AGENDA ITEM: Approval of a Professional Services Agreement between the City of Milton and It's My Party, LLC for Rental Equipment at Crabapple Fest 2023

PROJECT DESCRIPTION

The City of Milton has requested the rental and delivery of several items for Milton's Annual Crabapple Fest. For safety, logistics, and seamless set up and tear down of the festival, the City installs all tents and rental items for vendors. It's My Party provides approximately 110 tents each year (10x10 or 10x20 white canopy tent). These tents are set up by It's My Party on Friday evening and taken down once the festival concludes on Saturday evening. They are inspected in advance by the Fire Marshal and are rated for fire safety and properly weighted with large concrete weights to withstand heavy winds. The rental costs for the tent (approximately \$90-\$100) have been built into the application fee for each vendor, so the City passes along these costs to applicants though the contract is secured in advance. Additionally, the City rents banquet tables, high top tables, tablecloths, picnic tables and folding chairs for the community eating area, generators with accessories as well as a light tower to enable safe set up for vendors the evening before the festival and in the early morning hours on Saturday to add additional light for safety and security on Crabapple Road. The costs associated with this professional services agreement is within the scope of budget for professional fees and benefits staff, public safety, event organizers, vendors, and attendees of the festival.

All such changes shall be incorporated in written Change Orders and executed by Contractor and City. Such Change Orders shall specify the changes ordered and any necessary adjustment of compensation and completion time. If the Parties cannot reach an agreement on the terms for performing the changed work within a reasonable time to avoid delay or other unfavorable impacts as determined by City in its sole discretion, City shall have the right to determine reasonable terms, and Contractor shall proceed with the changed work.

B. Change Order Requirement. Any work added to the scope of this Agreement by a Change Order shall be executed under all the applicable conditions of this Agreement. No claim for additional compensation or extension of time shall be recognized, unless contained in a written Change Order duly executed on behalf of City and Contractor.

C. Authority to Execute Change Order. The City Manager has authority to execute, without further action of the Mayor or City Council, any number of Change Orders so long as their total effect does not materially alter the terms of this Agreement or materially increase the Maximum Contract Price, as set forth in Section III(B) below. Any such Change Orders materially altering the terms of this Agreement, or any Change Order affecting the price where the Maximum Contract Price (as amended) is in excess of \$50,000, must be approved by resolution of the Mayor and City Council. Amendments shall not result in a variance in price exceeding ten percent of the original contract amount.

III. COMPENSATION AND METHOD OF PAYMENT

A. Payment Terms. City agrees to pay Contractor for the Work performed and costs incurred by Contractor upon certification by City that the Work was actually performed and costs actually incurred in accordance with the Agreement. Compensation for Work performed and, if applicable, reimbursement for costs incurred shall be paid to Contractor upon City's receipt and approval of invoices, setting forth in detail the services performed and costs incurred, along with all supporting documents requested by City to process the invoice. Invoice shall be submitted upon completion of the Work, and such invoice shall reflect costs incurred versus costs budgeted. Any material deviations in tests or inspections performed, or times or locations required to complete such tests or inspections, and like deviations from the Work described in this Agreement shall be clearly communicated to City *before charges are incurred* and shall be handled through Change Orders as described in Section II above. City shall pay Contractor within thirty (30) days after approval of the invoice by City staff.

The compensation for Work performed shall be based upon a lump sum fee.

C. **Reimbursement for Costs.** The Maximum Contract Price set forth in Section III(B) above includes all costs, direct and indirect, needed to perform the Work and complete the Project, and reimbursement for costs incurred shall be limited as follows:

There shall be no reimbursement for costs.

IV. COVENANTS OF CONTRACTOR

A. **Expertise of Contractor; Licenses, Certification and Permits.** Contractor accepts the relationship of trust and confidence established between it and City, recognizing that City's intention and purpose in entering into this Agreement is to engage an entity with the requisite capacity, experience, and professional skill and judgment to provide the Work in pursuit of the timely and competent completion of the Work undertaken by Contractor under this Agreement. Contractor shall employ only persons duly qualified in the appropriate area of expertise to perform the Work described in this Agreement.

