**RECREATIONAL EASEMENT AGREEMENT
AND OPTION TO LEASE
(Consolidated Tailings Pile – Parcel 10)**

THIS RECREATIONAL EASEMENT AGREEMENT AND OPTION TO LEASE (Consolidated Tailings Pile – Parcel 10) (this “**Agreement**”) is made and entered into as of this ___ day of September, 2024 (“**Effective Date**”), by and among the following (individually, a “**Party**” and, collectively, the “**Parties**”): Battle North, LLC, a Georgia limited liability company (together with its successors and assigns, “**Grantor**”), and the Town of Minturn, Colorado, a home rule municipal corporation (the “**Town**”).

RECITALS

This Agreement is made with respect to the following facts:

A. Grantor is the fee simple owner of Parcel 10, Battle Mountain North Exemption Plat (“**Exemption Plat**”) recorded in the real property records of the Eagle County clerk and recorder’s office (“**Record(ed)(ing)**”) contemporaneously with the Effective Date (“**Grantor Property**”). All references to “Parcel” herein refer to the legally conveyable parcels designated in the Exemption Plat.

B. The Parties have entered into that certain Settlement Agreement dated September 6, 2023, approved by Minturn Town Council pursuant to Resolution 25 – Series 2023 (“**Settlement Agreement**”), to settle a case known as *Town of Minturn v. Battle One Developer, LLLP et al.*, Eagle County District Court Case No. 2022CV30050 (“**Litigation**”). Among other things, the Settlement Agreement requires the conveyance of certain perpetual easements and purchase options to the Town and the recording of certain restrictions on use of “Restricted Parcels” (defined in the Settlement Agreement), which Restricted Parcels include, but are not limited to, the Grantor Property.

C. In full satisfaction of Grantor’s obligations pursuant to Section 7(b)(ii) of the Settlement Agreement, Grantor Recorded that certain Declaration of Restrictive Covenant and Servitude (Restricted Parcels) contemporaneously with the Effective Date (“**Servitude**”), which imposes certain restrictions on the Restricted Parcels.

D. Pursuant to Section 7(b)(i) of the Settlement Agreement, Grantor undertook the obligation to grant the Town a perpetual, non-exclusive easement in gross for limited non-vehicular public access and recreational purposes (the “**Easement**”) on, over and across Grantor Property (“**Easement Obligation**”).

E. Pursuant to Section 7(b)(iii) of the Settlement Agreement, Grantor undertook the obligation to grant to the Town an option to acquire fee title to the Grantor Property. However, instead of a purchase option, the Town requested an option to lease the Grantor Property (“**Lease Option Obligation**”).

F. Grantor and/or the Grantor Property are subject to certain restrictions and requirements (“**Agencies Requirements**”) imposed by the United States Environmental Protection Agency (“**EPA**”) and/or the Colorado Department of Public Health and Environment (“**CDPHE**” and, collectively with the EPA, “**Agencies**”) pursuant to the Administrative Order on Consent for Response Action and Release and Waiver of CERCLA Lien, Docket No. CERCLA 08-2018-0009 (“**AOC**”) and the Notice of Environmental Use Restrictions imposed by CDPHE pursuant to C.R.S. Section 25-15-321.5 Recorded on November 20, 2019, at Reception No. 201919761 (“**Restrictive Notice**”).

G. As of the Effective Date, the Restrictive Notice does not allow all of the Permitted Uses (defined in Section 2.1). The EPA issued that certain letter to the Town dated July 1, 2024, regarding Bona Fide Prospective Purchase Considerations, Eagle Mine Superfund Site, Eagle County (the “**Comfort/Status Letter**”), which provides, among other terms and conditions, that certain Permitted Uses (defined in Section 2.1), such as “winter recreational hiking and Nordic skiing use and trail grooming” are consistent with the Restrictive Notice “so long as the CTP cover is not damaged.” The Comfort/Status Letter further provides that other Permitted Uses (defined in Section 2.1) are acceptable only if authorized under a future EPA decision document or an EPA-approved Materials Management Plan.

