AGENDA ITEM: Approval of Professional Service Agreement between the City of Milton and William F. Ross dba Ross+ Associates for the Preparation of the Impact Fee Program Amendment

DocuSigned by:

PROJECT DESCRIPTION

The City has engaged with Ross+ Associates for the preparation of a thorough update and amendment to the City's Impact Fee Program which will include preparation of the following components: (1) Methodology Report, (2) amended Capital Improvement Element (CIE), (3) revised schedule of impact fees, and (4) review of the Impact Fee Ordinance to assure conformance to current State law.

Background: The City adopted its first Impact Fee Program in 2015 and since then, many of the capital projects outlined in its CIE have already been accomplished. With Milton projecting to continue its previous rate of growth over the coming years, the City will need to update and amend the existing Methodology Report to reflect these forecasts for population, housing units, and employment. This aids in accurately calculating the impact fee structure and ensures that new development pays its fair share of the costs of public facilities. Further, the report also determines the City's investment in parks and recreation facilities, fire protection services, law enforcement, and road projects and identifies any needs for new facilities. This would include a compilation of the capital facilities where impact fee revenue can be spent, and the impact fee costs for specific public facilities. Funding source for this project will come from the impact fee administration account.

NOW, THEREFORE, for and in consideration of the mutual promises, the public purposes, and the acknowledgements and agreements contained herein, and other good and adequate consideration, the sufficiency of which is hereby acknowledged, the Parties do mutually agree as follows:

- Exhibit "A" – RESERVED
- Exhibit "B" – Consultant Proposal
- Exhibit "C" – RESERVED
- Exhibit "D" – Contractor Affidavit

B. **Project Description.** The "Project" at issue in this Agreement is generally described as: provide professional services required to complete update of the original Impact Fee Methodology Report of 2015 with up-to-date fee calculations, and amended Capital Improvements Element, as well as the preparation of a revised impact fee schedule for the City meeting all legal and administrative requirements.

C. **The Work.** The Work to be completed under this Agreement (the "Work") includes, but shall not be limited to, the work described in the Scope of Work provided in **Exhibit "C"**, attached hereto and incorporated herein by reference. Unless otherwise stated in **Exhibit "C"**, the Work includes all material, labor, insurance, tools, equipment, machinery, water, heat, utilities, transportation, facilities, services and any other miscellaneous items and work necessary to complete the Work. Some details necessary for proper execution and completion of the Work may not be specifically described in the Scope of Work, but they are a requirement of the Work if they are a usual and customary component of the contemplated services or are otherwise necessary for proper completion of the Work.

D. **Schedule, Completion Date, and Term of Agreement.** Consultant understands that time is of the essence of this Agreement and warrants and represents that it will perform the Work in a prompt and timely manner, which shall not impose delays on the progress of the Work. The term of this Agreement ("Term") shall commence as of the Effective Date, the Agreement shall terminate upon completion of and payment for all Work (provided that certain obligations will survive termination/expiration of this Agreement) on July 31, 2024. If the Term of this Agreement is longer than one year, the Parties agree that this Agreement, as required by O.C.G.A. § 36-60-13, shall terminate absolutely and without further obligation on the part of City on September 30 each fiscal year of the Term, and further, that this Agreement shall automatically renew on October 1 of each subsequent fiscal year until conclusion of the Term, absent City's provision of written notice of non-renewal to Consultant at least five (5) days prior to the end of the then current fiscal year. Title to any supplies, materials, equipment, or other personal property shall remain in Consultant until fully paid for by City.

II. WORK CHANGES

A. **Change Order Defined.** A "Change Order" means a written modification of the Agreement, signed by representatives of City and Consultant with appropriate authorization.

B. Right to Order Changes. City reserves the right to order changes in the Work to be performed under this Agreement by altering, adding to, or deducting from the Work. All such changes shall be incorporated in written Change Orders and executed by Consultant and City. Such Change Orders shall specify the changes ordered and any necessary adjustment of compensation and completion time. If the Parties cannot reach an agreement on the terms for performing the changed work within a reasonable time to avoid delay or other unfavorable impacts as determined by City in its sole discretion, City shall have the right to determine reasonable terms, and Consultant shall proceed with the changed work.