Contractor covenants and declares that it has obtained all diplomas, certificates, licenses, permits or the like required of Contractor by any and all national, state, regional, county, or local boards, agencies, commissions, committees or other regulatory bodies in order to perform the Work contracted for under this Agreement. Further, Contractor agrees that it will perform all Work in accordance with the standard of care and quality ordinarily expected of competent professionals and in compliance with all federal, state, and local laws, regulations, codes, ordinances, or orders applicable to the Project, including, but not limited to, any applicable records retention requirements and Georgia's Open Records Act (O.C.G.A. § 50-18-71, *et seq.*). Any additional work or costs incurred as a result of error and/or omission by Contractor as a result of not meeting the applicable standard of care or quality will be provided by Contractor at no additional cost to City. This provision shall survive termination of this Agreement.

B. **Budgetary Limitations.** Contractor agrees and acknowledges that budgetary limitations are not a justification for breach of sound principals of Contractor's profession and industry. Contractor shall take no calculated risk in the performance of the Work. Specifically, Contractor agrees that, in the event it cannot perform the Work within the budgetary limitations established without disregarding sound principles of Contractor's profession and industry, Contractor will give written notice immediately to City.

C. **City's Reliance on the Work.** Contractor acknowledges and agrees that City does not undertake to approve or pass upon matters of expertise of Contractor and that, therefore, City bears no responsibility for Contractor's Work performed under this Agreement. Contractor acknowledges and agrees that the acceptance of Work by City is limited to the function of determining whether there has been compliance with what is required to be produced under this Agreement. City will not, and need not, inquire into adequacy, fitness, suitability or correctness of Contractor's performance. Contractor further agrees that no approval of designs, plans, specifications or other work product by any person, body or agency shall relieve Contractor of the responsibility for adequacy, fitness, suitability, and correctness of Contractor's Work under professional and industry standards, or for performing services under this Agreement in

accordance with sound and accepted professional and industry principles.

D. Contractor's Reliance on Submissions by City. Contractor must have timely information and input from City in order to perform the Work required under this Agreement. Contractor is entitled to rely upon information provided by City, but Contractor shall provide immediate written notice to City if Contractor knows or reasonably should know that any information provided by City is erroneous, inconsistent, or otherwise problematic.

E. Contractor's Representative. Tony Worley shall be authorized to act on Contractor's behalf with respect to the Work as Contractor's designated representative, provided that this designation shall not relieve either Party of any written notice requirements set forth elsewhere in this Agreement.

F. Assignment of Agreement. Contractor covenants and agrees not to assign or transfer any interest in, or delegate any duties of this Agreement, without the prior express written consent of City. As to any approved subcontractors, Contractor shall be solely responsible for reimbursing them, and City shall have no obligation to them.

G. Responsibility of Contractor and Indemnification of City. Contractor covenants and agrees to take and assume all responsibility for the Work rendered in connection with this Agreement. Contractor shall bear all losses and damages directly or indirectly resulting to it and/or City on account of the performance or character of the Work rendered pursuant to this Agreement. Contractor shall defend, indemnify and hold harmless City and City's elected and appointed officials, officers, boards, commissions, employees, representatives, Contractors, servants, agents, attorneys and volunteers (individually an "Indemnified Party" and collectively "Indemnified Parties") from and against any and all claims, suits, actions, judgments, injuries, damages, losses, costs, expenses and liability of any kind whatsoever, including but not limited to attorney's fees and costs of defense ("Liabilities"), which may arise from or be the result of an alleged willful, negligent or tortious act or omission arising out of the Work, performance of contracted services, or operations by Contractor, any subcontractor, anyone directly or indirectly employed by Contractor or subcontractor or anyone for whose acts or omissions Contractor or subcontractor may be liable, regardless of whether or not the act or omission is caused in part by a party indemnified hereunder; provided that this indemnity obligation shall only apply to the extent Liabilities are caused by or result from the negligence, recklessness, or intentionally wrongful conduct of the Contractor or other persons employed or utilized by the Contractor in the performance of this Agreement. This indemnity obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in this provision.

