B. Change Order Requirement. Any work added to the scope of this Agreement by a Change Order shall be executed under all the applicable conditions of this Agreement. No claim for additional compensation or extension of time shall be recognized, unless contained in a written Change Order duly executed on behalf of City and Consultant.

C. Authority to Execute Change Order. The City Manager has authority to execute, without further action of the Mayor or City Council, any number of Change Orders so long as their total effect does not materially alter the terms of this Agreement or materially increase the Maximum Contract Price, as set forth in Section III(B) below. Any such Change Orders materially altering the terms of this Agreement, or any Change Order affecting the price where the Maximum Contract Price (as amended) is in excess of \$50,000, must be approved by resolution of the Mayor and City Council. Amendments shall not result in a variance in price exceeding ten percent of the original contract amount.

The compensation for Work performed shall be based upon a lump sum fee.

C. **Reimbursement for Costs.** The Maximum Contract Price set forth in Section III(B) above includes all costs, direct and indirect, needed to perform the Work and complete the Project, and reimbursement for costs incurred shall be limited as follows:

☒ There shall be no reimbursement for costs.

IV. COVENANTS OF CONSULTANT

A. **Expertise of Consultant; Licenses, Certification and Permits.** Consultant accepts the relationship of trust and confidence established between it and City, recognizing that City's intention and purpose in entering into this Agreement is to engage an entity with the requisite capacity, experience, and professional skill and judgment to provide the Work in pursuit of the timely and competent completion of the Work undertaken by Consultant under this Agreement. Consultant shall employ only persons duly qualified in the appropriate area of expertise to perform the Work described in this Agreement.

Consultant covenants and declares that it has obtained all diplomas, certificates, licenses, permits or the like required of Consultant by any and all national, state, regional, county, or local boards, agencies, commissions, committees or other regulatory bodies in order to perform the Work contracted for under this Agreement. Further, Consultant agrees that it will perform all Work in accordance with the standard of care and quality ordinarily expected of competent professionals and in compliance with all federal, state, and local laws, regulations, codes, ordinances, or orders applicable to the Project, including, but not limited to, any applicable records retention requirements and Georgia's Open Records Act (O.C.G.A. § 50-18-71, *et seq.*). Any additional work or costs incurred as a result of error and/or omission by Consultant as a result of not meeting the applicable standard of care or quality will be provided by Consultant at no additional cost to City. This provision shall survive termination of this Agreement.

B. **Budgetary Limitations.** Consultant agrees and acknowledges that budgetary limitations are not a justification for breach of sound principals of Consultant's profession and industry. Consultant shall take no calculated risk in the performance of the Work. Specifically, Consultant agrees that, in the event it cannot perform the Work within the budgetary limitations established without disregarding sound principles of Consultant's profession and industry, Consultant will give written notice immediately to City.

C. **City's Reliance on the Work.** Consultant acknowledges and agrees that City does not undertake to approve or pass upon matters of expertise of Consultant and that, therefore, City bears no responsibility for Consultant's Work performed under this Agreement. Consultant acknowledges and agrees that the acceptance of Work by City is limited to the function of determining whether there has been compliance with what is required to be produced under this Agreement. City will not, and need not, inquire into adequacy, fitness, suitability or correctness of Consultant's performance. Consultant further agrees that no approval of designs, plans, specifications or other work product by any person, body or agency shall relieve Consultant of the responsibility for adequacy, fitness, suitability, and correctness of Consultant's Work under

professional and industry standards, or for performing services under this Agreement in accordance with sound and accepted professional and industry principles.

D. **Consultant's Reliance on Submissions by City.** Consultant must have timely information and input from City in order to perform the Work required under this Agreement. Consultant is entitled to rely upon information provided by City, but Consultant shall provide immediate written notice to City if Consultant knows or reasonably should know that any information provided by City is erroneous, inconsistent, or otherwise problematic.

E. **Consultant's Representative.** Bill Wohlford [INSERT NAME] shall be authorized to act on Consultant's behalf with respect to the Work as Consultant's designated representative, provided that this designation shall not relieve either Party of any written notice requirements set forth elsewhere in this Agreement.

F. **Assignment of Agreement.** Consultant covenants and agrees not to assign or transfer any interest in, or delegate any duties of this Agreement, without the prior express written consent of City. As to any approved subcontractors, Consultant shall be solely responsible for reimbursing them, and City shall have no obligation to them.