C. Change Order Requirement. Any work added to the scope of this Agreement by a Change Order shall be executed under all the applicable conditions of this Agreement. No claim for additional compensation or extension of time shall be recognized, unless contained in a written Change Order duly executed on behalf of City and Consultant.

D. Authority to Execute Change Order. The City Manager has authority to execute, without further action of the Mayor or City Council, any number of Change Orders so long as their total effect does not materially alter the terms of this Agreement or materially increase the Maximum Contract Price, as set forth in Section III(B) below. Any such Change Orders materially altering the terms of this Agreement, or any Change Order affecting the price where the Maximum Contract Price (as amended) is in excess of \$50,000, must be approved by resolution of the Mayor and City Council. Amendments shall not result in a variance in price exceeding ten percent of the original contract amount.

III. COMPENSATION AND METHOD OF PAYMENT

A. Payment Terms. City agrees to pay Consultant for the Work performed and costs incurred by Consultant upon certification by City that the Work was actually performed and costs actually incurred in accordance with the Agreement. Compensation for Work performed and, if applicable, reimbursement for costs incurred shall be paid to Consultant upon City's receipt and approval of invoices, setting forth in detail the services performed and costs incurred, along with all supporting documents requested by City to process the invoice. Invoices shall be submitted on a monthly basis or as each phase is completed. Any material deviations in tests or inspections performed, or times or locations required to complete such tests or inspections, and like deviations from the Work described in this Agreement shall be clearly communicated to City *before charges are incurred* and shall be handled through Change Orders as described in Section II above. City shall pay Consultant within thirty (30) days after approval of the invoice by City staff.

B. Maximum Contract Price. The total amount paid under this Agreement as compensation for Work performed and reimbursement for costs incurred shall not, in any case, exceed FORTY-EIGHT THOUSAND, SEVEN HUNDRED AND 00/100 DOLLARS (\$48,700.00) (the "Maximum Contract Price") for Tasks 1-13, except as outlined in Section II(C) above, and Consultant represents that this amount is sufficient to perform all of the Work set forth in and contemplated by this Agreement. Any additional services requested by the City under Task 14 would be compensated based upon an hourly rate and travel time as mutually agreed by both Parties.

C. **Reimbursement for Costs.** The Maximum Contract Price set forth in Section III(B) above includes all costs, direct and indirect, needed to perform the Work and complete the Project, and reimbursement for costs incurred shall be limited as follows:

There shall be no reimbursement for costs.

IV. COVENANTS OF CONSULTANT

A. **Expertise of Consultant; Licenses, Certification and Permits.** Consultant accepts the relationship of trust and confidence established between it and City, recognizing that City's intention and purpose in entering into this Agreement is to engage an entity with the requisite capacity, experience, and professional skill and judgment to provide the Work in pursuit of the timely and competent completion of the Work undertaken by Consultant under this Agreement. Consultant shall employ only persons duly qualified in the appropriate area of expertise to perform the Work described in this Agreement.

Consultant covenants and declares that it has obtained all diplomas, certificates, licenses, permits or the like required of Consultant by any and all national, state, regional, county, or local boards, agencies, commissions, committees or other regulatory bodies in order to perform the Work contracted for under this Agreement. Further, Consultant agrees that it will perform all Work in accordance with the standard of care and quality ordinarily expected of competent professionals and in compliance with all federal, state, and local laws, regulations, codes, ordinances, or orders applicable to the Project, including, but not limited to, any applicable records retention requirements and Georgia's Open Records Act (O.C.G.A. § 50-18-71, *et seq.*). Any additional work or costs incurred as a result of error and/or omission by Consultant as a result of not meeting the applicable standard of care or quality will be provided by Consultant at no additional cost to City. This provision shall survive termination of this Agreement.

B. **Budgetary Limitations.** Consultant agrees and acknowledges that budgetary limitations are not a justification for breach of sound principals of Consultant's profession and industry. Consultant shall take no calculated risk in the performance of the Work. Specifically, Consultant agrees that, in the event it cannot perform the Work within the budgetary limitations established without disregarding sound principles of Consultant's profession and industry, Consultant will give written notice immediately to City.