In any and all claims against an Indemnified Party, by any employee of Contractor, its subcontractor, anyone directly or indirectly employed by Contractor or subcontractor or anyone for whose acts Contractor or subcontractor may be liable, the indemnification obligation set forth in this provision shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for Contractor or any subcontractor under workers' or workmen's compensation acts, disability benefit acts or other employee benefit acts. This obligation to indemnify, defend, and hold harmless the Indemnified Party(ies) shall survive

expiration or termination of this Agreement, provided that the claims are based upon or arise out of actions or omissions that occurred during the performance of this Agreement.

H. Independent Contractor. Contractor hereby covenants and declares that it is engaged in an independent business and agrees to perform the Work as an independent contractor and not as the agent or employee of City. Nothing in this Agreement shall be construed to make Contractor or any of its employees, servants, or subcontractors, an employee, servant or agent of City for any purpose. Contractor agrees to be solely responsible for its own matters relating to the time and place the Work is performed and the method used to perform such Work; the instrumentalities, tools, supplies and/or materials necessary to complete the Work; hiring of Contractors, agents or employees to complete the Work; and the payment of employees, including benefits and compliance with Social Security, withholding and all other regulations governing such matters. Contractor agrees to be solely responsible for its own acts and those of its subordinates, employees, and subcontractors during the life of this Agreement. There shall be no contractual relationship between any subcontractor or supplier and City by virtue of this Agreement with Contractor. Any provisions of this Agreement that may appear to give City the right to direct Contractor as to the details of the services to be performed by Contractor or to exercise a measure of control over such services will be deemed to mean that Contractor shall follow the directions of City with regard to the results of such services only. It is further understood that this Agreement is not exclusive, and City may hire additional entities to perform the Work related to this Agreement.

Inasmuch as City and Contractor are independent of each other, neither has the authority to bind the other to any third person or otherwise to act in any way as the representative of the other, unless otherwise expressly agreed to in writing signed by both Parties hereto. Contractor agrees not to represent itself as City's agent for any purpose to any party or to allow any employee of Contractor to do so, unless specifically authorized, in advance and in writing, to do so, and then only for the limited purpose stated in such authorization. Contractor shall assume full liability for any contracts or agreements Contractor enters into on behalf of City without the express knowledge and prior written consent of City.

I. Insurance.

- (1) Requirements: Contractor shall have and maintain in full force and effect for the duration of this Agreement, insurance insuring against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the Work by Contractor, its agents, representatives, employees or subcontractors. The amount of such coverage shall be the same as what is otherwise required of employers entitled to coverage under the Georgia Workers' Compensation Act. Further, Contractor shall provide a certificate of insurance indicating that such coverage has been secured and that no individual has been excluded from coverage.)

Nothing contained in this section shall be construed to require the Contractor to provide liability insurance coverage to any Insured Party for claims asserted against such Insured Party for its sole negligence.
 - (ii) Primary Insurance Requirement. Contractor's insurance coverage shall be primary noncontributing insurance as respects to any other insurance or self-insurance available to the Insured Parties. City reserves the right to accept alternate notice terms and provisions, provided they meet the minimum requirements under Georgia law.

The Contractor shall be responsible for any delay resulting from the failure of its insurer to provide proof of coverage in the proscribed form.
- (6) Verification of Coverage: Contractor shall furnish to City for City approval certificates of insurance and endorsements to the policies evidencing all coverage required by this Agreement prior to the start of work. The certificates of insurance and endorsements for each insurance policy are to be on a form utilized by Contractor's insurer in its normal course of business and are to be signed by a person authorized by that insurer to bind coverage on its behalf, unless alternate sufficient evidence of their validity and incorporation into the policy is provided. City reserves the right to require complete, certified copies of all required insurance policies at any time. Contractor shall provide proof that any expiring coverage has been renewed or replaced prior to the expiration of the coverage.