H. The Town has reviewed and conducted initial due diligence with respect to encumbrances of record that affect title to the Grantor Property, including the Restrictive Notice (“**Title Matters**”), and also with respect to the AOC. The Town may perform future due diligence in relation to its exercise of the option granted by this Agreement in accordance with the terms and conditions set forth in this Agreement.

I. In full satisfaction of Grantor’s Easement Obligation and Lease Option Obligation, Grantor desires to grant to the Town, and the Town desires to accept, the Easement and Lease Option (defined in Section 3.1) upon the terms and conditions provided in this Agreement.

(e) This Agreement burdens and encumbers the Grantor Property only and does not burden or encumber, and will not be construed to encumber title to, any portion of the Grantor Property that is adjacent to, but does not overlap or include, all or any portion of the Grantor Property.

(f) No party will operate motorized vehicles within the Grantor Property; provided, however, that as and when necessary or convenient: (A) Town-authorized construction and maintenance vehicles and equipment may be operated in connection with the construction, maintenance, operation, or repair of the Grantor Property and Permitted Improvements; (B) Grantor, its contractors and agents may operate vehicles and equipment within the Grantor Property in connection with the Reserved Uses (defined in Section 2.7); and (C) emergency responders may operate emergency service vehicles (e.g. fire trucks, ambulances, and search and rescue equipment) within the Grantor Property in response to emergencies within the Grantor Property.

(g) Permitted Uses may be further limited (but may not be expanded) by the Town's ordinances, rules, and regulations as in effect from time to time that govern the use of public recreational areas under the Town's jurisdiction.

(h) Except for Permitted Improvements as expressly provided in Section 2.5 and improvements permitted pursuant to the Reserved Uses as provided in Section 2.7, neither Party will install, construct or operate any surface or subsurface improvements within, on or under the Grantor Property.

2.4 Trespassers. Trespassers (as defined in C.R.S. § 13-21-115(7)(d)) will be subject to prosecution for such trespass, and the Statutory Protections will apply for the benefit of Grantor.

(a) Required Improvements. If the Town utilizes the Grantor Property for Recreational Access, then, prior to commencing Recreational Access activities within the Grantor Property, the Town must install signage advising Public Recreational Users of the limits of the Grantor Property, the applicability of the Statutory Provisions, and that no trespassing into adjacent portions of the Grantor Property is permitted (together with such discretionary fencing and other measures, if any, as the Town determines desirable and Grantor approves pursuant to Section 2.5(b) for the purpose of marking the limits of the Grantor Property and establishing physical barriers, the "**Trespass Controls**").

(b) Elective Improvements. (c) Ownership of Permitted Improvements. All Permitted Improvements, if any, in the Grantor Property will be and will remain the Town's property.

2.6 Management and Maintenance Obligations. Except to the extent caused by or required for the Reserved Uses, the Town will be solely responsible, at no cost or expense to Grantor, for the management, maintenance and repair of the Grantor Property and any Permitted Improvements installed therein. Without limitation of the foregoing:

(a) Neither Grantor nor the Town will impose, collect or receive any fee or charge, and no revenue will be collected from any Public Recreational User, for the Permitted Uses within the Grantor Property or for use and enjoyment of the Permitted Improvements.

(b) The Town will maintain and keep the Grantor Property and the Permitted Improvements in a good, sightly and safe condition at all times, including but not limited to installation and maintenance of the Trespass Controls. Except to the extent caused by or required for the Reserved Uses, the Town will conduct all maintenance work for the Grantor Property, the Permitted Improvements and related activities within, and will not extend beyond, the boundaries of the Grantor Property.