G. **Responsibility of Consultant and Indemnification of City.** Consultant covenants and agrees to take and assume all responsibility for the Work rendered in connection with this Agreement. Consultant shall bear all losses and damages directly or indirectly resulting to it and/or City on account of the performance or character of the Work rendered pursuant to this Agreement. Consultant shall defend, indemnify and hold harmless City and City's elected and appointed officials, officers, boards, commissions, employees, representatives, consultants, servants, agents, attorneys and volunteers (individually an "Indemnified Party" and collectively "Indemnified Parties") from and against any and all claims, suits, actions, judgments, injuries, damages, losses, costs, expenses and liability of any kind whatsoever, including but not limited to attorney's fees and costs of defense ("Liabilities"), which may arise from or be the result of an alleged willful, negligent or tortious act or omission arising out of the Work, performance of contracted services, or operations by Consultant, any subcontractor, anyone directly or indirectly employed by Consultant or subcontractor or anyone for whose acts or omissions Consultant or subcontractor may be liable, regardless of whether or not the act or omission is caused in part by a party indemnified hereunder; provided that this indemnity obligation shall only apply to the extent Liabilities are caused by or result from the negligence, recklessness, or intentionally wrongful conduct of the Consultant or other persons employed or utilized by the Consultant in the performance of this Agreement. This indemnity obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in this provision.

In any and all claims against an Indemnified Party, by any employee of Consultant, its subcontractor, anyone directly or indirectly employed by Consultant or subcontractor or anyone for whose acts Consultant or subcontractor may be liable, the indemnification obligation set forth in this provision shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for Consultant or any subcontractor under workers' or workmen's compensation acts, disability benefit acts or other employee benefit acts.

This obligation to indemnify, defend, and hold harmless the Indemnified Party(ies) shall survive expiration or termination of this Agreement, provided that the claims are based upon or arise out of actions or omissions that occurred during the performance of this Agreement.

H. Independent Contractor. Consultant hereby covenants and declares that it is engaged in an independent business and agrees to perform the Work as an independent contractor and not as the agent or employee of City. Nothing in this Agreement shall be construed to make Consultant or any of its employees, servants, or subcontractors, an employee, servant or agent of City for any purpose. Consultant agrees to be solely responsible for its own matters relating to the time and place the Work is performed and the method used to perform such Work; the instrumentalities, tools, supplies and/or materials necessary to complete the Work; hiring of consultants, agents or employees to complete the Work; and the payment of employees, including benefits and compliance with Social Security, withholding and all other regulations governing such matters. Consultant agrees to be solely responsible for its own acts and those of its subordinates, employees, and subcontractors during the life of this Agreement. There shall be no contractual relationship between any subcontractor or supplier and City by virtue of this Agreement with Consultant. Any provisions of this Agreement that may appear to give City the right to direct Consultant as to the details of the services to be performed by Consultant or to exercise a measure of control over such services will be deemed to mean that Consultant shall follow the directions of City with regard to the results of such services only. It is further understood that this Agreement is not exclusive, and City may hire additional entities to perform the Work related to this Agreement.

Inasmuch as City and Consultant are independent of each other, neither has the authority to bind the other to any third person or otherwise to act in any way as the representative of the other, unless otherwise expressly agreed to in writing signed by both Parties hereto. Consultant agrees not to represent itself as City's agent for any purpose to any party or to allow any employee of Consultant to do so, unless specifically authorized, in advance and in writing, to do so, and then only for the limited purpose stated in such authorization. Consultant shall assume full liability for any contracts or agreements Consultant enters into on behalf of City without the express knowledge and prior written consent of City.

I. Insurance.

Consultant recognizes that the composition of this team was instrumental in City's decision to award the Work to Consultant and that compelling reasons for substituting these individuals must be demonstrated for City's consent to be granted. Any substitutes shall be persons of comparable or superior

expertise and experience. Failure to comply with the provisions of this paragraph shall constitute a material breach of Consultant's obligations under this Agreement and shall be grounds for termination.