C. **City's Reliance on the Work.** Consultant acknowledges and agrees that City does not undertake to approve or pass upon matters of expertise of Consultant and that, therefore, City bears no responsibility for Consultant's Work performed under this Agreement. Consultant acknowledges and agrees that the acceptance of Work by City is limited to the function of determining whether there has been compliance with what is required to be produced under this Agreement. City will not, and need not, inquire into adequacy, fitness, suitability or correctness of Consultant's performance. Consultant further agrees that no approval of designs, plans, specifications or other work product by any person, body or agency shall relieve Consultant of the responsibility for adequacy, fitness, suitability, and correctness of Consultant's Work under professional and industry standards, or for performing services under this Agreement in

accordance with sound and accepted professional and industry principles.

D. Consultant's Reliance on Submissions by City. Consultant must have timely information and input from City in order to perform the Work required under this Agreement. Consultant is entitled to rely upon information provided by City, but Consultant shall provide immediate written notice to City if Consultant knows or reasonably should know that any information provided by City is erroneous, inconsistent, or otherwise problematic.

E. Consultant's Representative. William F. (Bill) Ross shall be authorized to act on Consultant's behalf with respect to the Work as Consultant's designated representative, provided that this designation shall not relieve either Party of any written notice requirements set forth elsewhere in this Agreement.

F. Assignment of Agreement. Consultant covenants and agrees not to assign or transfer any interest in, or delegate any duties of this Agreement, without the prior express written consent of City. As to any approved subcontractors, Consultant shall be solely responsible for reimbursing them, and City shall have no obligation to them.

G. Responsibility of Consultant and Indemnification of City. Consultant covenants and agrees to take and assume all responsibility for the Work rendered in connection with this Agreement. Consultant shall bear all losses and damages directly or indirectly resulting to it and/or City on account of the performance or character of the Work rendered pursuant to this Agreement. Consultant shall defend, indemnify and hold harmless City and City's elected and appointed officials, officers, boards, commissions, employees, representatives, consultants, servants, agents, attorneys and volunteers (individually an "Indemnified Party" and collectively "Indemnified Parties") from and against any and all claims, suits, actions, judgments, injuries, damages, losses, costs, expenses and liability of any kind whatsoever, including but not limited to attorney's fees and costs of defense ("Liabilities"), which may arise from or be the result of an alleged willful, negligent or tortious act or omission arising out of the Work, performance of contracted services, or operations by Consultant, any subcontractor, anyone directly or indirectly employed by Consultant or subcontractor or anyone for whose acts or omissions Consultant or subcontractor may be liable, regardless of whether or not the act or omission is caused in part by a party indemnified hereunder; provided that this indemnity obligation shall only apply to the extent Liabilities are caused by or result from the negligence, recklessness, or intentionally wrongful conduct of the Consultant or other persons employed or utilized by the Consultant in the performance of this Agreement. This indemnity obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in this provision.

In any and all claims against an Indemnified Party, by any employee of Consultant, its subcontractor, anyone directly or indirectly employed by Consultant or subcontractor or anyone for whose acts Consultant or subcontractor may be liable, the indemnification obligation set forth in this provision shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for Consultant or any subcontractor under workers' or workmen's compensation acts, disability benefit acts or other employee benefit acts. This obligation to indemnify, defend, and hold harmless the Indemnified Party(ies) shall survive

expiration or termination of this Agreement, provided that the claims are based upon or arise out of actions or omissions that occurred during the performance of this Agreement.

H. Independent Contractor. Consultant hereby covenants and declares that it is engaged in an independent business and agrees to perform the Work as an independent contractor and not as the agent or employee of City. Nothing in this Agreement shall be construed to make Consultant or any of its employees, servants, or subcontractors, an employee, servant or agent of City for any purpose. Consultant agrees to be solely responsible for its own matters relating to the time and place the Work is performed and the method used to perform such Work; the instrumentalities, tools, supplies and/or materials necessary to complete the Work; hiring of consultants, agents or employees to complete the Work; and the payment of employees, including benefits and compliance with Social Security, withholding and all other regulations governing such matters. Consultant agrees to be solely responsible for its own acts and those of its subordinates, employees, and subcontractors during the life of this Agreement. There shall be no contractual relationship between any subcontractor or supplier and City by virtue of this Agreement with Consultant. Any provisions of this Agreement that may appear to give City the right to direct Consultant as to the details of the services to be performed by Consultant or to exercise a measure of control over such services will be deemed to mean that Consultant shall follow the directions of City with regard to the results of such services only. It is further understood that this Agreement is not exclusive, and City may hire additional entities to perform the Work related to this Agreement.

