Name of Item:

Dumpster Days

Item Description:

Enter item description and why the item is being requested for Council consideration. To ensure compliance with the Brown Act, no position on the item should be included in the item description.

Per request of elected officials, we are requesting the City sponsor free dumpster days so that residents can dump all types of garbage that otherwise would not fit until their standard waste bin. Seniors and the disabled would greatly benefit from the opportunity to dump items at the convenience of their neighborhood. Furthermore, with the previous free dump days gone, thousands of pounds of large waste items are accumulating in hundreds if not thousands of Milpitas residents' homes. Illegal dumping across the City is suspected to be a result from residents inability to dispose of large waste.
