

Proclamation

To “Imagine the Possible” as part of Recognizing Georgia Cities Week

WHEREAS, the Georgia Municipal Association has spearheaded Georgia Cities Week for the past 26 years to highlight services, projects, and programs in municipal governments; and

WHEREAS, Milton celebrated the most recent edition between April 21 through 26, which had a theme of “Imagine the Possible” playing off how cities think big to make major positive impacts benefitting their communities in the short and long-term; and

WHEREAS, the City of Milton highlighted ways we serve our citizens, businesses, and others; hosted a family-friendly event at Milton City Park and Preserve; and welcomed people to meet our Police and Fire chiefs over the course of the week; and

WHEREAS, even more importantly, and as we do every week of the year, our government continued providing the outstanding customer service that led to us being recognized as Number 1 in service among local governments nationwide; and

WHEREAS, members of Team Milton routinely go above-and-beyond to assist, engage with, and generally serve any way we can; and

WHEREAS, we see public service as a calling and know we are blessed with caring, collaborative partners in the people of Milton.

Now, therefore, we — the Mayor and City Council of the City of Milton — recognize the recent Georgia Cities Week and the relentless, dedicated efforts of our team members to serve our community.

Given under my hand and seal of the City of Milton, Georgia on this 28th day of April 2025.

Peyton Jamison, Mayor
