Where:

Town Hall &
Town of Mineral
Streets

Participation:

The Town of Mineral needs your help. We want to make this year the start of a tradition for years to come.

Let's line the streets with Christmas decorations and lights. Each business and/or residence can participate by decorating their property (trees in front *wink, wink*). We want to light up the Town.

All decorations should be in place by December 6th and should be lit by December 12th (through Christmas if possible).

Holiday Glow judging will take place via QR Code that is provided by the Town, 1st, 2nd and 3rd place.