(c) To the extent either Party causes damage to the Grantor Property or another Party's improvements (i.e., the Town's Permitted Improvements, Grantor owned improvements or Recreational Improvements (defined in Section 2.7), or other third-party owned improvements), the responsible Party will promptly, and at no cost or expense to the other Party, repair or cause the repair of damage to the Grantor Property or such damaged improvements, utility provider owned utility lines or facilities, and other third party owned improvements located within the Grantor Property. Upon completion of any such maintenance or repair work, the responsible Party will cause all affected areas to be restored to substantially the same condition in which they were found before undertaking the applicable work (subject to the presence of any Permitted Improvements). In the course of any such work, the responsible Party will also cause the affected areas to be kept in a reasonably clean and neat condition, and upon the completion of the applicable work, will cause all materials, supplies and equipment to be removed from the affected areas.

(d) The Town will not cause or allow any mechanics' or materialmen's liens to be filed against the Grantor Property or any adjacent property owned by Grantor as a result of any work performed or material furnished on behalf of the Town (a "**Lien**"). If a Lien is filed, the Town will, at its sole cost and expense, cause the Lien to be discharged or

bonded off of record not later than forty-five (45) days after the Town's receipt of notice of the filing of such Lien. If such Lien is not discharged or bonded off of record within such forty-five (45) day period, Grantor may, but will have no obligation to, defend, prosecute or pursue any action that Grantor deems reasonably necessary to discharge the Lien, and to the extent permitted by law, the Town will promptly reimburse Grantor's out-of-pocket expenses incurred in connection therewith upon demand therefor by Grantor, subject to Grantor's delivery to the Town of reasonable documentation (i.e., invoices, receipts, etc.) of such expenses. The Town's obligations pursuant to this Section 2.6(d) will survive termination of this Agreement for a period of one (1) year.

(e) Except to the extent caused by or required for the Reserved Uses or as provided in Section 2.6(c): (i) Grantor will have no obligation with respect to, and will be subject to no liability regarding or arising from the condition of the Grantor Property and the Permitted Improvements; (ii) Grantor will not be liable for the management of the Permitted Improvements, and will have no obligation or duty whatsoever to construct or furnish any maintenance, repairs or replacements for any Permitted Improvements, or to provide notice or warning of any dangerous or defective conditions relating to the Grantor Property (unless required by the Statutory Protections) or the Permitted Improvements, or to otherwise regulate in any respect the use and enjoyment of the Grantor Property or the Permitted Improvements; and (iii) Grantor will not be liable for any injury, harm, damage or liability that may result from any failure by the Town or the Town's contractors, employees, or agents to properly discharge the Town's obligations and duties in relation to the use and enjoyment of the Easement, the Permitted Improvements, or that may otherwise arise in relation to such use and enjoyment by Public Recreational Users within the Grantor Property; provided, however, that the foregoing will not relieve Grantor from any liability for damage to the Permitted Improvements, or for dangerous or defective conditions relating to the Grantor Property or the Permitted Improvements, to the extent caused by actions of Grantor or its contractors, employees or agents that constitute gross negligence or willful misconduct.

2.7 Reserved Uses. The Easement is non-exclusive, and Grantor reserves for itself and for Grantor's employees, agents contractors, subcontractors and consultants, the right to use the Grantor Property and to grant further easements and other interests in (for the limited purposes of planning, design, construction, operation, maintenance, repair, replacement of utilities serving Grantor's Property and Exemption Plat Parcels 7, 9, 13, 14, 15 and 16 (collectively, the "**Battle Retained Parcels**")), and permit others to use, the Grantor Property so long as such grants and uses do not unreasonably interfere or conflict with the Permitted Uses and the use and enjoyment of the Easement permitted hereunder by the Town (collectively, the "**Reserved Uses**"). The Reserved Uses include but are not limited to: (i) Grantor's performance of its obligations pursuant to and implementation of the AOC, Restrictive Notice, and other Agencies Requirements that require activities within the Grantor Property; (ii) installation and maintenance of utilities and related improvements as may be necessary or desirable in connection with development within the Grantor Property or the Battle Retained Parcels; and (iii) construction of recreational improvements consistent with the Permitted Uses and Permitted Improvements ("**Recreational Improvements**"). Pursuant to Section 2.6(c), upon completion of any such work within the Grantor Property, Grantor or such third party will cause all affected areas and existing Permitted Improvements to be restored to substantially the same condition in which they were found before

