#### **Final Plan Review for Exterior Modifications**

### 1014 Two Elk Lane

**Hearing Date:** June 12, 2024

File Name and Process: Duplex Residence Exterior Modifications Final Plan Review

**Owner/Applicant:** Adam Minnick

**Representative:** Fletcher Groff, The Groff Company

**Legal Description:** Subdivision: CROSS CREEK PLACE Lot: 2

**Address:** 1014 Two Elk Lane

**Zoning:** Cross Creek Character Area – Mixed Use Zone District

**Staff Member:** Madison Harris, Planner I

**Recommendation:** Approval

# **Staff Report**

#### I. Summary of Request:

The Applicant, Adam Minnick, requests Final Plan review of exterior modifications to a duplex residence located at 1014 Two Elk Lane in the Cross Creek Mixed Use Zone District. The Applicant's representative, Fletcher Groff of the Groff Company and Sam Eckerson with Boss Architecture, have been proactive in meeting with Town staff prior to submitting plans for a new home and has provided a relatively complete and thorough set of architectural plans.

#### **Proposed Plans**

The plans show an existing two-story duplex, enclosing the deck approximately 98 square feet, and height unchanging within the Cross Creek Mixed Use Zone District.

Additionally, the massing, forms, and scale of the proposed structure, as well as proposed exterior materials, textures and detailing also appear to achieve the design objectives of Appendix B – *Design Guidelines and Standards*, Minturn Municipal Code.

The number of bedrooms is not changing and so the existing parking is not changing.

According to staff's analysis of development standards and dimensional limitations in Section III below the project appears to meet the Town's standards.

Overall, staff believes that the Applicants and their representative have provided a complete, detailed set of plans necessary to complete a thorough final plan review.

As a reminder, the Planning Commission has the option to review the proposal as a "conceptual" plan review if the Commission feels that the plans are *not* sufficient or are in need of revisions and additional review prior to final plan approval; or the Commission may take action to approve, approve with conditions, or deny the Final Plans.

Staff is **recommending approval**.

### **II.** Summary of Process and Code Requirements:

These plans are being presented by the Applicant as "Final Plan" level of review for exterior modifications to a duplex residential structure on a legally created lot within the Town of Minturn. This is a formal hearing providing the Applicant and staff the opportunity to discuss the proposal with the Planning Commission, acting as the Design Review Board, and to address the DRB's concerns or feedback regarding suggested revisions to the project.

If the DRB feels that the plans are complete, appropriate, and meet the intent and purposes of the Minturn Municipal Code, Chapter 16, the DRB has the option to take final action to approve the plans without conditions, or to approve with specific conditions and giving the Applicant and staff clear direction on any recommended revisions, additions or updates to the plans. No variances are required or requested at this time.

#### **Design Review Process**

Appendix 'B' of the Minturn Municipal Code, Section 16-21-615 - *Design Review Applications*, subsection "d" below outlines the criteria and findings necessary for DRB review and approval of all new, major development proposals:

- (d) Administrative procedure.
  - (1) Upon receipt of a completed and proper application, the application for Design Review will be scheduled for a public hearing. The hearing will be conducted in accordance with the procedures set forth in this Chapter.

- (2) Criteria and findings. Before acting on a Design Review application, the Planning Commission, acting as the Design Review Board (DRB), shall consider the following factors with respect to the proposal:
  - a. The proposal's adherence to the Town's zoning regulations.
  - b. The proposal's adherence to the applicable goals and objectives of the Community Plan.
  - c. The proposal's adherence to the Design Standards.
- (3) Necessary findings. The Design Review Board shall make the following findings before approving a Design Review application:
  - a. That the proposal is in conformance with the Town zoning regulations.
  - b. That the proposal helps achieve the goals and objectives of the Community Plan.
  - c. That the proposal complies with the Design Standards.

Staff suggests that the final plans for 1014 Two Elk Lane meet the required findings 'a,' 'b,' and 'c' or subparagraph 3 – *Necessary findings*.