Inasmuch as City and Consultant are independent of each other, neither has the authority to bind the other to any third person or otherwise to act in any way as the representative of the other, unless otherwise expressly agreed to in writing signed by both Parties hereto. Consultant agrees not to represent itself as City's agent for any purpose to any party or to allow any employee of Consultant to do so, unless specifically authorized, in advance and in writing, to do so, and then only for the limited purpose stated in such authorization. Consultant shall assume full liability for any contracts or agreements Consultant enters into on behalf of City without the express knowledge and prior written consent of City.

I. Insurance.

The above requirements shall be in addition to the requirements of state and federal law, and shall be construed to be in conformity with those laws.

K. Records, Reports and Audits.

(1) Records:

- (a) Books, records, documents, account ledgers, data bases, and similar materials relating to the Work performed for City under this Agreement ("Records") shall be established and maintained by Consultant in accordance with applicable law and requirements prescribed by City with respect to all matters covered by this Agreement. Consultant shall provide proper facilities for City or City's representative(s) to access and inspect the Records, or, at the request of City, shall make the Records available for inspection at City's office. Further, Consultant shall permit City or City's representative(s) to observe and inspect any or all of Consultant's facilities and activities during normal hours of business for the purpose of evaluating Consultant's compliance with the terms of this Agreement. In such instances, City or City's representative(s) shall not interfere with or disrupt such activities.

L. Ethics Code; Conflict of Interest. Consultant agrees that it shall not engage in any activity or conduct that would result in a violation of the City of Milton Code of Ethics or any other similar law or regulation. Consultant certifies that to the best of its knowledge no circumstances exist which will cause a conflict of interest in performing the Work. Should Consultant become aware of any circumstances that may cause a conflict of interest during the Term of this Agreement, Consultant shall immediately notify City. If City determines that a conflict of interest exists, City may require that Consultant take action to remedy the conflict of interest or terminate the Agreement without liability. City shall have the right to recover any fees paid for services rendered by Consultant when such services were performed while a conflict of interest existed if Consultant had knowledge of the conflict of interest and did not notify City within five (5) business days of becoming aware of the existence of the conflict of interest.

Consultant and City acknowledge that it is prohibited for any person to offer, give, or agree to give any City employee or official, or for any City employee or official to solicit, demand, accept, or agree to accept from another person, a gratuity of more than nominal value or rebate or

an offer of employment in connection with any decision, approval, disapproval, recommendation, or preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing, or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim or controversy, or other particular matter, pertaining to any program requirement or a contract or subcontract, or to any solicitation or proposal therefor. Consultant and City further acknowledge that it is prohibited for any payment, gratuity, or offer of employment to be made by or on behalf of a sub-consultant under a contract to the prime Consultant or higher tier sub-consultant, or any person associated therewith, as an inducement for the award of a subcontract or order.

M. Confidentiality. Consultant acknowledges that it may receive confidential information of City and that it will protect the confidentiality of any such confidential information and will require any of its subcontractors, consultants, and/or staff to likewise protect such confidential information. Consultant agrees that confidential information it learns or receives or such reports, information, opinions or conclusions that Consultant creates under this Agreement shall not be made available to, or discussed with, any individual or organization, including the news media, without prior written approval of City. Consultant shall exercise reasonable precautions to prevent the unauthorized disclosure and use of City information whether specifically deemed confidential or not.

Consultant acknowledges that City's disclosure of documentation is governed by Georgia's Open Records Act, and Consultant further acknowledges that if Consultant submits records containing trade secret information, and if Consultant wishes to keep such records confidential, Consultant must submit and attach to such records an affidavit affirmatively declaring that specific information in the records constitutes trade secrets pursuant to Article 27 of Chapter 1 of Title 10, and the Parties shall follow the requirements of O.C.G.A. § 50-18-72(a)(34) related thereto.