O. Meetings. Consultant is required to meet with City's personnel, or designated representatives, to resolve technical or contractual problems that may occur during the Term of this Agreement at no additional cost to City. Meetings will occur as problems arise and will be coordinated by City. City shall inform Consultant's Representative of the need for a meeting and of the date, time and location of the meeting at least three (3) full business days prior to the date of the meeting. Face-to-face meetings are desired. However, at Consultant's option and expense, a conference call meeting may be substituted. Consistent failure to participate in problem resolution meetings, two consecutive missed or rescheduled meetings, or failure to make a good faith effort to resolve problems, may result in termination of this Agreement for cause.

All reports, designs, drawings, plans, specifications, schedules, work product and other materials, including, but not limited to, those in electronic form, prepared or in the process of being prepared for the Work to be performed by Consultant ("Materials") shall be the property of City, and City shall be entitled to full access and copies of all Materials in the form prescribed by City. Any Materials remaining in the hands of Consultant or subcontractor upon completion or termination of the Work shall be delivered immediately to City whether or not the Project or Work is commenced or completed; provided, however, that Consultant may retain a copy of any deliverables for its records. Consultant assumes all risk of loss, damage or destruction of or to Materials. If any Materials are lost, damaged or destroyed before final delivery to City, Consultant shall replace them at its own expense. Any and all copyrightable subject matter in all Materials is hereby assigned to City, and Consultant agrees to execute any additional documents that may be necessary to evidence such assignment.

R. Nondiscrimination. In accordance with Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000d, section 303 of the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6102, section 202 of the Americans with Disabilities Act of 1990, 42 U.S.C. § 12132, and all other provisions of Federal law, Consultant agrees that, during performance of this Agreement, Consultant, for itself, its assignees and successors in interest, will not discriminate against any employee or applicant for employment, any subcontractor, or any supplier because of race, color, creed or belief, political affiliation, national origin, gender, age or disability. In addition, Consultant agrees to comply with all applicable implementing regulations and shall include the provisions of this paragraph in every subcontract for services contemplated under this Agreement.

S. Consultants Assisting with Procurement. As required by O.C.G.A. § 36-80-28, if the Agreement requires the Consultant to prepare, develop, or draft specifications or

VI. TERMINATION

- A. **For Convenience.** City may terminate this Agreement for convenience at any time upon providing written notice thereof at least seven (7) calendar days in advance of the termination date.
- B. **For Cause.** Consultant shall have no right to terminate this Agreement prior to completion of the Work, except in the event of City's failure to pay Consultant within thirty (30) calendar days of Consultant providing City with notice of a delinquent payment and an opportunity to cure. In the event of Consultant's breach or default under this Agreement, City may terminate this Agreement for cause. City shall give Consultant at least seven (7) calendar days' written notice of its intent to terminate the Agreement for cause and the reasons therefor. If Consultant fails to cure the breach or default within that seven (7) day period, or otherwise remedy the breach or default to the reasonable satisfaction of City, then City may, at its election: (a) in writing terminate the Agreement in whole or in part; (b) cure such default itself and charge Consultant for the costs of curing the default against any sums due or which become due to Consultant under this Agreement; and/or (c) pursue any other remedy then available, at law or in equity, to City for such default.

C. **Statutory Termination.** In compliance with O.C.G.A. § 36-60-13, this Agreement shall be deemed terminated as provided in I(D) of this Agreement. Further, this Agreement shall terminate immediately and absolutely at such time as appropriated or otherwise unobligated funds are no longer available to satisfy the obligation of City.

D. **Payment Upon Termination.** Upon termination, City shall provide for payment to Consultant for services rendered and, where authorized, expenses incurred prior to the termination date; provided that, where this Agreement is terminated for cause, City may deduct from such payment any portion of the cost for City to complete (or hire someone to complete) the Work, as determined at the time of termination, not otherwise covered by the remaining unpaid Maximum Contract Price.

E. **Conversion to Termination for Convenience.** If City terminates this Agreement for cause and it is later determined that City did not have grounds to do so, the termination will be converted to and treated as a termination for convenience under the terms of Section VI(A) above.

F. **Requirements Upon Termination.** Upon termination, Consultant shall: (1) promptly discontinue all services, cancel as many outstanding obligations as possible, and not incur any new obligations, unless the City directs otherwise; and (2) promptly deliver to City all data, drawings, reports, summaries, and such other information and materials as may have been generated or used by Consultant in performing this Agreement, whether completed or in process, in the form specified by City.

