

Mineral Planning Commission Civility Pledge

Each member of the Mineral Town Planning Commission Council Pledges by their signature below, individually and collectively, to practice and promote civility within the Mineral Town Planning Commission at all times, especially while in Commission Meetings and anytime while in the Mineral Municipal Building or on Town property.

The appointed officials of the Mineral Town Planning Commission voluntarily enact this Civility Pledge intending to build a stronger and more prosperous community by advocating for positive civil engagement, respecting others, their view points, and finding joint solutions for the betterment of the community.

This Pledge ensures that all communication - both spoken and written – shall be civil, open, honest and transparent as this is vital for cultivating trust and relationships.

This Pledge further ensures mutual respect to achieve municipal goals, recognizing that patience, tolerance, cooperation and civility is imperative to success.

This Pledge creates opportunities for finding common ground amongst individuals and engagement by all in civil discussion, seeking solutions through active listening and encouraging positive remarks and thoughtful participation.

A copy of the most currently adopted and signed Civility Pledge shall be maintained in a planning commissioner's file accessible for public inspection upon request.