- (9) City as Additional Insured and Loss Payee: City shall be named as an additional insured and loss payee on all policies required by this Agreement, except City need not be named as an additional insured and loss payee on any Professional Liability policy or Workers' Compensation policy.

L. Ethics Code; Conflict of Interest. Contractor agrees that it shall not engage in any activity or conduct that would result in a violation of the City of Milton Code of Ethics or any other similar law or regulation. Contractor certifies that to the best of its knowledge no circumstances exist which will cause a conflict of interest in performing the Work. Should Contractor become aware of any circumstances that may cause a conflict of interest during the Term of this

Agreement, Contractor shall immediately notify City. If City determines that a conflict of interest exists, City may require that Contractor take action to remedy the conflict of interest or terminate the Agreement without liability. City shall have the right to recover any fees paid for services rendered by Contractor when such services were performed while a conflict of interest existed if Contractor had knowledge of the conflict of interest and did not notify City within five (5) business days of becoming aware of the existence of the conflict of interest.

Contractor and City acknowledge that it is prohibited for any person to offer, give, or agree to give any City employee or official, or for any City employee or official to solicit, demand, accept, or agree to accept from another person, a gratuity of more than nominal value or rebate or an offer of employment in connection with any decision, approval, disapproval, recommendation, or preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing, or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim or controversy, or other particular matter, pertaining to any program requirement or a contract or subcontract, or to any solicitation or proposal therefor. Contractor and City further acknowledge that it is prohibited for any payment, gratuity, or offer of employment to be made by or on behalf of a sub-Contractor under a contract to the prime Contractor or higher tier sub-Contractor, or any person associated therewith, as an inducement for the award of a subcontract or order.

M. Confidentiality. Contractor acknowledges that it may receive confidential information of City and that it will protect the confidentiality of any such confidential information and will require any of its subcontractors, Contractors, and/or staff to likewise protect such confidential information. Contractor agrees that confidential information it learns or receives or such reports, information, opinions or conclusions that Contractor creates under this Agreement shall not be made available to, or discussed with, any individual or organization, including the news media, without prior written approval of City. Contractor shall exercise reasonable precautions to prevent the unauthorized disclosure and use of City information whether specifically deemed confidential or not.

Contractor acknowledges that City's disclosure of documentation is governed by Georgia's Open Records Act, and Contractor further acknowledges that if Contractor submits records containing trade secret information, and if Contractor wishes to keep such records confidential, Contractor must submit and attach to such records an affidavit affirmatively declaring that specific information in the records constitutes trade secrets pursuant to Article 27 of Chapter 1 of Title 10, and the Parties shall follow the requirements of O.C.G.A. § 50-18-72(a)(34) related thereto.

N. Key Personnel. All of the individuals identified in **Exhibit "F"**, attached hereto, are necessary for the successful completion of the Work due to their unique expertise and depth and breadth of experience. There shall be no change in Contractor's Project Manager or members of the Project team, as listed in **Exhibit "F"**, without written approval of City. Contractor recognizes that the composition of this team was instrumental in City's decision to award the Work to Contractor and that compelling reasons for substituting these individuals must be demonstrated for City's consent to be granted. Any substitutes shall be persons of comparable or superior expertise and experience. Failure to comply with the provisions of this paragraph shall constitute

a material breach of Contractor's obligations under this Agreement and shall be grounds for termination.

O. Meetings. Contractor is required to meet with City's personnel, or designated representatives, to resolve technical or contractual problems that may occur during the Term of this Agreement at no additional cost to City. Meetings will occur as problems arise and will be coordinated by City. City shall inform Contractor's Representative of the need for a meeting and of the date, time and location of the meeting at least three (3) full business days prior to the date of the meeting. Face-to-face meetings are desired. However, at Contractor's option and expense, a conference call meeting may be substituted. Consistent failure to participate in problem resolution meetings, two consecutive missed or rescheduled meetings, or failure to make a good faith effort to resolve problems, may result in termination of this Agreement for cause.