N. Key Personnel. All of the individuals identified in **Exhibit "F"**, attached hereto, are necessary for the successful completion of the Work due to their unique expertise and depth and breadth of experience. There shall be no change in Consultant's Project Manager or members of the Project team, as listed in **Exhibit "F"**, without written approval of City. Consultant recognizes that the composition of this team was instrumental in City's decision to award the Work to Consultant and that compelling reasons for substituting these individuals must be demonstrated for City's consent to be granted. Any substitutes shall be persons of comparable or superior expertise and experience. Failure to comply with the provisions of this paragraph shall constitute a material breach of Consultant's obligations under this Agreement and shall be grounds for termination.

O. Meetings. Consultant is required to meet with City's personnel, or designated representatives, to resolve technical or contractual problems that may occur during the Term of this Agreement at no additional cost to City. Meetings will occur as problems arise and will be coordinated by City. City shall inform Consultant's Representative of the need for a meeting and of the date, time and location of the meeting at least three (3) full business days prior to the date of the meeting. Face-to-face meetings are desired. However, at Consultant's option and expense, a conference call meeting may be substituted. Consistent failure to participate in problem

resolution meetings, two consecutive missed or rescheduled meetings, or failure to make a good faith effort to resolve problems, may result in termination of this Agreement for cause.

P. Authority to Contract. The individual executing this Agreement on behalf of Consultant covenants and declares that it has obtained all necessary approvals of Consultant's board of directors, stockholders, general partners, limited partners or similar authorities to simultaneously execute and bind Consultant to the terms of this Agreement, if applicable.

Q. Ownership of Work. All reports, designs, drawings, plans, specifications, schedules, work product and other materials, including, but not limited to, those in electronic form, prepared or in the process of being prepared for the Work to be performed by Consultant ("Materials") shall be the property of City, and City shall be entitled to full access and copies of all Materials in the form prescribed by City. Any Materials remaining in the hands of Consultant or subcontractor upon completion or termination of the Work shall be delivered immediately to City whether or not the Project or Work is commenced or completed; provided, however, that Consultant may retain a copy of any deliverables for its records. Consultant assumes all risk of loss, damage or destruction of or to Materials. If any Materials are lost, damaged or destroyed before final delivery to City, Consultant shall replace them at its own expense. Any and all copyrightable subject matter in all Materials is hereby assigned to City, and Consultant agrees to execute any additional documents that may be necessary to evidence such assignment.

R. Nondiscrimination. In accordance with Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000d, section 303 of the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6102, section 202 of the Americans with Disabilities Act of 1990, 42 U.S.C. § 12132, and all other provisions of Federal law, Consultant agrees that, during performance of this Agreement, Consultant, for itself, its assignees and successors in interest, will not discriminate against any employee or applicant for employment, any subcontractor, or any supplier because of race, color, creed or belief, political affiliation, national origin, gender, age or disability. In addition, Consultant agrees to comply with all applicable implementing regulations and shall include the provisions of this paragraph in every subcontract for services contemplated under this Agreement.

S. Consultants Assisting with Procurement. As required by O.C.G.A. § 36-80-28, if the Agreement requires the Consultant to prepare, develop, or draft specifications or requirements for a solicitation (including bids, requests for proposals, procurement orders, or purchase orders) or to serve in a consultative role during a bid or proposal evaluation or negotiation process: (a) the Consultant shall avoid any appearance of impropriety and shall follow all ethics and conflict-of-interest policies and procedures of the City; (b) the Consultant shall immediately disclose to the City any material transaction or relationship, including, but not limited to, that of the Consultant, the Consultant's employees, or the Consultant's agents or subsidiaries, that reasonably could be expected to give rise to a conflict of interest, including, but not limited to, past, present, or known prospective engagements, involvement in litigation or other dispute, client relationships, or other business or financial interest, and shall immediately disclose any material transaction or relationship subsequently discovered during the pendency of the Agreement; and (c) the Consultant agrees and acknowledges that any violation or threatened violation of this

paragraph may cause irreparable injury to the City, entitling the City to seek injunctive relief in addition to all other legal remedies.

