to me

Scot,

Please allow this correspondence to serve as CPW referral comments:

Given the nature of infill and redevelopment of an existing footprint, CPW does not anticipate significant direct impacts to wilc  
Indirect impacts are likely to be far greater. I continue to recommend that the Town of Minturn and P&Z explore RETT opportu  
partnerships to pursue habitat improvement projects. Please let me know if you have any questions or concerns.

Thank you.
