RE: Goldstein Residence
Lot 24 Minturn North – 0125 Miles End Lane, Minturn, CO 81645
Design Review Letter of Intent

Madison:

The attached submittal includes a single-family residence within the Minturn North neighborhood. The home is subject to the Minturn North PUD Guide, Town of Minturn Code and all pertinent documents approved by the Town Council.

Lot 24 is located at 0125 Miles End Lane on a downhill sloping undisturbed vacant lot which drops in elevation approximately 8' through the building envelope. The home has been oriented facing west, parallel to the building envelope lines to maximize the site's primary view facing Meadow Mountain. The home has been designed as a walkout residence due to the gently sloping topography. The architectural style is a mix of gable forms and low pitch shed roofs to create a composition of forms rather than a single massive structure. Overall, the structure has been nestled into the topography to balance the entry elevation with the west facing patio elevation of the home.

The home exterior is a balanced mix of stone and wood with appropriate architectural detailing which enhances the mountain vernacular. The landscaping is intentionally minimal in-keeping with the intent of the approved Minturn North PUD.