the undertaking of the applicable work. Grantor will further have the right to interrupt temporarily (such interruption not to exceed fourteen (14) calendar days) the use and enjoyment of the Grantor Property as necessary or appropriate in connection with the Reserved Uses within or proximate to the Grantor Property, subject to providing the Town with fourteen (14) calendar days prior written notice.

2.8 Coordination of Improvements.

(a) **Town's Permitted Improvements.** Prior to the Town's construction of any Permitted Improvements, the Town will submit a recreational improvement plan identifying locations of proposed Permitted Improvements for Grantor's review and approval (which approval will not be unreasonably withheld, conditioned or delayed). Grantor will complete its review and provide its decision within thirty (30) calendar days of receipt of the Town's recreational improvement plan. At any time, the Town may submit additional recreation improvement plans or amend the recreational improvement plan and submit the same for Grantor's approval pursuant to this Section 2.8(a).

At any time, Grantor may submit additional recreation improvement plans or amend the recreational improvement plan and submit the same for the Town's approval pursuant to this Section 2.8(b).

2.9 Cooperation. The Town, in the conduct of the Permitted Uses, and Grantor, in the conduct of the Reserved Uses, will in good faith coordinate their respective activities within the Grantor Property. If requested by the Town in writing, Grantor will, at no out-of-pocket cost to Grantor, reasonably cooperate with the Town to request from the EPA a modification to the Restrictive Notice to allow the Permitted Uses; provided, however, any additional remediation work or governmental approvals necessary for the Agencies to approve such modification and/or to implement the Permitted Uses will be the sole responsibility of the Town and at the Town's sole cost and expense.

2.10 Compliance with Laws. Each Party, at its sole cost and expense, will comply with all federal, state and local requirements, regulations, ordinances and laws (including the Agencies Requirements) regarding the Permitted Uses or the Reserved Uses, as applicable, conducted within the Grantor Property, and will be solely responsible for any fines, fees or costs associated with its uses within the Grantor Property. Without limiting the foregoing, such Party will be solely responsible, at its expense, to obtain all necessary governmental approvals relating to the Permitted Uses or the Reserved Uses, as applicable, including, but not limited to any necessary governmental approvals related to the AOC (as applicable to Grantor) and Restrictive Notice, or other Agencies' Requirements. Except as provided in Section 2.9, Grantor will not be construed to have any obligation to the Town to undertake any activities to enable the Town's Permitted Uses within the Grantor Property as it relates to the AOC, Restrictive Notice, or other Agencies Requirements. The Town will not be construed to have any obligation to Grantor to undertake any activities to

enable the Reserved Uses within the Grantor Property as it relates to compliance with the AOC, Restrictive Notice, or other Agencies Requirements.

Prior to initial entry upon the Grantor Property, and annually within fifteen (15) days of Grantor's written request, the Town will cause written evidence to be delivered to Grantor of such insurance coverages being in effect and cause such coverages to remain in effect at all times during the term of this Agreement.

(b) **Grantor Insurance.** Grantor will, at no expense to the Town: (i) cause the Town to be named an additional insured under its policy of commercial general liability insurance (or equivalent), in an amount not greater than the limits under the Colorado Governmental Immunity Act, which are currently (I) \$424,000 for each occurrence, and (II) \$1,195,000 in the general aggregate, against claims for bodily injury, personal injury, advertising injury, death or property damage, occurring in, on or about the Grantor Property; and (ii) require its contractors who enter the Grantor Property pursuant to the Permitted Uses to (A) cause the Town to be named an additional insured on a primary, non-contributory basis under their respective policies of commercial general liability insurance, in an amount of at least (I) \$1,000,000 for each occurrence, (II) \$1,000,000 for personal injury, and (III) \$2,000,000 in the general aggregate; and (B) if a contractor with employees, procure and maintain workers' compensation coverage, meeting the statutory requirements of the state of Colorado; and (iii) cause the Town to be an additional named insured with respect to the Grantor Property on Battle North, LLC's Beazley Eclipse Enviro Covered Location Insurance Policy No. W2E64E210101, and any renewal or replacement thereof purchased by Grantor. On the Effective Date, and annually within fifteen (15) days of the Town's written request, Grantor will cause written evidence to be delivered to Town of such insurance coverages being in effect and cause such coverages to remain in effect at all times during the term of this Agreement.