G. Waiver of Agreement. No failure by City to enforce any right or power granted under this Agreement, or to insist upon strict compliance by Consultant with this Agreement, and no custom or practice of City at variance with the terms and conditions of this Agreement shall constitute a general waiver of any future breach or default or affect City's right to demand exact and strict compliance by Consultant with the terms and conditions of this Agreement. Further, no express waiver shall affect any Term or condition other than the one specified in such waiver, and that one only for the time and manner specifically stated.

H. Survival. All sections of this Agreement which by their nature should survive termination will survive termination, including, without limitation, confidentiality obligations and insurance maintenance requirements.

I. No Third Party Rights. This Agreement shall be exclusively for the benefit of the Parties and shall not provide any third parties with any remedy, claim, liability, reimbursement, cause of action or other right.

J. Sovereign Immunity; Ratification. Nothing contained in this Agreement shall be construed to be a waiver of City's sovereign immunity or any individual's qualified, good faith or official immunities. In the event of a conflict in the terms of this Agreement and/or the exhibits attached hereto, the terms most beneficial to City shall govern. The Parties hereto agree that, if an ambiguity or question of intent or interpretation arises, this Agreement is to be construed as if the Parties had drafted it jointly, as opposed to being construed against a Party because it was responsible for drafting one or more provisions of the Agreement. In the interest of brevity, the Agreement may omit modifying words such as “all” and “any” and articles such as “the” and “an,” but the fact that a modifier or an article is absent from one statement and appears in another is not intended to affect the interpretation of either statement. Words or terms used as nouns in the Agreement shall be inclusive of their singular and plural forms, unless the context of their usage clearly requires contrary meaning.

M. Force Majeure. Neither City nor Consultant shall be liable for its respective non-negligent or non-willful failure to perform or shall be deemed in default with respect to the failure to perform (or cure a failure to perform) any of its respective duties or obligations under this Agreement or for any delay in such performance due to: (i) any cause beyond its respective reasonable control; (ii) any act of God; (iii) any change in applicable governmental rules or regulations rendering the performance of any portion of this Agreement legally impossible; (iv) earthquake, fire, explosion or flood; (v) strike or labor dispute, excluding strikes or labor disputes by employees and/or agents of CONSULTANT; (vi) delay or failure to act by any governmental or military authority; or (vii) any war, hostility, embargo, sabotage, civil disturbance, riot, insurrection or invasion. In such event, the time for performance shall be extended by an amount of time equal to the period of delay caused by such acts, and all other obligations shall remain intact.

N. Material Condition. Each term of this Agreement is material, and Consultant’s breach of any term of this Agreement shall be considered a material breach of the entire Agreement and shall be grounds for termination or exercise of any other remedies available to City at law or in equity.

TERMS & CONDITIONS

The provisions of the Agreement are for the sole benefit of the parties hereto and are not intended to benefit any person not a party to this Agreement, with the exception of those clauses relating to the sub-consultants. This Agreement shall not be assigned or transferred by either TM or the Client without prior written consent of the other. Notwithstanding the foregoing, however, TM shall not be prohibited from contracting with qualified sub-consultants or from assigning to a bank, trust company, or other financial institution any claims for compensation due, or to become due, without such prior written consent.

1. **EXTRA SERVICES:** TerraMark Land Surveying, Inc. (TM) shall provide extra services, not specifically called for in the Scope of Services, upon request or authorization of the Client. Any revisions to the Scope of Services during the duration of this Agreement due to changes in laws, regulations, policies, ordinances or Client's direction will subject the fees for the items affected to renegotiation. TM has no obligation to continue to furnish services pending renegotiations and is not liable for damages caused by delays due to revisions to Scope of Services, renegotiation, or any required changes or rescheduling of Client's work.

2. **TIME OF PERFORMANCE:** TM will commence work on or as soon as practicable after the date of execution of this Agreement and all work as set forth in the attached Scope of Services shall be completed in a timely manner, assuming the prompt submission of all required data and the scheduling of all meetings and reviews by the Client.

3. **COMPENSATION:** The fees in this Agreement apply only in the event that the particular phase of services is authorized or necessary. Execution of this Agreement will authorize the performance of all the specified services unless otherwise noted in writing on the Agreement.