P. Authority to Contract. The individual executing this Agreement on behalf of Contractor covenants and declares that it has obtained all necessary approvals of Contractor's board of directors, stockholders, general partners, limited partners or similar authorities to simultaneously execute and bind Contractor to the terms of this Agreement, if applicable.

Q. Ownership of Work. All reports, designs, drawings, plans, specifications, schedules, work product and other materials, including, but not limited to, those in electronic form, prepared or in the process of being prepared for the Work to be performed by Contractor ("Materials") shall be the property of City, and City shall be entitled to full access and copies of all Materials in the form prescribed by City. Any Materials remaining in the hands of Contractor or subcontractor upon completion or termination of the Work shall be delivered immediately to City whether or not the Project or Work is commenced or completed; provided, however, that Contractor may retain a copy of any deliverables for its records. Contractor assumes all risk of loss, damage or destruction of or to Materials. If any Materials are lost, damaged or destroyed before final delivery to City, Contractor shall replace them at its own expense. Any and all copyrightable subject matter in all Materials is hereby assigned to City, and Contractor agrees to execute any additional documents that may be necessary to evidence such assignment.

R. Nondiscrimination. In accordance with Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000d, section 303 of the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6102, section 202 of the Americans with Disabilities Act of 1990, 42 U.S.C. § 12132, and all other provisions of Federal law, Contractor agrees that, during performance of this Agreement, Contractor, for itself, its assignees and successors in interest, will not discriminate against any employee or applicant for employment, any subcontractor, or any supplier because of race, color, creed or belief, political affiliation, national origin, gender, age or disability. In addition, Contractor agrees to comply with all applicable implementing regulations and shall include the provisions of this paragraph in every subcontract for services contemplated under this Agreement.

S. Contractors Assisting with Procurement. As required by O.C.G.A. § 36-80-28, if the Agreement requires the Contractor to prepare, develop, or draft specifications or requirements for a solicitation (including bids, requests for proposals, procurement orders, or purchase orders) or to serve in a consultative role during a bid or proposal evaluation or negotiation

process: (a) the Contractor shall avoid any appearance of impropriety and shall follow all ethics and conflict-of-interest policies and procedures of the City; (b) the Contractor shall immediately disclose to the City any material transaction or relationship, including, but not limited to, that of the Contractor, the Contractor's employees, or the Contractor's agents or subsidiaries, that reasonably could be expected to give rise to a conflict of interest, including, but not limited to, past, present, or known prospective engagements, involvement in litigation or other dispute, client relationships, or other business or financial interest, and shall immediately disclose any material transaction or relationship subsequently discovered during the pendency of the Agreement; and (c) the Contractor agrees and acknowledges that any violation or threatened violation of this paragraph may cause irreparable injury to the City, entitling the City to seek injunctive relief in addition to all other legal remedies.

V. COVENANTS OF CITY

A. **Right of Entry.** City shall provide for right of entry for Contractor and all necessary equipment as required for Contractor to complete the Work; provided that Contractor shall not unreasonably encumber the Project site(s) with materials or equipment.

B. **City's Representative.** Anita Jupin, Economic Engagement Manager shall be authorized to act on City's behalf with respect to the Work as City's designated representative on this Project; provided that any changes to the Work or the terms of this Agreement must be approved as provided in Section II above.

VI. TERMINATION

A. **For Convenience.** City may terminate this Agreement for convenience at any time upon providing written notice thereof at least seven (7) calendar days in advance of the termination date.

