Memorandum

Date: October 4, 2024
To: Minturn Planning Commission
From: Madison Harris, Planner I
Re: Chapter 16 - Zoning and Chapter 17 - Subdivisions Definitions

At a previous Planning Commission meeting, the Planning Commission requested a document with all definitions throughout the land development chapters collated into one place. Attached is that document with all of the sections that have definitions added. Where the definition is not readily apparent, staff highlighted it in yellow for ease.

It is staff's goal that by the end of the Minturn Forward project, there will be one definition section, rather than definitions being scattered throughout sixteen sections.
