Staff Contact:	Sharon Goei, Building Safety and Housing Director, 408-586-3260
Recommendation:	Receive November 2021 report for unhoused services.

Background:

On November 10, 2020, the City Council approved and authorized staff to enter into an agreement for homeless outreach, assessment, and street-based case management services with Santa Clara County Office of Supportive Housing. On March 1, 2021, the County's Homeless Engagement and Access Team (HEAT), via Abode Services, began conducting outreach to engage and provide resources to the City's unhoused residents.

On December 1, 2020, the City Council directed staff to implement a six-month pilot mobile shower and laundry Dignity on Wheels program with WeHOPE. The nonprofit service provider, WeHOPE, began providing mobile shower and laundry services every Sunday starting March 21, 2021, on the site on Winsor Street, immediately south of the Milpitas Library. On September 7, 2021, the City Council directed staff to continue the mobile shower and laundry program for an additional 12 months.

This report reflects the November 2021 progress for unhoused services.

Analysis:

In November 2021, the HEAT Team continued to collaborate with City staff and County Office of Supportive Housing to conduct outreach throughout the City of Milpitas to engage and provide resources to the City's unhoused residents. During the month of November, the HEAT Team enrolled 8 clients and completed 8 assessments. Adding to 104 clients enrolled and 107 clients assessed since services began in March, this makes a total of 112 clients enrolled and 115 clients assessed. Since the HEAT Team has been conducting proactive outreach throughout Milpitas, they have been able to locate and connect with unhoused residents both at known and new locations. For the unhoused individuals that did not provide identifying information for the Team to enroll or assess, the Team provided basic needs items and community resources. See Attachment 2 for the HEAT Team November 2021 report.

During the month of November, WeHOPE provided four sessions to the unhoused community, providing a total of 49 showers and 22 loads of laundry, serving 18 individuals. See Attachment 3 for the WeHOPE Dignity on Wheels November 2021 report.

In addition to working closely with the above service providers, City departments continued to collaborate in providing assistance to the unhoused residents as well as addressing the health and safety of the community. Referrals to the HEAT Team continue to be provided through the City's internal referral process. This process has reduced internal messaging and maximized the HEAT Team's ability to quickly respond to requests for assessments and to provide updates to City staff. For a summary of the various activities and services for Milpitas unhoused residents as described above, refer to Attachment 1 for the November 2021 report for unhoused services.
