Mission Fire Department

Career Development Section

Monthly Report for April 2024

To: Adrian Garcia, Fire Chief

From: Richard A. Cruz, Deputy Chief

Re: Career Development Section Report for April 2024

The training topics for the month were Burns for the EMS portion, and Ventilation for the Fire portion. Each topic counts for 2 hours of continuing education hours for the yearly total. The trainings were posted on our online Training software and each personnel completed the trainings on their assigned shift days.

EMS training has been our top priority this month. We have been training around the clock to keep our skills sharp. We have been utilizing our newly purchased training equipment to be able to perform hands-on skills and train.

With Hurricane Season around the corner, all of our crews attended a Flood Awareness Class. This class incorporates how to recognize different types of flooding, how to enter and exit flood waters safely, rescue throw bag techniques, and shallow water crossing techniques. Crews also performed a specialized skill where they enter the water with their fire PPE and have to exit (self-rescue) safely.

Three of our Special Operations members traveled to Kemah, TX for a Boat Repair class. Here, our personnel learned how to properly make small repairs on our rescue boats. This is crucial to maintain our rescue boats at a readiness level for emergency operations.

The CDS held a Fire Decontamination course for all shift personnel. Crews went over decontamination and cleaning procedures for themselves and for their gear after they enter a fire. By doing this, crews help eliminate cross contamination from Carcinogens to the fire apparatus and eventually the fire station.

All shift personnel did a walkthrough of our city's North side water plant. The purpose was to help identify any hazards that are present at location. The city's plant manager gave the tour and explained the different hazards and their severity if there were to be any accidents on location. This helps crews better plan and prepare for emergency incidents at location.

Our EMS Captain gave our crews a course on Mass Casualty Incidents. This class teaches personnel how to properly triage and treat patients that may be encountered in a mass patient incident. We recently purchased an MCI kit that assists with this process. The kit includes training simulations that were used to facilitate the training scenarios.

Crews at their respective stations also have been doing in-service training as single-engine companies. Training has included: SCBA's, search and rescue, rescue equipment familiarization, ropes and knots, pumping fire apparatus, hose practices, ladders, and other topics.

"Train Like Your Life Depends on it...Because It Does!"

Training Hours for April 2024 - TOTAL: 178

Fire: **131 hours**
 Classroom/Online: 47 hours
 Hands-On/Skills: 84 hours Drone: 0 hours
EMS: **47 hours**
Special Ops: **0 hours**
Haz-Mat: **0 hours**

Training Hours for Year-to-Date 2023 - TOTAL: 5,249

Fire: **2,887 hours**
 Classroom/Online: 308 hours
 Hands-On/Skills: 2,551 hours Drone: 20 hours
EMS: **954 hours**
Special Ops: **0 hours**
Haz-Mat: **905 hours**

Respectfully,

Richard A. Cruz