V. COVENANTS OF CITY

A. **Right of Entry.** City shall provide for right of entry for Consultant and all necessary equipment as required for Consultant to complete the Work; provided that Consultant shall not unreasonably encumber the Project site(s) with materials or equipment.

B. **City's Representative.** Robert Buscemi shall be authorized to act on City's behalf with respect to the Work as City's designated representative on this Project; provided that any changes to the Work or the terms of this Agreement must be approved as provided in Section II above.

VI. TERMINATION

A. **For Convenience.** City may terminate this Agreement for convenience at any time upon providing written notice thereof at least seven (7) calendar days in advance of the termination date.

B. **For Cause.** Consultant shall have no right to terminate this Agreement prior to completion of the Work, except in the event of City's failure to pay Consultant within thirty (30) calendar days of Consultant providing City with notice of a delinquent payment and an opportunity to cure. In the event of Consultant's breach or default under this Agreement, City may terminate this Agreement for cause. City shall give Consultant at least seven (7) calendar days' written notice of its intent to terminate the Agreement for cause and the reasons therefor. If Consultant fails to cure the breach or default within that seven (7) day period, or otherwise remedy the breach or default to the reasonable satisfaction of City, then City may, at its election: (a) in writing terminate the Agreement in whole or in part; (b) cure such default itself and charge Consultant for the costs of curing the default against any sums due or which become due to Consultant under this Agreement; and/or (c) pursue any other remedy then available, at law or in equity, to City for such default.

C. **Statutory Termination.** In compliance with O.C.G.A. § 36-60-13, this Agreement shall be deemed terminated as provided in I(D) of this Agreement. Further, this Agreement shall terminate immediately and absolutely at such time as appropriated or otherwise unobligated funds are no longer available to satisfy the obligation of City.

D. **Payment Upon Termination.** Upon termination, City shall provide for payment to Consultant for services rendered and, where authorized, expenses incurred prior to the termination date; provided that, where this Agreement is terminated for cause, City may deduct from such payment any portion of the cost for City to complete (or hire someone to complete) the Work, as determined at the time of termination, not otherwise covered by the remaining unpaid Maximum Contract Price.

E. **Conversion to Termination for Convenience.** If City terminates this Agreement

for cause and it is later determined that City did not have grounds to do so, the termination will be converted to and treated as a termination for convenience under the terms of Section VI(A) above.

F. Requirements Upon Termination. Upon termination, Consultant shall: (1) promptly discontinue all services, cancel as many outstanding obligations as possible, and not incur any new obligations, unless the City directs otherwise; and (2) promptly deliver to City all data, drawings, reports, summaries, and such other information and materials as may have been generated or used by Consultant in performing this Agreement, whether completed or in process, in the form specified by City.

G. Reservation of Rights and Remedies. The rights and remedies of City and Consultant provided in this Article are in addition to any other rights and remedies provided under this Agreement or at law or in equity.

VII. MISCELLANEOUS

A. Entire Agreement. This Agreement, including any exhibits hereto, constitutes the complete agreement between the Parties and supersedes any and all other agreements, either oral or in writing, between the Parties with respect to the subject matter of this Agreement. No other agreement, statement or promise relating to the subject matter of this Agreement not contained in this Agreement shall be valid or binding. This Agreement may be modified or amended only by a written Change Order (as provided in Section II above) or other document signed by representatives of both Parties with appropriate authorization.

Any action or suit related to this Agreement shall be brought in the Superior Court of Fulton County, Georgia, or the U.S. District Court for the Northern District of Georgia – Atlanta Division, and Consultant submits to the jurisdiction and venue of such court.

D. Captions and Severability. All headings herein are intended for convenience and ease of reference purposes only and in no way define, limit or describe the scope or intent thereof, or of this Agreement, or in any way affect this Agreement. Should any article(s) or section(s) of this Agreement, or any part thereof, later be deemed illegal, invalid or unenforceable by a court of competent jurisdiction, the offending portion of the Agreement should be severed, and the remainder of this Agreement shall remain in full force and effect to the extent possible as if this Agreement had been executed with the invalid portion hereof eliminated, it being the intention of the Parties that they would have executed the remaining portion of this Agreement without including any such part, parts, or portions that may for any reason be hereafter declared in valid.

