MEETING DATE:	April 13, 2026	Regular
DEPARTMENT:	Parks & Rec	Tom McKlveen, Parks & Recreation Director
SECTION OF AGENDA	Consent Agenda	
AGENDA ITEM TITLE:	Approval of an Agreement for Operation of Parking Services and Addendum No. 1 between the City of Milton and Selig Enterprises, Inc. dba AAA Parking for the Operation of Parking Services for the 2026 Meet the Neighbors Event.	
STATEMENT OF PURPOSE:	To hire a professional parking company to manage parking for the annual Meet the Neighbors event at Freemanville/Birmingham Greenspace, ensuring a safe, organized, and efficient experience for attendees while allowing staff to focus on other event operations.	
FINANCIAL IMPACT:	Under the agreement with Selig Enterprises, Inc. dba AAA Parking, the City will pay \$1,228.00 for parking management services, including one parking manager and three attendants on-site from 7:30 a.m. to 3:30 p.m. on Saturday, April 18.	
RECOMMENDED ACTION:	Authorize the City to hire AAA Parking to manage event parking	
ALTERNATIVES:	Staff-managed parking (may require significant staff time and resources), engage an alternative vendor (likely to be more costly as AAA was the lowest bidder), or limit on-site parking (may reduce attendance)

BACKGROUND:

The City of Milton, in partnership with the Milton Equestrian Committee, will once again host its annual Meet the Neighbors event at the Freemanville/Birmingham Greenspace. As this location is a pasture with a small gravel lot, staff have historically utilized the central area of the greenspace for attendee parking. However, organizing parking in this area has presented ongoing challenges.

The gravel and pasture areas do not have marked parking spaces, and the pasture's terrain variations can make parking difficult to manage. These conditions have historically made it challenging for staff to direct parking efficiently while also handling the remainder of event logistics.

To address these challenges, the City of Milton proposes hiring a professional parking company with extensive experience managing event parking logistics. The proposed plan includes one on-site parking manager and three parking attendants. The company will also supply all necessary equipment, including cones, handicapped parking signage, and any additional materials required to safely and effectively direct traffic and organize parking.

This partnership will ensure smoother parking experience for event attendees and allow staff to focus on other important aspects of event execution.

ANALYSIS:

The Greenspace's unmarked terrain makes parking management challenging. Hiring AAA Parking, the lowest qualified bidder, will provide trained staff and equipment to ensure safe, organized and efficient parking for the Meet the Neighbor event.

Three quotes were obtained by staff and AAA Parking was the lowest qualified bidder for the work.

STAFF RECOMMENDATION:

Authorize the City to hire AAA Parking to manage parking.

subcontractor's execution of the subcontractor affidavit, the form of which is attached hereto as Addendum Exhibit "B", which subcontractor affidavit shall become part of the contractor/subcontractor agreement.