An invoice covering progress payments due and reimbursable expenses shall be submitted to Client monthly by TM. The progress payment due shall include the portion of the fee earned based upon the percentage of the services performed, as determined by TM, all other services performed and not covered by the fee, and all costs advanced, including reimbursable expenses.

Payment is due when invoice is rendered. Any unpaid balance shall bear interest at the rate of 1 ½ % per month, starting at the end of the month following the month the invoice is dated. Client agrees to and shall pay to TM all costs and expenses for collection including but not limited to Attorney's Fees and court costs. Such costs shall be added to the account and bear interest at the rate set forth above.

If Client should fail to pay TM within sixty (60) days after the date of the invoice TM shall have the right, upon seven (7) days written notice to Client, to stop work on Project until payment of the amount owing, including all interest charges and collection costs, has been received. The "date of invoice" shall be the date entered on the first invoice for the services in question.

In the event Project is sold or transferred while a balance remains due and owing to TM, Client agrees to direct settlement Attorney to notify TM of the date and place of settlement and Client hereby authorizes and instructs said settlement Attorney, without the necessity of further authorization or instruction, to withhold from the funds arising out of said sale or transfer sufficient funds to pay said balance due, including interest, and to immediately transfer such payment to TM upon settlement.

Standard hourly rates for any services performed on a time (hourly) basis or for any services not covered in this Agreement are as shown on Attachment "B". General consulting or coordination services, including but not limited to preparation for and attendance at meetings, will be billed at the standard hourly rates set forth below. The fees and rates in this Agreement are subject to escalation after a period of six months from the date first above written, and annually thereafter.

If orders are placed for less units than the minimum number of units quoted, TM may, at its option, charge fees based on the standard hourly rates set forth below. If less than one day's field work is ordered, standard hourly rates will be charged with a minimum charge of \$450.00. Stakeouts, if quoted on other than hourly basis, are for one time only.

4. **PERSONNEL:** TM represents that they have, or will secure at their own expense, all personnel required to perform the services under this Agreement and that such personnel will be fully qualified to perform such services. Should the Scope of Services require TM to retain outside sub-consulting services, TM may do so upon written authorization by the Client, and the Client shall compensate TM for such sub-consulting services.

5. **RESPONSIBILITIES OF THE CLIENT:** It is agreed that the Client will have the following responsibilities under this Agreement:

- A. The provision of all available information, data, reports, records, and maps to which the Client has access and which are needed by TM for the performance of the services provided for herein.
- B. Providing for assistance and cooperation for TM in obtaining any other needed material, which the Client does not have in its possession.
- C. Making available the services of the Client as may be necessary to obtain information as needed to perform the work program set forth in the Scope of Services.
- D. The designation of a single representative who will be authorized to make necessary decisions required on behalf of the Client and will serve to provide the necessary direction and coordination for the Project.
- E. Bear all costs for permitting, processing fees, bonds, taxes and/or advertising for the Project.
- F. Provide access to all affected private property for TM to perform all necessary surveying, engineering and inspections.
- G. Provide protection and maintenance of all stakeout hubs and control points at all times and should include appropriate provisions in all Agreements and subcontracts. In the event that any survey points are destroyed, damaged, or lost, or made inaccessible by construction activity, vandalism, or other cause beyond the control of TM and must be replaced, charges for the replacement will be on an hourly basis at the standard hourly rates set forth below. TM is not liable for damages due to errors in location or elevation where stakeout hubs and points have not been preserved. In case of dispute regarding such error, TM field notes will govern.
- H. ☐ If box is marked, an up-to-date title report and all supporting documents are to be furnished to TM by Client, prior to commencement of work.

All such Client responsibilities shall be conducted in a timely manner and without undue delay so as not to delay TM in the performance of its services. TM is not responsible for the accuracy or validity of information obtained from others and utilized in the services covered under this Agreement.

6. **OPINION OF STUDIES AND PROBABLE CONSTRUCTION COSTS:** Because of their preliminary nature, Client acknowledges that neither TM nor its sub-consultants are responsible for damages or losses incurred through the use of studies, concept plans, sketch plans, preliminary plans, site assessments, or cost estimates prepared by TM in excess of the charges made for these services.