E. Business License. Prior to commencement of the Work to be provided hereunder, Consultant shall apply to City for a business license, pay the applicable business license fee, and maintain said business license during the Term of this Agreement, unless Consultant provides evidence that no such license is required.

F. Notices.

- (1) **Communications Relating to Day-to-Day Activities.** All communications relating to the day-to-day activities of the Work shall be exchanged between City's Representative (named above) for City and Consultant's Representative (named above) for Consultant.

G. Waiver of Agreement. No failure by City to enforce any right or power granted under this Agreement, or to insist upon strict compliance by Consultant with this Agreement, and no custom or practice of City at variance with the terms and conditions of this Agreement shall constitute a general waiver of any future breach or default or affect City's right to demand exact and strict compliance by Consultant with the terms and conditions of this Agreement. Further, no express waiver shall affect any Term or condition other than the one specified in such waiver, and that one only for the time and manner specifically stated.

H. Survival. All sections of this Agreement which by their nature should survive termination will survive termination, including, without limitation, confidentiality obligations and insurance maintenance requirements.

I. No Third Party Rights. This Agreement shall be exclusively for the benefit of the Parties and shall not provide any third parties with any remedy, claim, liability, reimbursement, cause of action or other right.

J. Sovereign Immunity; Ratification. Nothing contained in this Agreement shall be construed to be a waiver of City's sovereign immunity or any individual's qualified, good faith or official immunities. Ratification of this Agreement by a majority of the Mayor and City Council shall authorize the Mayor to execute this Agreement on behalf of City.

K. No Personal Liability. Nothing herein shall be construed as creating any individual or personal liability on the part of any of City's elected or appointed officials, officers, boards, commissions, employees, representatives, consultants, servants, agents, attorneys or volunteers. No such individual shall be personally liable to Consultant or any successor in interest in the event of any default or breach by City or for any amount which may become due to Consultant or successor or on any obligation under the terms of this Agreement. Likewise, Consultant's performance of services under this Agreement shall not subject Consultant's individual employees, officers, or directors to any personal contractual liability, except where Consultant is a sole proprietor. The Parties agree that, except where Consultant is a sole proprietor, their sole and exclusive remedy, claim, demand or suit for contractual liability shall be directed and/or asserted only against Consultant or City, respectively, and not against any elected or appointed official, officers, boards, commissions, employees, representatives, consultants, servants, agents, attorneys and volunteers.

L. Counterparts; Agreement Construction and Interpretation. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument. Consultant represents that it has reviewed and become familiar with this Agreement and has notified City of any discrepancies, conflicts or errors herein. In the event of a conflict in the terms of this Agreement and/or the exhibits attached hereto, the terms most beneficial to City shall govern. The Parties hereto agree that, if an ambiguity or question of intent or interpretation arises, this Agreement is to be construed as if the Parties had drafted it jointly, as opposed to being construed against a Party because it was responsible for drafting one or more provisions of the Agreement. In the interest of brevity, the Agreement may omit modifying words such as "all" and "any" and articles such as "the" and "an," but the fact that a modifier or an article is absent from one statement and appears in another is not intended to affect the interpretation of either statement. Words or terms used as nouns in the Agreement shall be inclusive of their singular and plural forms, unless the context of their usage clearly requires contrary meaning.

M. Force Majeure. Neither City nor Consultant shall be liable for its respective non-negligent or non-willful failure to perform or shall be deemed in default with respect to the failure to perform (or cure a failure to perform) any of its respective duties or obligations under this Agreement or for any delay in such performance due to: (i) any cause beyond its respective reasonable control; (ii) any act of God; (iii) any change in applicable governmental rules or regulations rendering the performance of any portion of this Agreement legally impossible; (iv) earthquake, fire, explosion or flood; (v) strike or labor dispute, excluding strikes or labor disputes

by employees and/or agents of Consultant; (vi) delay or failure to act by any governmental or military authority; or (vii) any war, hostility, embargo, sabotage, civil disturbance, riot, insurrection or invasion. In such event, the time for performance shall be extended by an amount of time equal to the period of delay caused by such acts, and all other obligations shall remain intact.

N. **Material Condition.** Each term of this Agreement is material, and Consultant's breach of any term of this Agreement shall be considered a material breach of the entire Agreement and shall be grounds for termination or exercise of any other remedies available to City at law or in equity.

