Dear Members of the Town Council,

I am writing to express my enthusiastic support for the proposal by Eagle River Whisky/ Minturn Whisky Co. to build an establishment on Main Street that will serve both the local community and visitors. As a resident, I believe this project has the potential to enrich our community while also boosting the local economy.

Eagle River Whisky/ Minturn Whisky Co. has established itself as a cornerstone of craftsmanship and tradition, offering high-quality, locally distilled whisky that reflects the heart and soul of our town. Their little chalet has become a gathering place for many. By creating a welcoming space where people can continue to gather, learn about the distilling process, and enjoy a drink in a community-focused setting, this new spot will not only celebrate the distillery's legacy but also contribute to the social fabric of Main Street.

The establishment will likely attract tourists, increase foot traffic for nearby businesses, and offer local employment opportunities. With its focus on creating an inviting, responsible environment, I believe it will be a positive addition to our town and a great asset to our local economy.

I urge the Town Council to approve this proposal and allow Eagle River Whisky/ Minturn Whisky Co. to move forward with their vision.

Thank you for your time and consideration.

Sincerely,  
Lindsay