2.12 Indemnity. Solely to the extent arising directly from the Town's conduct of the Permitted Uses or the Permitted Improvements, or directly from Grantor's conduct of the Reserved Uses, as applicable, each Party will, to the extent permitted by law, indemnify, defend, and hold

harmless the other Party from any and all claims, demands, liens, costs, expenses, damages and liabilities, including reasonable attorneys' fees and costs, that are asserted against the indemnified Party, the Grantor Property or the indemnified Party's improvements located within the Grantor Property, or which the indemnified Party may suffer or incur, to the extent arising out of any claims for property damage or personal injury, or claims from materialmen or laborers.

2.13 Grantor Property "As-Is". Grantor disclaims and makes no representations or warranties, expressed or implied, regarding the Grantor Property as of the Effective Date or thereafter, including but not limited to physical condition and suitability for the Permitted Uses for which the Town or Recreational Users may enter upon or occupy the Grantor Property. The Town and Recreational Users are accessing the Grantor Property and using the Easement based on the "AS IS" physical condition, "WITH ALL FAULTS." The Town accepts the Easement and the Grantor Property subject to the Reserved Uses, other terms, conditions and limitations set forth in this Agreement, all matters of record, including, but not limited to the Title Matters, and other matters of which Grantee has actual knowledge as of the Effective Date, including but not limited to the AOC, easements, rights-of-way, reservations, covenants, agreements and instruments affecting the Grantor Property. Article 3 Grant of Lease Option

3.1 Grant of Lease Option; Option Term. From and after the Effective Date until the day that is twenty-five (25) years after the Effective Date ("**Option Term**"), Grantor grants the Town an exclusive (subject to the Town's ability to assign such option to an operator of Solar Arrays under contract with the Town ("**Operator**")) option to lease (the "**Lease Option**") the Grantor Property for the sole purpose of Solar Arrays on the terms and conditions set forth in this Agreement.

3.2 Lease Option. The Town may exercise its Lease Option by providing Grantor written notice ("**Option Notice**") of its election prior to the expiration of the Option Term. If the Town timely exercises the Lease Option, the following terms and conditions will apply.

In such event, the Parties may Record an amendment to this Agreement.

3.6 Assignment. The Lease Option granted to the Town is personal to the Town and does not apply to any successors or assigns of the Town and any assignment of the Lease Option by the Town to a third party will be void and of no force or effect per the terms of this Agreement; provided, however, the Town may sublease the Lease or assign the Lease Option to an Operator pursuant to Sections 3.1 and **Error! 4.1 Town's Investigations. Pursuant to the terms of the Settlement Agreement, the Town has previously reviewed and conducted due diligence to its satisfaction with respect to the physical and environmental condition of the Grantor Property, suitability of the Grantor Property for the Town's intended use, Title Matters, and also with respect to the AOC, Comfort/Status Letter, and Agencies Requirements. Upon receipt of the Town's written request to update its due diligence investigations with respect to the Grantor Property, Grantor will grant the Town a non-exclusive license ("**License**") to access and enter upon the Grantor Property at reasonable times and from time to time for the purposes of conducting additional due diligence investigations, including an updated Phase I and Phase II Environmental Site Assessment, geotechnical surveys, and investigations necessary to determine the design requirements and suitability of the site for a Solar Array, at no cost or expense to Grantor. As a condition of exercising its rights pursuant to the License, the Town will maintain, and cause any third-party contractors to maintain, certain insurance requirements and indemnify Grantor to the extent permitted by law for any claims,

demands, liens, costs, expenses, damages, and liabilities arising from the Town's due diligence activities. The License and insurance and indemnification requirements will be generally consistent with the scope and requirements set forth in Section 5(c) of the Settlement Agreement.