7. **OWNERSHIP OF MATERIALS:** All drawings, plans, maps, photographs, data and copies thereof remaining in TM's possession are the property of TM and subject to its sole discretionary control. TM reserves all of its rights in any drawings, plans, photographs, and data and copies thereof furnished to Client or to others and may preserve its rights under Federal Copyright Law. Any further use of this data is subject to separate renegotiation and fee. Any special requirements as to form or content of the instruments of service (including, plans, drawings, and specifications) must be agreed to in advance and specified in this Agreement.

8. **DELAYS BEYOND THE CONTROL OF TM:** It is agreed that events which are beyond the control of TM may occur which may delay the performance of the Scope of Services. In the event that the performance of the Scope of Services by TM is delayed beyond their control, TM shall notify the Client of such delay and the reasons therefore, and the Client shall extend the time of performance appropriately. TM is not liable for damages caused by delays in performance of the services which arise from events beyond its reasonable control.

9. **CHANGES:** It is agreed that events which are beyond the control of TM may occur which may, from time to time, request modifications or changes in the Scope of Services. Such changes, including any increase or decrease in the amount of TM's compensation, which are mutually agreed upon by and between the Client and TM, shall be incorporated in written amendments.

10. **TERMINATION OF AGREEMENT:** This Agreement may be terminated by either the Client or TM, with 10 calendar days written notice. In the event of such termination, all finished or unfinished plans, specifications and reports prepared by TM shall, at the option of the Client, become its property. TM shall be entitled to receive just and equitable compensation for work accomplished prior to the termination.

11. **LIABILITY AND STANDARD OF CARE:** TM shall perform services for Client in a professional manner, using that degree of care and skill ordinarily exercised by consultants practicing in the same or similar locality as the project. Client acknowledges that TM is a corporation and agrees that any claim made by the Client arising out of any act or omission of any director, officer or employee of TM in the execution or performance of this Agreement shall be made against TM and not against such director, officer or employee. TM's liability to the Client for any indemnity commitments or for any damage arising in any way out of performance of this Agreement is limited to the total fees paid by Client or Fifty-Thousand Dollars (\$50,000), whichever is less. However, at Client's discretion, TM's limit of liability may be increased to \$1,000,000. The consideration to TM for such increase will be a ten percent (10%) increase in the fee(s) proposed herein. IF THE CLIENT DESIRES TO HAVE THE \$1,000,000 LIMIT OF LIABILITY, ALONG WITH THE INCREASED FEES, PLEASE INITIAL THE BOX AT THE END OF THIS PARAGRAPH.

Client shall hold harmless, indemnify, and defend TM from any and all liability, claims, damages, losses, costs, or expenses of any nature based on injuries (including death) of employees, other than TM employees, arising out of and in connection with their employment while performing services arising out of or connected with this Agreement, except where such injuries result from the sole negligence of TM.

Client acknowledges that the existence of Federal Clean Water Act "wetlands" may impact on Project and the services to be furnished by TM, and, under certain circumstances, may require permits (which permits are Client's responsibility). Absent a specific direction herein to TM to either perform a wetlands survey or to utilize one timely furnished by Client, TM is directed to furnish its services on the basis that the Project has no wetlands issues (which wetlands issues, if any, shall be reported to TM) shall be at cost of and the sole responsibility of Client, who shall indemnify and hold TM harmless therefore.

Because risks arising from potential damages due to pollution, hazardous waste and asbestos are presently uninsurable, Client agrees to notify TM of the existence of any such dangers prior to the commencement of any of the services and Client further agrees to and shall hold harmless, indemnify, and defend TM from all liability, claims, damages, losses, costs, or expenses arising from or due to the discharge, release, or escape of such substances where such discharge, release, or escape arises out of services performed under this Agreement, except where such discharge, release, or escape is due to the sole negligence of TM. TM may decline to proceed or may stop furnishing services on any project where such dangers are disclosed or discovered when the rendering of such services presents, in the sole discretionary judgment TM unreasonable risks. TM will not be responsible for any delays, damages, losses, costs, or expenses therefrom due to such refusals to proceed.

This document and attachments represent the entire Agreement between the parties. If fully executed and proposal is delivered to TM more than 60 days after date first appearing hereon, terms are subject to revision or acceptance by TM.

IN WITNESS WHEREOF the parties hereto have made and executed this Agreement as of the date of the proposal. The invalidity of any portion of this Agreement shall not affect the validity or enforceability of any other portion.