### III. Zoning Analysis:

#### **Zoning**

The subject property is located within the "Cross Creek Character Area" Mixed Use Zone District, described as follows:

- (a) The Cross Creek Mixed-Use Zone is characterized by a small area of mixed-use. The site has good access from Highway 24 and is highly visible as one enters Town from the south.
- (b) The purpose of the Cross Creek Mixed-Use Overlay Zone is to provide a variety of complementary and integrated uses such as residential, office, light manufacturing and some retail in a concentrated area. An objective of this area is to provide an attractive entrance statement and economic activity without causing significant impacts on nearby residential and open space uses.

- Town of Minturn Town Code Section 16-9-30

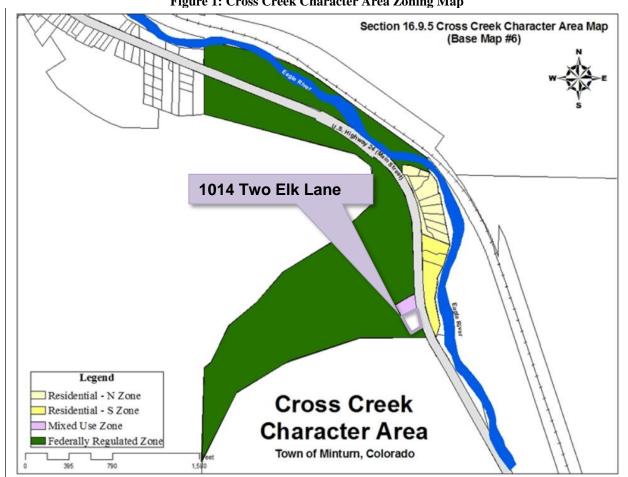

Figure 1: Cross Creek Character Area Zoning Map

#### **Dimensional Limitations and Development Standards**

The following table summarizes the lot, development and dimensional standards and limitations applicable to the subject property pursuant to Sections 16-2-40. - General lot requirements and dimensional standards and 16-16-20 – Parking Required for Residential and Lodging Uses.

Regulation	Allowed/Required	Proposed/Existing
Minimum Lot Area:	10,000 sq. ft.	5,963 sq. ft. ( ac.)
Maximum Building Height:	28 feet	28 feet (existing)
Minimum Front Setback:	10 feet	10 feet (existing)
Minimum Side Setback:	10 feet	10 feet (existing)
Minimum Rear Setback:	10 feet	10 feet (existing)

Maximum Lot Coverage:	70% (4,174.1 sq. ft.)	2,363 sq. ft. (39.6%) Proposed
Maximum Impervious Coverage:	80% (4,770.4 sq. ft.)	2986 sq. ft. (50.1%) Proposed
Minimum Snow Storage Area:	5% of Lot Area (5,963 sq. ft. x .05 = 253.4 sq. ft.)	Snow storage existing and not proposed to change
Parking:	3 spaces	3 spaces (existing)

# IV. Applicable Standards and Design Guideline Criteria:

# Design

In addition to the development standards listed above, the following general design principles are provided for reference.

#### Mass and Form

The following excerpt from the Design Guidelines is applicable to the proposed home design:

# "c. Massing and Scale

"A simple central form with additive features shall be designed. This style creates visual interest and is appropriate for the community due to its compatibility with existing structures. Buildings and improvements should complement, rather than overpower, the adjacent natural and built environment. Homes are encouraged to be sheltering in nature, with consistent setbacks from the street with prominent porches or overhanging eaves.

-Town of Minturn Design Guidelines

#### **Staff Response:**

Staff believes that the design and scale of the proposed modifications incorporates similar features to the rest of the duplex and is complementary to adjacent residential structures and character on nearby parcels. Proposed materials and textures are compatible and complementary to the surrounding built and natural environments.

# V. <u>Staff Recommendation and Suggested Conditions</u>:

Staff suggests that the Final Plans for 1014 Two Elk Lane generally **comply** with or exceed the applicable provisions and/or minimum standards of Chapter 16 and the Town of Minturn Design Standards (Appendix 'B') of the Minturn Town Code.

Staff is <b>recommending approval</b> of the plans.