B. **For Cause.** Contractor shall have no right to terminate this Agreement prior to completion of the Work, except in the event of City's failure to pay Contractor within thirty (30) calendar days of Contractor providing City with notice of a delinquent payment and an opportunity to cure. In the event of Contractor's breach or default under this Agreement, City may terminate this Agreement for cause. City shall give Contractor at least seven (7) calendar days' written notice of its intent to terminate the Agreement for cause and the reasons therefor. If Contractor fails to cure the breach or default within that seven (7) day period, or otherwise remedy the breach or default to the reasonable satisfaction of City, then City may, at its election: (a) in writing terminate the Agreement in whole or in part; (b) cure such default itself and charge Contractor for the costs of curing the default against any sums due or which become due to Contractor under this Agreement; and/or (c) pursue any other remedy then available, at law or in equity, to City for such default.

C. **Statutory Termination.** In compliance with O.C.G.A. § 36-60-13, this Agreement shall be deemed terminated as provided in I(D) of this Agreement. Further, this Agreement shall terminate immediately and absolutely at such time as appropriated or otherwise unobligated funds

are no longer available to satisfy the obligation of City.

D. Payment Upon Termination. Upon termination, City shall provide for payment to Contractor for services rendered and, where authorized, expenses incurred prior to the termination date; provided that, where this Agreement is terminated for cause, City may deduct from such payment any portion of the cost for City to complete (or hire someone to complete) the Work, as determined at the time of termination, not otherwise covered by the remaining unpaid Maximum Contract Price.

E. Conversion to Termination for Convenience. If City terminates this Agreement for cause and it is later determined that City did not have grounds to do so, the termination will be converted to and treated as a termination for convenience under the terms of Section VI(A) above.

F. Requirements Upon Termination. Upon termination, Contractor shall: (1) promptly discontinue all services, cancel as many outstanding obligations as possible, and not incur any new obligations, unless the City directs otherwise; and (2) promptly deliver to City all data, drawings, reports, summaries, and such other information and materials as may have been generated or used by Contractor in performing this Agreement, whether completed or in process, in the form specified by City.

G. Reservation of Rights and Remedies. The rights and remedies of City and Contractor provided in this Article are in addition to any other rights and remedies provided under this Agreement or at law or in equity.

VII. MISCELLANEOUS

A. Entire Agreement. This Agreement, including any exhibits hereto, constitutes the complete agreement between the Parties and supersedes any and all other agreements, either oral or in writing, between the Parties with respect to the subject matter of this Agreement. No other agreement, statement or promise relating to the subject matter of this Agreement not contained in this Agreement shall be valid or binding. This Agreement may be modified or amended only by a written Change Order (as provided in Section II above) or other document signed by representatives of both Parties with appropriate authorization.

B. Successors and Assigns. Subject to the provision of this Agreement regarding assignment, this Agreement shall be binding on the heirs, executors, administrators, successors and assigns of the respective Parties.

C. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Georgia without regard to choice of law principles. If any action at law or in equity is brought to enforce or interpret the provisions of this Agreement, the rules, regulations, statutes and laws of the State of Georgia will control. Any action or suit related to this Agreement shall be brought in the Superior Court of Fulton County, Georgia, or the U.S. District Court for the Northern District of Georgia – Atlanta Division, and Contractor submits to the jurisdiction and venue of such court.

D. Captions and Severability. All headings herein are intended for convenience and ease of reference purposes only and in no way define, limit or describe the scope or intent thereof, or of this Agreement, or in any way affect this Agreement. Should any article(s) or section(s) of this Agreement, or any part thereof, later be deemed illegal, invalid or unenforceable by a court of competent jurisdiction, the offending portion of the Agreement should be severed, and the remainder of this Agreement shall remain in full force and effect to the extent possible as if this Agreement had been executed with the invalid portion hereof eliminated, it being the intention of the Parties that they would have executed the remaining portion of this Agreement without including any such part, parts, or portions that may for any reason be hereafter declared in valid.

E. Business License. Prior to commencement of the Work to be provided hereunder, Contractor shall apply to City for a business license, pay the applicable business license fee, and maintain said business license during the Term of this Agreement, unless Contractor provides evidence that no such license is required.

F. Notices.

- (1) **Communications Relating to Day-to-Day Activities.** All communications relating to the day-to-day activities of the Work shall be exchanged between City's Representative (named above) for City and Contractor's Representative (named above) for Contractor.