4.2 Grantor Disclosures. Within ten (10) business days after Grantor receives the Town's Option Notice, Grantor will deliver or cause to be made available to the Town for review and/or copying (by Dropbox or similar electronic means) the following documents that were not otherwise provided to the Town as part of the "Battle North's Disclosures" identified in Section 5(d) of the Settlement Agreement, to the extent in Grantor's possession or control, without obligation to obtain documents not in Grantor's possession or control, and without representation or warranty of any kind with respect to the accuracy or completeness of any reports, studies or other documents furnished to the Town that were prepared by parties other than Grantor, to the extent relating or pertaining to the Grantor Property (collectively, "**Grantor Disclosures**"):

(a) Surveys. Grantor's most recent ALTA survey(s) that includes the Grantor Property.

(b) Reports and Documents. To the extent not publicly available at EPA's Superfund Records Center, EPA's webpage relating to the Eagle Mine Superfund Site at <https://cumulis.epa.gov/superepad/cursites/csinfo.cfm?id=0800159>, the CDPHE Hazardous Materials and Waste Management Division Records Center, CDPHE's webpage relating to the Eagle Mine Superfund Site at <https://cdphe.colorado.gov/eagle-mine>, within Recorded instruments, or located in the Eagle Mine Site Repository in the Town of Minturn, Colorado: copies of any reports or data regarding environmental conditions, including but not limited to hydrology, geology, hydrogeology, soils, ground water, cleanup or remediation plans or requirements and any amendments thereto; material correspondence with EPA or CDPHE in the prior three (3) years regarding environmental conditions, as described above, and any order, assessment, penalty, complaint, report or data related to the parcels' physical condition or affected by release of any Hazardous Materials from such parcels.

(c) Additional Matters. To the extent not listed above, any documents and materials that the Town reasonably requests from time to time which directly pertain to the physical condition or status of title, are in Grantor's possession or control, and which are neither subject to attorney-client or other privilege nor subject to any non-disclosure agreement that is legally binding on Grantor.

(d) Transfer of Documents. If Battle North, LLC conveys fee title to the Grantor Property to Battle North Metropolitan District Nos. 1, 2, 3 or 4 ("**District(s)**"), District will, upon the Town's written request, make the materials described in this Section 4.2 available to the Town to the extent such materials are in District's possession. This Section 4.2(d) will survive such transfer and, thereafter, will continue to be applicable to District.

4.3 CERCLA Protections. As part of its diligence activities, the Town may in its sole discretion, at its sole cost, and at such time as it determines desirable, elect to pursue additional environmental liability protections related to the Grantor Property ("**CERCLA Protections**"),

which may include one or more of: (i) updated or revised Comfort/Status Letter from CDPHE and/or EPA; (ii) environmental insurance; (iii) the Agencies' approval of remedial plans as provided in the AOC or the Restrictive Notice; or (iv) other mechanisms of managing potential environmental liabilities associated with the Grantor Property. (e) Litigation. There are no actions, suits, litigation or proceedings pending, or to Grantor's actual knowledge threatened, affecting the Grantor Property. There are no actions, suits, litigation or proceedings pending, or to Grantor's actual knowledge threatened, affecting Grantor's right, power or authority to enter into and perform this Agreement in accordance with its terms, or which question the validity or enforceability of this Agreement or any action taken or to be taken by Grantor under this Agreement.

Grantor may, without obligation pursuant to this Agreement to do so, cause the representation or warranty to again become true or correct prior to the Commencement Date.