RE: New 2023 Impact Fee Program

Bob --

This is to propose consulting services to the City of Milton regarding the preparation of a complete update through amendment of the City's Impact Fee Program in 2023. This proposal will constitute a new contract replacing our original contract of July 20, 2020 and Change Order #1. It is separate from, and will not amend, our recently approved purchased order to complete the 2023 Annual Update.

Our services will include advice and assistance to the City regarding the preparation of a complete update of the original Impact Fee Methodology Report of 2015 (as partially revised in 2022) with up-to-date impact fee calculations, an amended Capital Improvements Element, the preparation of a revised impact fee schedule to be used as an amendment to the existing Impact Fee Ordinance, and updates to our Microsoft Access-based fee collection program and Administrator's Implementation Manual to reflect the new impact fee schedule and associated land uses.

The results of our proposed services will be the completion of an updated impact fee program for the City meeting all legal and administrative requirements, including an updated impact fee schedule and amended Impact Fee Ordinance.

Our assistance will include the following items:

1. Review of and revisions to the public facilities projects in the current impact fee program, with specific attention to possible changes in any or all of the four public facility categories (parks and recreation, fire protection, police, and roads), and including any applicable updates to the projects and estimated costs in any of these public facility categories.
2. An updated Impact Fee Methodology Report will be prepared, including new impact fee calculations which will reflect any necessary changes in the following areas:
 - a. Population and dwelling unit projections incorporating the recent projections we prepared for the "build-out" scenario as well as new employment projections for the city extended to the year 2045;
 - b. Tax digest or TSPLOST forecasts, as applicable;

- c. Updated facility inventories and level of service standards for the four public facility categories;
 - d. Project cost estimates and actual costs for completed projects;
 - e. Estimated public facility project ‘start’ dates; and,
 - f. The calculation of ‘net present value’ for any and all dollar amounts, reflecting the applicable savings interest rate and ENR’s Building and Construction Cost Indices.
3. Attendance at one City Council work session to review the fully updated Methodology Report, which then will be finalized reflecting the Council’s comments.
 4. Preparation of an amended Capital Improvements Element (CIE) based on the finalized Methodology Report and including an updated 5-Year Community Work Program.
 5. Preparation of a transmittal resolution and suggested public notice language for the CIE Amendment Transmittal Public Hearing.
 6. Attendance at the one State-mandated public hearing before the City Council on transmittal of the amended CIE by staff for regional and state review.
 7. Review of comments from DCA or the Atlanta Regional Commission (if any) on the draft CIE.
 8. Review and update of the current Impact Fee Ordinance text to conform to any new requirements presented by the latest amendment of the State Law or DCA requirements, which will be finalized upon review and input by the City Attorney.
 9. Preparation of an updated maximum impact fee schedule for discussion as an amendment to the Impact Fee Ordinance, and attendance at one City Council meeting to discuss and finalize the fee schedule to be adopted.
 10. Attendance at the two State-mandated public hearings before the City Council regarding adoption of the amended Impact Fee Ordinance.
 11. Preparation of an adoption resolution and attendance at one meeting of the City Council to adopt the amended CIE and amended Impact Fee Ordinance. It is intended that the adoption of the CIE and the Ordinance will occur at the second public hearing on the Ordinance.
 12. Delivery of the final adopted CIE to be forwarded to ARC by staff.
 13. Preparation of an updated impact fee database (in Microsoft Access) to include the new fee schedule.
 14. Such additional services that the City may specifically request.

Our compensation will be billed on a lump sum basis for items 1 through 13 (the complete impact fee program amendment) at a total not to exceed \$48,700.¹ Additional services requested by

¹ Bear in mind that the work described here qualifies as a “system improvement cost” under the impact fee law, and can be recouped as a portion of the City’s impact fee collections for each public facility category.

the City under item 14, if any, would be invoiced on an hourly basis for professional and travel time at our standard hourly rates, as mutually agreeable between us. Note that we are always available to answer questions and provide advice that are easily responded to and do not involve research and reports, pro bono.

We have enjoyed our past years of service to the City on its impact fee program and look forward to working with you and the City Staff on this project again.

Sincerely,