G. Waiver of Agreement. No failure by City to enforce any right or power granted under this Agreement, or to insist upon strict compliance by Contractor with this Agreement, and no custom or practice of City at variance with the terms and conditions of this Agreement shall constitute a general waiver of any future breach or default or affect City's right to demand exact and strict compliance by Contractor with the terms and conditions of this Agreement. Further, no express waiver shall affect any Term or condition other than the one specified in such waiver, and that one only for the time and manner specifically stated.

H. Survival. All sections of this Agreement which by their nature should survive termination will survive termination, including, without limitation, confidentiality obligations and insurance maintenance requirements.

I. No Third Party Rights. This Agreement shall be exclusively for the benefit of the Parties and shall not provide any third parties with any remedy, claim, liability, reimbursement, cause of action or other right.

J. Sovereign Immunity; Ratification. Nothing contained in this Agreement shall be construed to be a waiver of City's sovereign immunity or any individual's qualified, good faith or official immunities. Ratification of this Agreement by a majority of the Mayor and City Council shall authorize the Mayor to execute this Agreement on behalf of City.

K. No Personal Liability. Nothing herein shall be construed as creating any individual or personal liability on the part of any of City's elected or appointed officials, officers, boards, commissions, employees, representatives, Contractors, servants, agents, attorneys or volunteers. No such individual shall be personally liable to Contractor or any successor in interest in the event of any default or breach by City or for any amount which may become due to Contractor or successor or on any obligation under the terms of this Agreement. Likewise, Contractor's performance of services under this Agreement shall not subject Contractor's individual employees, officers, or directors to any personal contractual liability, except where Contractor is a sole proprietor. The Parties agree that, except where Contractor is a sole proprietor, their sole and exclusive remedy, claim, demand or suit for contractual liability shall be directed and/or asserted only against Contractor or City, respectively, and not against any elected or appointed official, officers, boards, commissions, employees, representatives, Contractors, servants, agents, attorneys and volunteers.

L. Counterparts; Agreement Construction and Interpretation. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument. Contractor represents that it has reviewed and become familiar with this Agreement and has notified City of any discrepancies, conflicts or errors herein. In the event of a conflict in the terms of this Agreement and/or the exhibits attached hereto, the terms most beneficial to City shall govern. The Parties hereto agree that, if an ambiguity or question of intent or interpretation arises, this Agreement is to be construed as if the Parties had drafted it jointly, as opposed to being construed against a Party because it was responsible for drafting one or more provisions of the Agreement. In the interest of brevity, the Agreement may omit modifying words such as "all" and "any" and articles such as "the" and "an," but the fact that a modifier or an article is absent from one statement

and appears in another is not intended to affect the interpretation of either statement. Words or terms used as nouns in the Agreement shall be inclusive of their singular and plural forms, unless the context of their usage clearly requires contrary meaning.

M. Force Majeure. Neither City nor Contractor shall be liable for its respective non-negligent or non-willful failure to perform or shall be deemed in default with respect to the failure to perform (or cure a failure to perform) any of its respective duties or obligations under this Agreement or for any delay in such performance due to: (i) any cause beyond its respective reasonable control; (ii) any act of God; (iii) any change in applicable governmental rules or regulations rendering the performance of any portion of this Agreement legally impossible; (iv) earthquake, fire, explosion or flood; (v) strike or labor dispute, excluding strikes or labor disputes by employees and/or agents of CONTRACTOR; (vi) delay or failure to act by any governmental or military authority; or (vii) any war, hostility, embargo, sabotage, civil disturbance, riot, insurrection or invasion. In such event, the time for performance shall be extended by an amount of time equal to the period of delay caused by such acts, and all other obligations shall remain intact.

N. Material Condition. Each term of this Agreement is material, and Contractor's breach of any term of this Agreement shall be considered a material breach of the entire Agreement and shall be grounds for termination or exercise of any other remedies available to City at law or in equity.
