval Authority for reallocation. City agrees that the County has the authority to increase or decrease the maximum amount payable under this Agreement as specified in the Notice of Reallocation document without liability and the County has the authority to amend Exhibit A, "SHSGP Project Funding," accordingly. Upon issuance, the Notice of Reallocation will automatically become part of this Agreement.

Article III. Requests for Reimbursement and Reimbursements

1. Required Documentation for Reimbursement

The following documentation is required for all reimbursement requests for equipment:

All equipment must be approved by the County Approval Authority and must be authorized per the web-based Authorized Equipment List on the Responder Knowledge Base, which is sponsored by Grants & Training and the National Memorial Institute for the Prevention of Terrorism at <https://www.rkb.us/>. (Contact the Grant Manager for a current Authorized Equipment List.)

(b) Subcontracts

If City awards subcontracts totaling \$25,000 or more, it must report on any such subcontracts and on Highly Compensated Individuals on the Financial Disclosure Form, Exhibit D, within 30 days of the award. Classified information that, in the interest of national security, requires protection against unauthorized disclosure (i.e., information deemed Top Secret, Secret, or Confidential under Executive Order 12958) is exempt from the Prime and Sub-Recipient reporting requirements, as are contracts with individuals.

(c) Sole Source Contracts

Sole source contracts of \$250,000 or more are not allowable under the SHSGP program unless first approved by Cal OES. City must obtain sole source request documentation and submit it to the Grants Manager of County's OEM. Upon City's completion and submission of the required sole source documentation, County's Grants Manager shall forward all sole source documents to the appropriate Cal OES contact for review and approval. Only after Cal OES approval is given can a sole source procurement be completed and expenditures reimbursed using SHSGP allocated funds. Any expenditure during the final period identified in the chart below shall be made by April 15, 2022, and any related invoice shall be submitted by April 30, 2022, unless otherwise pre-approved by County's OEM Director or designee, in order to meet 2020 SHSGP deadlines.

2. Availability of Funds

- (a) The parties acknowledge and agree that this Agreement is dependent upon the availability of county, regional, State and/or federal funding.
- (b) Budgetary Contingency: This Agreement is contingent upon the appropriation of sufficient funding by County for the products and services covered by this Agreement. If funding is reduced or eliminated by County for the products or services covered by this Agreement, County has the option to either terminate this Agreement with no liability occurring to County or to offer an amendment to this Agreement indicating the reduced amount.
- (c) The obligations of County to make payments in accordance with the provisions of this Agreement may be delayed, reduced or terminated as a result of any delay, reduction, or change in allocation or allotment in funding to County from federal, State or other regional funding sources.

4. Termination

- (a) Termination for Convenience. County shall have the option, in its sole discretion, to terminate this Agreement at any time without cause upon written notice to City. The

written notice shall specify the date on which termination shall become effective, which shall be no less than seven (7) days from the date of the notice.

- (b) Termination for Cause. Either party may terminate this Agreement for cause upon written notice to the other party. The written notice shall specify the date on which termination shall become effective, which shall be no less than thirty (30) days from the date of the notice. Termination for cause includes, but is not limited to, a material breach of this Agreement, a violation of any applicable laws, or failure to comply with applicable SHSGP guidelines.

In the event of termination for material breach of this Agreement, the non-breaching party shall give written notice of the breach to the breaching party, specifying the breach/cause. The breaching party shall not be deemed in default and the non-breaching party shall not institute proceedings or exercise any remedies against the breaching party unless the breach has not been cured, corrected or remedied within thirty (30) days after the breaching party's receipt of the notice of breach, or within such longer period as may be reasonably required to cure, correct or remedy the breach, provided the breaching party has commenced its cure, correction or remedy within the thirty (30) day period and diligently and continuously pursues that cure, correction or remedy.

Article VI. Indemnification and Liabilities

1. Indemnification by City

In lieu of and notwithstanding the pro rata risk allocation that might otherwise be imposed between the parties under Government Code section 895.6, County and City agree instead that under Government Code section 895.4, City shall fully indemnify and hold County, its officers, board members, employees, and agents, harmless from any claim, expense or cost, damage or liability imposed for injury (as defined by Government Code section 810.8) occurring by reason of the negligent acts or omissions or willful misconduct of City, its officers, board members, employees or agents, under or in connection with or arising out of any work, authority or jurisdiction delegated to City under this Agreement. This indemnity shall include, without limitation, reasonable attorneys' fees, consultants and experts and related costs, and County's cost of investigating any claim.

2. Duty to Defend

City acknowledges and agrees that its obligation to defend County under Article VI: (a) is an immediate obligation, independent of its other obligations under this Agreement; and (b) applies to any claim, expense, cost, damage, or liability falling within the scope of Article VI, regardless of whether the allegations made in connection with that claim, expense, cost, damage, or liability may be groundless, false, or fraudulent. County shall provide City with prompt notice of any claim, expense, cost, damage, or liability under Article VI and City shall have the right to defend, settle, or compromise that claim, expense, cost, damage, or liability, provided, however, that County shall have the right to retain its own counsel at City' expense if representation of County by counsel retained by City would result in a

conflict of interest, and that City shall obtain County's prior written consent to settle or compromise if City contends that County shares in any liability. County's failure to notify City promptly of any claim, expense, cost, damage, or liability shall not relieve City of liability to County under Article VI unless that failure materially impairs City's ability to defend against the claim, expense, cost, damage, or liability.

3. Limitation on Liability

County, its officers, board members, employees, and agents shall not be responsible for any damage or liability occurring by reason of the negligent acts or omissions or willful misconduct of Santa Clara, its officers, board members, employees, or agents, under or in connection with or arising out of any work, authority or jurisdiction delegated to Santa Clara under this Agreement.

County's obligations under this Agreement shall be limited to the aggregate amount of SHSGP funds actually disbursed. Notwithstanding any other provision in this Agreement or any other document or communication between County and Santa Clara relating to this Agreement, in no event shall County be liable for any damages arising out of or in connection with this Agreement, the SHSGP funds, Santa Clara's Spend Plan, or any activities performed in connection with this Agreement.
